

Minutes of a Regular Meeting of the Town Board of the Town of Thompson held at the Town Hall, 4052 State Route 42, Monticello, New York and held remotely via Zoom on **January 19, 2020.**

ROLL CALL:

Present: Supervisor William J. Rieber, Jr., Presiding
Councilwoman Melinda S. Meddaugh
Councilman Scott S. Mace
Councilman Ryan T. Schock
Councilman John A. Pavese

Also Present: Marilee J. Calhoun, Town Clerk
Michael B. Mednick, Attorney for the Town
Patrice Chester, Deputy Administrator
Melissa DeMarmels, Town Comptroller
Glenn Somers, Parks & Recreation Superintendent
James L. Carnell, Jr., Director of Building, Planning & Zoning
Michael G. Messenger, Water & Sewer Superintendent

Present via Zoom: Karen Schaefer, Supervisor's Confidential Secretary
Helen Budrock, Planner, Delaware Engineering, DPC

REGULAR MEETING – CALL TO ORDER

Supervisor Rieber opened the meeting at 7:03 PM with the Pledge to the Flag. Supervisor Rieber announced that this meeting was held in person, but due to the Coronavirus (COVID-19) Pandemic the meeting was closed to public access. However the meeting was held via Videoconferencing and streamed live on the Zoom app, which is accessible to the public. The meeting is also being recorded for full transcription purposes should it be required.

MOMENT OF SILENCE: IN MEMORY OF ALLAN WOLKOFF, TOWN HISTORIAN

Supervisor Rieber opened the meeting with a Moment of Silence in memory of Allan Wolkoff who recently passed away. Mr. Wolkoff was our Town Historian for the past 6 years, a longtime member of the Rock Hill Fire Department, Secretary/Treasurer of the Rock Hill Fire District and a longtime resident of the Town of Thompson.

**PUBLIC HEARING: PROPOSED LOCAL LAW # 3 OF 2021 – AMEND CHAPTER 250
RE: LANDSCAPING & PARKING STANDARDS**

Supervisor Rieber opened the Public Hearing at 7:04 PM.
Town Clerk, Marilee J. Calhoun read the legal public notice and stated that she had an original affidavit of publication. Notice of said hearing was duly published in the Sullivan County Democrat on January 12, 2021 with same being posted at the Town Hall and Town Website on January 07, 2021.

The Proposed Local Law is to amend Chapter 250-21.1 Landscaping Standards and Chapter 250-22 C Required Off-Street Parking Spaces. It will also add provisions for Shared Parking, Green Infrastructure and Low Impact Development.

Helen Budrock, Planner from Delaware Engineering, DPC on behalf of the Town gave a brief presentation outlining the Proposed Local Law. This law is a series of zoning amendments that were funded through a small grant from Natural Lands. It is all about watershed conservation and the Town chose some of the appropriate changes that were suggested. She explained several of those proposed changes/recommendations.

Director Carnell advised that the Planning Board had an opportunity to review the proposed local law and they provided a recommendation to proceed with the law.

Supervisor Rieber asked if the Board had any comments. The Board had no comments.

Supervisor Rieber asked if anyone from the public would like to be heard on this matter. There were no public comments.

After an opportunity for all persons to be heard Supervisor Rieber entertained a motion that the public hearing be closed.

A motion to close the Public Hearing at 7:10 PM was made by Councilman Schock and seconded by Councilman Mace.

The regular meeting was reconvened at 7:11 PM.

APPROVAL OF MINUTES:

On a motion made by Councilwoman Meddaugh and seconded by Councilman Schock the minutes of the December 29th, 2020 Special Town Board Meeting were approved as presented.

Vote: Ayes 3 Rieber, Meddaugh and Schock
 Nays 0
 Absent 2 Pavese and Mace

On a motion made by Councilman Mace and seconded by Councilman Pavese the minutes of the January 5th, 2021 Organizational & Regular Town Board Meeting were approved as presented.

Vote: Ayes 5 Rieber, Pavese, Schock, Meddaugh and Mace
 Nays 0

PUBLIC COMMENT:

There was no public comment given.

