To Whom It May Concern:

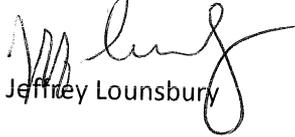

I would like to express my dismay at the severe impact that the proposed cell tower will have on my home at Wanaksink Lake.

I have owned my home at 8 Beech Rd for over 20 years. I have multiple extended family members that own homes on Wanaksink Lake as well. One of the reasons we all purchased these homes is because of the natural beauty of the lake and its surrounding landscape. Wanaksink lake feels like a vacation because of its undisturbed scenery and wooded perimeters. I do not want to sit out on my dock and see a cell tower towering over what is important to me.

I feel as though the best place for this cell tower would be at the Sullivan County SPCA. I am aware of the income that would be generated with the tower and I feel as though it would be beneficial to a not for profit local organization. I do hope that you will consider this site for the proposed cell tower.

Sincerely,

Jeffrey Lounsbury
