**RE: Application by Tarpon Towers II, LLC (“Tarpon”) and Bell Atlantic Mobile Systems of Allentown, Inc. d/b/a Verizon Wireless (“Verizon Wireless”) for the approvals necessary to construct and operate a 184’ wireless telecommunications tower (with 4’ lightning rod) and associated improvements on land owned by Calcam Associates, Inc. located off Wurtsboro Mountain Road (S.B.L. # 35-1-34) in the Town of Thompson, Sullivan County, New York (Verizon Wireless’ “Louise Marie” site)**

Dear Members of the Planning Board:

As you know, the above-referenced matter is currently scheduled for the December 11, 2019 Planning Board meeting. Verizon Wireless respectfully requests the matter be adjourned until the January 22, 2020 Planning Board agenda to allow our client to commence (and hopefully complete) the engineering required for an alternate location.

In the meantime, Verizon Wireless agrees to waive the FCC “shot clock” until the Planning Board’s January 22, 2020 meeting.

Should you have any questions or concerns, please do not hesitate to contact me.

Very truly yours,

Jared C. Lusk