CORRESPONDENCE:

Supervisor Rieber reported on correspondence that was sent or received as follows:

- **Christopher P. Ng, Esq. of Willis & Ng Attorneys at Law:** Email/Letter dated 01/14/2021 to Director James Carnell, Town of Thompson Building Department Re: (FOIL) Request and Ongoing Violations of Town Zoning Code at 266 Gregory Road, Monticello, SBL # 56.-1-52.10 (Radoncic)

AGENDA ITEMS:

1) PROPOSED LOCAL LAW NO. 3: AMEND CHAPTER 250 RE: LANDSCAPING & PARKING STANDARDS – NEGATIVE DECLARATION RESOLUTION AND RESOLUTION TO ENACT (ADOPTED AS LOCAL LAW NO. 03 OF 2021)

The Following Resolution Was Duly Adopted: Res. No. 83 of the Year 2021.

At a regular meeting of the Town Board of the Town of Thompson held at the Town Hall, 4052 Route 42, Monticello, New York, on January 19, 2021

RESOLUTION FOR NEGATIVE DECLARATION UNDER SEQR FOR PROPOSED LOCAL LAW NO. 03 OF 2021; LANDSCAPING STANDARDS, PARKING AND GREEN INFRASTRUCTURE

WHEREAS, the Town Board of the Town of Thompson has conducted an extensive review of the present Zoning Code for the Town of Thompson, including a review of Chapter 250 of the Zoning and Planned Unit Development Code; and

WHEREAS, the Town Board of the Town of Thompson declared itself lead agency pursuant to Resolution dated January 5, 2021 in connection with the review of the local law to amend Chapter 250 of the Town Code; and

WHEREAS, a Short Form Environmental Assessment Form has been filed in connection with the proposed revisions to Chapter 250 of the Town Code; and

WHEREAS, a public hearing was conducted in connection with the revisions to Chapter 250 of the Town Code on January 19, 2021, wherein said public hearing was closed.

NOW, THEREFORE, BE IT RESOLVED, that the Town Board of the Town of Thompson determines that there are no negative environmental impacts that would be caused as a result of the enacting of Local Law 03 of 2021 entitled A local law to amend Chapter 250 of the Town of Thompson Code relating to Landscaping Standards, Parking and Green Infrastructure; and

FURTHER BE IT RESOLVED, it is determined that the Town Board of the Town of Thompson makes a negative declaration with regard to any environmental impacts caused as a result of the enacting of Local Law No. 03 of 2021.

Moved by: Councilwoman Melinda S. Meddaugh
Seconded by: Councilman John A. Pavese
Adopted the 19th day of January, 2021.

The members of the Town Board voted as follows:

Supervisor WILLIAM J. RIEBER, JR.	Yes <input checked="" type="checkbox"/>	No <input type="checkbox"/>

The Following Resolution Was Duly Adopted: Res. No. 84 of the Year 2021.

At a regular meeting of the Town Board of the Town of
Thompson held at the Town Hall, 4052 Route 42,
Monticello, New York on January 19, 2021

RESOLUTION TO ENACT LOCAL LAW NO. 03 OF 2021

WHEREAS, proposed Local Law No. 03 of the year 2021 entitled, "A local law to amend Chapter 250 of the Town of Thompson Code relating to zoning and planned unit development" was introduced to the Town Board at a meeting held January 05, 2021, at the Town Hall, Monticello, New York, to consider said proposed local law and notice of public hearing having been duly published and posted as required by law, and said public hearing having been held and all persons appearing at said public hearing deeming to be heard having been heard, and

WHEREAS, said local law was duly adopted after a public hearing.

NOW, THEREFORE, BE IT RESOLVED, that the Town Board of the Town of Thompson, New York, does hereby enact and adopt Local Law No. 03 for the year 2021, Town of Thompson, State of New York, which local law is annexed hereto and made a part hereof.

Town of Thompson

Local Law No. 03 of the Year 2021

A LOCAL LAW AMENDING CHAPTER 250, ZONING AND PLANNED UNIT DEVELOPMENT, TO IMPROVE WATER QUALITY AND THE QUALITY OF THE BUILT ENVIRONMENT.

Be it enacted by the Town Board of the Town of Thompson by authority of Article 16 of the Town Law and Article 3 of the Municipal Home Rule Law, as follows:

Section 1: Repeal and Replace Article IV § 250-21.1 (Landscaping Standards) as follows:

§ 250-21.1. Landscaping standards.

[Added 6-7-2005 by L.L. No. 1-2005 and amended by LL. No. 3-2021]

A. The Planning Board shall, in every instance where it is determined that a proposed site plan or special use could have a significant effect on the natural environment, adjoining land owners, or the view from a public highway, require that a landscape plan be prepared.

B. The landscape plan to be submitted shall indicate how existing vegetation will be preserved to the maximum extent possible and how building materials, colors, and textures will be blended with the natural and man-made landscape to enhance rather than detract from the aesthetic character of the area. Specific locations, varieties and size for all existing and proposed plantings shall be provided as part of the plan. Grading plans showing any slopes, berms, landforms, drains, and stormwater management facilities shall also be provided, if applicable.

C. Landscape plans shall be prepared by a licensed landscape architect or other design professional qualified to perform such services and shall include considerations of all man-made and natural features having a bearing on the landscape; in particular, the view from the public highways or adjoining properties, including signs and all principal and accessory structures.

D. The Planning Board, in reviewing the landscape plan, may employ the assistance of design professionals and shall consider the following for approving with modifications or disapproving the site plan or special use permit:

- 1) The plan should use landscaping to promote attractive development and preserve and enhance the appearance and character of the

surrounding area.

- 2) The plan should use landscaping to delineate or define vehicular ways, pedestrian pathways and open spaces.
- 3) The plan should integrate open space as part of the overall site design, and preserve mature trees, hedgerows, wetlands and woodlots to the maximum extent possible.
- 4) The plan should use landscaping to create boundaries and transitions between areas of differing development intensities, as well as to separate areas of incompatible landuses.

E. The following guidelines and landscaping standards shall apply to any site where new development is proposed or existing buildings undergo significant upgrades or renovations:

- 1) Landscaped areas may include a combination of trees, shrubs, flowering plants, ground cover and manicured lawns. Simple designs requiring less maintenance are generally preferred, as landscaping that is not regularly maintained can look unkempt and become an eyesore.
- 2) Landscaped areas are recommended at the entrances to all residential developments and commercial buildings, and around permanent free-standing signage. Applicants are also encouraged to incorporate landscaping around buildings that are visible from public roads, especially along portions of buildings without ground floor display windows, such as side and rear elevations.
- 3) Landscape buffers are recommended to create an attractive natural barrier between properties. In such cases, the landscaping should appear as a single, cohesive buffer. Where appropriate topography and soil types exist, buffer areas are encouraged to be designed as landscaped bioswales or rain gardens.
- 4) Internal and peripheral landscaping plantings are recommended in parking lots to delineate driving lanes, provide shade, improve community aesthetics and reduce stormwater runoff. See § 250-22 E. Landscaping Standards for Parking Lots.
- 5) All plant material shall conform with the “American Standard for Nursery Stock” of the American Association of Nurserymen, latest edition. Plant material shall be healthy specimens, suitable for local climate conditions, and shall be installed consistent with sound horticultural practices. Selected plants should be from the Zone 5b plant hardiness zone, and able to withstand poor and compacted soil conditions.
- 6) The use of native species is highly encouraged, and the use of invasive

species as defined by 6 NYCRR Part 575 - Prohibited and Regulated Invasive Species shall be prohibited.

- 7) The location of overhead and underground utilities should be taken into consideration to maintain the health of trees and other landscaping by not compromising their root system or making them unstable through over-pruning.
- 8) The minimum plant size shall be specified in the landscape plan and approved by the Planning Board. It is recommended that all landscaping material, except trees, be of a sufficient size at the time of planting to reach maturity within 3 years.
- 9) All landscaping required by this chapter shall be installed prior to occupancy or commencement of use. Where this compliance is not possible because of time of year, the Planning Board may grant an appropriate delay, provided a security bond is posted.
- 10) Any landscaping installed in accordance with this section that substantially deviates from the number, type or location of plant material shown on the approved landscaping plan shall be approved by the Planning Board before a Certificate of Occupancy is issued.
- 11) Any landscaping installed in accordance with this section shall be maintained in good order to achieve the objectives of this section. Dead or damaged landscaping should be replaced within a reasonable timeframe as determined by the Planning Board.

Section 2: Amend Article IV § 250-22 C. (Required off-street parking spaces) as follows:

- (1) The minimum parking requirement for retail stores shall be changed from 1 parking space per 150 square feet of retail space to 1 parking space per 250 square feet of retail space;
- (2) A footnote shall be added to the table that states, “To prevent oversized parking lots that may produce excess stormwater runoff, no more than 120% of the minimum required parking spaces shall be allowed for all uses.”

Section 3: Amend Article IV § 250-22 (Off Street Parking and Loading Facilities) by adding a new subsection E. to provide landscaping standards, and a new subsection F. to allow for shared parking.

E. Landscaping Standards.

Parking lots with landscaped islands consisting of either mulched planting beds, manicured grass, or a combination thereof are strongly encouraged.

- 1) Wherever possible, applicants should incorporate green infrastructure elements into their parking lot design. Where soil types are adequate to provide stormwater infiltration, the planting islands should be notched and recessed to function as landscaped bioswales or rain gardens.
- 2) Trees and other plantings in landscaped islands should be able to withstand the stresses of urban conditions such as poor soils and prolonged exposure to the sun.
- 3) Parking lots should be buffered from public sidewalks with landscaping or fencing, or a combination of both. Fences should be constructed of natural materials (wood, brick, stone, etc.)
- 4) Trees should be of a sufficient height or should be pruned so they do not inhibit the sight lines of vehicles entering and exiting the parking lot.
- 5) To minimize cleanup and maintenance, trees that do not have fruit, and/or large cones that seasonally fall are preferred.

F. Shared Parking

- 1) Where two or more uses on the same site are able to share the same parking spaces because their parking demands occur at different times, the same parking spaces may be counted to satisfy the minimum parking requirements for each use upon the approval by the Planning Board.
- 2) The following information shall be supplied to the Planning Board as part of a written request for shared parking:
 - (a) A description of the types and uses that will share the parking.
 - (b) The location and number of parking spaces to be shared.
 - (c) Evidence showing that the peak parking times of the uses occur at different times and that the parking area will be large enough for the anticipated demands of all uses.
- 3) The Planning Board may grant approval for shared parking if it finds that:
 - (a) The information provided presents a realistic projection of parking demands likely to be generated.
 - (b) Peak demand is sufficiently distinct so that the Planning Board is able to clearly identify a number of spaces for which there will rarely be an overlap of parking demand.
 - (c) Rights to the use of spaces are clearly identified in a written agreement or

other legal instrument so as to facilitate enforcement.

4) The Planning Board may require that a portion of the site be set aside for the development of future parking in the event the shared parking proves to be inadequate to accommodate parking demands or a change in use of any of the properties causes parking demands to converge at the same times.

Section 4: Amend Article IV § 250-40 (Business, Industrial and Commercial Uses) by adding a new subsection E. to encourage the use of green infrastructure.

E. Green Infrastructure and Low Impact Development.

1) Business, industrial and commercial uses are encouraged to incorporate green infrastructure and low impact development principles into their site plans to reduce stormwater flow and mitigate potential environmental impacts. Such measures include but are not limited to the following:

(a) Green roofs and walls

(b) Geothermal heating and/or cooling.

(c) Solar photovoltaic panels to supply on-site electrical power.

(d) Bioswales, rain gardens, and stormwater planters for stormwater treatment.

(e) Parking areas constructed with permeable pavers or porous asphalt to reduce stormwater runoff.

2) An additional 10% development coverage may be permitted to be added to the bulk standards for special permit uses in the East Broadway Gateway zoning district providing two or more green infrastructure features listed in the Grow the Gateways Corridor Design Guidelines. See § 250-60 G. Standards for all uses located in the EBG District, requiring a special use permit of the Planning Board.

5. Except as herein specifically amended, the remainder of Chapter 250 of such code shall remain in full force and effect.

6. If any clause, sentence, paragraph, subdivision, section or part thereof this local law shall be adjudged by any court of competent jurisdiction to be invalid, such judgment, decree or order shall not affect, impair or invalidate the remainder thereof but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment, decree or order shall have been rendered and the remainder of this local law shall not be affected thereby and shall remain in full force and effect.

7. Except as herein otherwise provided penalties for the violation of this local law, any person committing an offense against any provision of the chapter of the Code of the Town of Thompson shall, upon conviction thereof, be punishable as provided in Chapter 1, General Provisions, Article II, of such Code.
8. This local law shall take effect immediately.

2) PROPOSED LOCAL LAW NO. 4 OF 2021: EMERALD GREEN LAKE LOUISE MARIE WATER COMPANY ZONE CHANGE REQUEST (2) PARCELS LOCATED ON LAKE LOUISE MARIE ROAD, ROCK HILL, SBL #'S 52.-1-2 & 4 FROM HC-1 TO SR – ESTABLISH DATE FOR PUBLIC HEARING 03/02/2021 @ 7PM
The Following Resolution Was Duly Adopted: Res. No. 85 of the Year 2021.

At a regular meeting of the Town Board of the
 Town of Thompson held at the Town Hall, 4052
 Route 42, Monticello, New York on January 19,
 2021

RESOLUTION TO AUTHORIZE A PUBLIC HEARING FOR THE ADOPTION OF A LOCAL LAW

WHEREAS, there has been introduced at a meeting of the Town Board of the Town of Thompson held on January 19, 2021, a proposed Local Law No. 04 of 2021, entitled "A local law to amend Chapter 250 of the Town of Thompson Code relating to zoning and planned unit development.

NOW, THEREFORE, BE IT RESOLVED, that a public hearing be held on said proposed local law by the Town Board of the Town of Thompson on March 02, 2021 at 7:00 P.M., or as soon thereafter as said public hearing shall be convened, at the Town Hall, 4052 Route 42, Monticello, New York, and at least three (3) days' notice of such public hearing be given by the Town Clerk of the Town of Thompson by due posting thereof on the bulletin board of the Town of Thompson and by publishing such notice at least once in the official newspaper of said Town.

Town of Thompson

Proposed Local Law No. 04 of the year 2021

A local law to amend Chapter 250 of the Town of Thompson Code relating to zoning and planned unit development

Be it enacted by the Town Board of the

Town of Thompson

1. Chapter 250 of the Code of the Town of Thompson entitled "Zoning and Planned Unit Development", is hereby amended to reclassify the following described real property which is currently classified on the zoning map of the Town of Thompson in the Highway Commercial-1 (HC-1) district:

Only that portion of real property identified on the Town of Thompson Tax Map as parcels Section 52, Block 1, Lots 2 and 4 consisting of approximately 7.81 acres, currently zoned as Highway Commercial-1 (HC-1), shall be reclassified on such zoning map as Suburban Residential (SR) and shall hereafter be subject to the schedule of district regulations for such Suburban Residential (SR) zone.

2. Except as herein specifically amended, the remainder of Chapter 250 of such code shall remain in full force and effect.
3. If any clause, sentence, paragraph, subdivision, section or part thereof this local law shall be adjudged by any court of competent jurisdiction to be invalid, such judgment, decree or order shall not affect, impair or invalidate the remainder thereof but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment, decree or order shall have been rendered and the remainder of this local law shall not be affected thereby and shall remain in full force and effect.
4. Except as herein otherwise provided penalties for the violation of this local law, any person committing an offense against any provision of the chapter of the Code of the Town of Thompson shall, upon conviction thereof, be punishable as provided in Chapter 1, General Provisions, Article II, of such Code.
5. This local law shall take effect immediately.

3) MONTREIGN OPERATING COMPANY, LLC – REQUEST TO RETURN TOWN ESCROW FUNDS IN AMOUNT OF \$256,454.66

4) PETITION FOR ANNEXATION SUBMITTED BY JAY L. ZEIGER, ESQ. ON BEHALF OF ABRAHAM JEREMIAS (PINE TREE RESORT ESTATES, LLC) – NYS ROUTE 42 SOUTH, MONTICELLO, SBL #'S 29.-1-44.2 & 2.2, CONSISTING OF 33.623 ACRES

A Petition for Annexation was submitted on January 14th, 2021 by Jay L. Zeiger, Esq. of Kalter, Kaplan, Zeiger & Forman, Attorneys on behalf of client Abraham Jeremias. The Petition was presented to the Town Board. The Petition is to annex lot 2 from the Town

to the Village of Monticello. A brief discussion was held regarding concerns involving lot line changes, aquifer boundaries and potential wetland issues. Supervisor Rieber advised that the matter will be tabled until the next Town Board Meeting since Mr. Zeiger; Attorney for the applicant was not notified of the meeting. He will invite both Attorney Zeiger and the applicant to the next Town Board Meeting to allow them the opportunity to provide a presentation and explanation regarding the proposed Annexation Petition.

The Following Resolution Was Duly Adopted: Res. No. 88 of the Year 2021.

Resolved, that Agenda Item No. 4 pertaining to the Proposed Annexation Request for Abraham Jeremias on behalf of Pine Tree Resorts Estates, LLC hereby be tabled until the 02/02/2021 Town Board Meeting for representation of the applicant and attorney.

**7) STATUS UPDATE: ROUTE 42 STREETLIGHTS
AND**

8) STATUS UPDATE: LED STREETLIGHT PROGRAM/PROJECT

Supervisor Rieber provided an update regarding the Streetlight outages along NYS Route 42 North just after the NYS Route 17 Overpass/Bridge. He contacted NYSEG and was advised that they disconnected those streetlights due to a single transformer issue. Supervisor Rieber requested that NYSEG repair and correct the lights prior to the purchase transaction. Hopefully the problem will be resolved before the next Town Board Meeting.

**9) RESOLUTION RECOGNIZING WATER & SEWER DEPT., HIGHWAY DEPT. AND
PARKS & RECREATION DEPT. EMPLOYEES AS FIRST RESPONDERS**

The Following Resolution Was Duly Adopted: Res. No. 91 of the Year 2021.

**RESOLUTION OF THE TOWN BOARD OF THE TOWN OF THOMPSON
RECOGNIZING ALL WATER & SEWER DEPARTMENT EMPLOYEES, HIGHWAY
DEPARTMENT EMPLOYEES AND PARKS & RECREATION EMPLOYEES AS
FIRST RESPONDERS**

WHEREAS, the term First Responder refers the those individuals who in the early stages of an incident are responsible for the protection and preservation of life, property, evidence and the environment, including emergency response providers as defined in Section 2 of the Homeland Security Act of 2002 (6 U.S.C. 101), as well as Emergency Management, Public Health, Public Works and other skilled support personnel (such as equipment operators) that provide immediate support services during prevention, response and recovery operations,; and

WHEREAS, President George W. Bush issued Homeland Security Presidential Directive 8 (HSPD-8), National Preparedness, in 2003, in which a Public Works response to emergencies and disasters is recognized as an absolute necessity, and the federal government is directed to include Public Works in all planning and response effort; and

WHEREAS, The Town of Thompson believes to best provide for the health, safety, and welfare of its citizens, it is appropriate to recognize our employees that put the citizens of The Town of Thompson before themselves in time of emergency; and

WHEREAS, The Town of Thompson Water and Sewer Employees; Highway Department Employees and Parks and Recreation Employees are all involved in Disaster Prevention, Disaster Response and Recovery Operations and have demonstrated their skills and commitment multiple times throughout the years; and

NOW, THEREFORE, BE IT

RESOLVED, that the Town of Thompson Town Board designates and recognizes all employees of the Water and Sewer Department; Highway Department and Parks and Recreation Department as First Responders.

10) PURCHASE REQUEST: WATER & SEWER DEPARTMENT – NEW KUBOTA SVL95-2SHFC COMPACT TRACK LOADER OFF NJPA SOURCEWELL BID CONTRACT, QUOTE #1810568 FOR \$67,188.89

Supt. Messenger said that he would like to postpone the purchase at this time, because this particular model is being discontinued. There is another model available, which he is obtaining a price quote for. Once he receives and reviews the new price quote he will request that the purchase request be put back on the agenda for consideration. There was no action taken at this time.

10A) HIGHWAY DEPARTMENT: VEHICLE & EQUIPMENT REPLACEMENT PRODUCTS: REVIEW AND APPROVE BIDS (1 YEAR CONTRACT W/OPTION OF 1 YEAR EXTENSION)

Superintendent Benjamin reported that there were (9) vendors who submitted Vehicle and Equipment Replacement Parts Bids. The list of vendors is as follows: Campbell Freightliner of Orange County, LLC, Cook Brothers Truck Parts, Fleet Pride, Healey Ford Lincoln, HO Penn, Interstate Battery, Stadium International, Tracey Road Equipment and Mid-Hudson Mack. He is recommending that the bid be awarded to all of the vendors and the purchasing of parts/items will be based upon availability and discounted pricing as indicated in the individual bids of each vendor. He is recommending that the Board approve the bid to all vendors as per the provided schedule list in the bid file.

Councilman Pavese asked why Napa North East Parts Group was not listed. Town Clerk Calhoun advised that they came in to hand deliver their bid the following day after the bids had already been opened and distributed. Town Clerk Calhoun was advised that their bid was returned by the Postal Service, which is the reason why it was not received in time. Councilman Pavese asked if purchases could still be made from the local vendor if price comparable even though they did not bid? Supervisor Rieber said that Supt. Benjamin has the option to piggyback off another NAPA Bid Contract. Councilman Pavese will discuss this option with Supt. Benjamin to see if this would be possible especially since this is a general parts bid.

The Following Resolution Was Duly Adopted: Res. No. 92 of the Year 2021.

Resolved, that the bids for Vehicle & Equipment Replacement Parts hereby be accepted to the following list of vendors at various discounted prices for each item as per the attached bid price sheets²:

- 1) Campbell Freightliner of Orange County, LLC

SUPERVISOR'S REPORT:

Supervisor William J. Rieber, Jr.

- Harris Sewer District Force Main & Pump Station Replacement Project – USDA Rural Development Funding Application was completed and has been filed.
- Email from Ira Besdansky, CEO of the YMCA of Middletown Re: Summer Youth Day Camp Program for 2021. Discussion was held whether the Town should have the Day Camp Program this year or not. The Town Board was in agreement not to have the Day Camp Program this year, but maybe to offer other events for youths in the Town.

³ ATTACHMENT: ORDER BILLS PAID

- Sullivan County District 7 Legislator Joseph Perrello contacted him regarding short-term rental regulations in the Town. Discussion was held regarding the subject.
- Letter of Appreciation from taxpayer regarding Town Hall employees.

COUNCILMEN & DEPARTMENT HEAD REPORTS:
Parks & Recreation Superintendent Glenn Somers

- Thursday Night Lights Program Update
- Completion of Tax Collector's Office
- Town Hall construction on front office and building department commenced today

Water & Sewer Superintendent Michael G. Messenger

- Everything is working smoothly his Department has (1) Employee currently out on Contact Tracing Quarantine.

Deputy Administrator Patrice Chester

- Sullivan Renaissance Beautification Program – Grant Application to be submitted by 03/01/2021 for a proposed Exit 106 Project involving the property located near round-a-bout area, which will also include a Rock Hill portion as well. Discussion was held regarding the subject including other state land areas in need of cleanup throughout the Town.

Councilman Scott S. Mace

- Congratulated Planning Board Member Matthew Sush and his wife Jenny Sush on the recent birth of their new baby boy.

Councilwoman Melinda S. Meddaugh

- Provided an update regarding the new Planning Board Procedures that are being made to help improve the planning process. Some of the individual changes were explained.

Councilman John A. Pavese

- Provided an update regarding the DeHoyos Park Pavilion Project. Discussion was held regarding the project status.

PUBLIC COMMENT:

There was no public comment given.

Re: Town of Thompson, Sullivan County, New York
Fee Schedule for Bond Counsel Services
Client-Matter No. 1000086329

Dear Melissa:

Attached please find confirmation of the fee schedule for bond counsel services in effect since January 1, 2017 and continuing through December 31, 2021.

We highly value our relationship with the Town and we consider it a privilege to serve as your bond counsel.

Please do not hesitate to contact me if you have any questions or comments.

Very truly yours,

Uyen Y. Poh

GENERAL OBLIGATION FEE SCHEDULE

Date: January 1, 2017

SINGLE YEAR BOND ANTICIPATION NOTES

<u>Principal Amount</u>		<u>Fee</u>		
Up	to	\$ 99,999	\$ 600	
\$ 100,000	to	\$ 299,999	\$ 900	
\$ 300,000	to	\$ 499,999	\$ 1,200	
\$ 500,000	to	\$ 699,999	\$ 1,300	
\$ 700,000	to	\$ 999,999	\$ 1,400	
\$ 1,000,000	to	\$ 1,999,999	\$ 2,400	plus 60 cents per \$1,000 on amounts over \$1,000,000
\$ 2,000,000	to	\$ 3,999,999	\$ 3,000	plus 55 cents per \$1,000 on amounts over \$2,000,000
\$ 4,000,000	to	\$19,999,999	\$ 4,100	plus 50 cents per \$1,000 on amounts over \$4,000,000
\$20,000,000	and up		\$12,100	plus 45 cents per \$1,000 on amounts over \$20,000,000

Plus General charges, as described below.

E.F.C. Grid Note base fee of \$4,500 for review/preparation of E.F.C. documents, conference calls, plus above

BOND ISSUES (PUBLIC SALE)

Base fee \$7,000 for new money or refunding of notes
\$18,000 for refunding of bonds under Sections 90.00 or 90.10

Plus \$1 per \$1,000 principal amount for the first \$20,000,000, plus \$.70 per \$1,000 principal amount for the next \$20,000,000, plus \$.40 per \$1,000 principal amount of the remainder, subject to a maximum of \$90,000

Plus General Charges, as described below

BOND ISSUES (NEGOTIATED OR PRIVATE SALE)

The same fee schedule and billing procedures set forth for Bond Issue (Public Sale) shall apply for bond issues sold at negotiated or private sale, except as follows:

Base fee \$2,500 for statutory installment bond issues
\$7,000 for bond issues sold to E.F.C. or other State or federal agencies

TAX AND REVENUE ANTICIPATION NOTES

Base fee \$3,500 plus 95 cents per \$1,000 for the first \$10,000,000, 55 cents per \$1,000 for the next \$30,000,000 and 45 cents per \$1,000 thereafter
Plus General Charges, as described below

GENERAL CHARGES

In addition to specified charges described above for particular types of issues, the following general charges shall, where applicable, be added to each of the foregoing fee schedules:

- hourly \$ rate for time expended in connection with credit enhancement or insurance
- hourly \$ rate for time expended in connection with tax analysis and advice, arbitrage calculations and certification (we estimate this would be less than \$4,000 for bond anticipation notes and less than to \$6,000 for bonds or tax and revenue anticipation notes), with minimum charges of \$400 for bond anticipation notes and \$3,000 for bonds or cash flow borrowings.
- hourly \$ rate for time expended in connection with lengthy and extraordinary conferences, researching of special questions, etc.
- hourly \$ rate for time expended in connection with attendance at conferences and meetings where requested
- hourly \$ rate for time expended in connection with proceedings for the establishment of an improvement district or extension or benefited area and for an increase and improvement of the facilities of an improvement district or extension

For these hourly charges, the discounted rates of \$525 per hour for partners and counsel and \$400 per hour for associates shall apply. Paralegal time, to the extent required, shall be billed at \$225 per hour.

Hourly charges for other work not described above at firm standard billing rates less a 20% discount, as in effect from time to time.

BOND RESOLUTION PREPARATION OR REVIEW

Fee \$750 to be billed at the time of issuance of the first bond anticipation note or bonds in the event notes are not issued, or, if not used, at any time after two years after preparation

Additional Charge \$100 for each bond resolution adopted subject to permissive referendum or mandatory referendum

Additional Charge \$500 for each bond resolution not prepared or reviewed by us prior to adoption but necessary to support an issue on which we are opining, to be billed at the time of the first use of such bond authorization by us.
