PUBLIC HEARING: UNSAFE BUILDINGS (JACK KOEGEL) – 125 ANAWANA LAKE ROAD, MONTICELLO, NY, SBL # 13.-1-13

Supervisor Rieber opened the Public Hearing at 7:02 PM.

Town Clerk, Marilee J. Calhoun read the legal public notice and stated that she had an original affidavit of publication. Notice of said hearing was duly published in the <u>Sullivan</u> <u>County Democrat</u> on <u>January 22, 2021</u> with same being posted at the Town Hall and Town Website on <u>January 20, 2021</u>.

The purpose of said public hearing was regarding the repair or the demolition and or removal of unsafe building(s) located at 125 Anawana Lake Road, Monticello, NY 12701, SBL # 13.-1-13.

Supervisor Rieber asked if the Board had any comments. The Board had no comments.

Supervisor Rieber asked if anyone from the public would like to be heard on this matter. Public comments were made as follows:

Town Board Meeting February 02, 2021 Page 1 of 13 Mr. Daniel Silverman, Esq. of Silverman and Sandar LLP was present on behalf of his client the current owner of the property. Mr. Koegel no longer owns the property the new owner purchased the property in September. Notice was first served in early January. Attorney Silverman said that in his opinion the public hearing was being held prematurely just shy of the 30-day notification window. This property has had ongoing issues since 2015. He has had discussions with the Building Department regarding this matter. The current owner plans to redevelop the parcel and they are trying to rectify and address the unsafe matters. He also commented on the Sullivan County RUSt Program, which his client is interested in participating in the program if possible. In order for this program to happen the Town would have to engage in the bidding process to move forward. His client's redevelopment plans for the property have not been determined. He would like to work together with the Town to resolve and address the unsafe issues. They are not looking to drag this process out, but his client would like him to further discuss the matter with the Building Department.

Supervisor Rieber suggested keeping the Public Hearing open for additional 2-weeks to allow time for further discussion.

Attorney Silverman said he would be okay with 2-weeks to start a dialog with the Building Department.

Director Carnell reported on the status and history of the property in question. The unsafe structures have all been posted and notices were sent. He believes that Mr. Koegel the past owner is a family member with the current owner. There are a number of buildings on the property and most of them are dilapidated and is questionable as to whether some of them could be rehabilitated. He also explained what the RUSt Program entails, which is only to the Town in relief of tipping and trucking fees. The Town would have to confirm with the County if they could still support the RUSt Program. He would also be okay with 2-weeks to continue dialog with Attorney Silverman and the applicant to further discuss the issues.

Attorney Silverman responded to some of Director Carnell's comments. He confirmed that his clients never visited the property after September 2020. He also confirmed that his client is a distant cousin/relation to the prior owner Mr. Koegel. His understanding is that the discussions that took place with the Building Department were mostly with the former owners. His client's discussions with the Building Department started being held in January. The current owners were unaware of these proceedings and actions until January. He discussed the bid process and possible estimated costs to proceed.

Director Carnell is not sure if there is a specific completion date in regards to the RUSt Program, but believes that it would carry over into this year. Attorney Silverman agreed with that assessment.

There was continued discussion between the Town Board, Attorney Silverman, Town Attorney and Director Carnell regarding the matter.

Town Board Meeting February 02, 2021 Page 2 of 13 After an opportunity for all persons to be heard Supervisor Rieber entertained a motion that the public hearing be kept open until March 02, 2021 at 7PM.

A motion to keep the Public Hearing open was made by Councilman Mace and seconded by Councilwoman Meddaugh. The Public Hearing was recessed at 7:41 PM until March 02, 2021 at 7PM.

3) PETITION FOR ANNEXATION SUBMITTED BY JAY L. ZEIGER, ESQ. ON BEHALF OF ABRAHAM JEREMIAS (PINE TREE RESORT ESTATES, LLC) – NYS ROUTE 42 SOUTH, MONTICELLO, SBL #'S 29.-1-44.2 & 2.2, CONSISTING OF 33.623 ACRES

Mr. Jay L. Zeiger, Esq. of Kalter Kaplan, Zeiger & Forman Attorneys on behalf of client Mr. Abraham Jeremias was present to explain the Petition for Annexation that he submitted on January 14th, 2021. Mr. Joel Kohn of JK Expediting Services was also present on behalf of the applicant. The Petition is to annex lot 2 from the Town to the Village of Monticello. The property is vacant land consisting of approximately 33.623 acres. The front lot 1 is the Bungalow Colony. The lot 2 parcel is the property to be annexed. Supervisor Rieber expressed concerns regarding property access as a result of wetlands and aquifer boundaries serving the Village Water and Cold Spring Road Water Districts. He said that the provided map does not identify the wetland and aquifer boundaries.

Director Carnell clarified the concerns regarding the lot line changes involving the error of (4) tax parcels, which should have only been (2) tax parcels. The Town is currently working with the Sullivan County Real Property Tax Office to correct the lot line errors that occurred.

Attorney Zeiger and Mr. Kohn advised the Board that lot 2 if developed would have easement access through the Pine Tree Estates lot on the other side. Attorney Zeiger was looking to obtain feedback from both the Town and the Village on the matter to see if there are any concerns prior to proceeding.

Mr. Kohn advised that the purpose of said Annexation was to obtain sewer service from the Village of Monticello. The Village did not seem to have any issues in connection with the Annexation.

Councilwoman Meddaugh expressed concerns regarding the two separate surrounding zoning districts.

Several Town Board members expressed concerns regarding this annexation request. Further discussion was held regarding the concerns. Attorney Mednick advised the Board that they do not have a requirement to make a decision to move forward with the annexation. The Town Board has several concerns regarding access, disturbance of wetlands and aquifer boundaries, traffic, parking and overall impact on the Town should this property be annexed. The Town Board said that these concerns need to be addressed before any further discussion or action can be taken. There was no action taken at this time. Attorney Zeiger and Mr. Kohn will address the concerns, which will be provided to the Town once completed and ask to be put back on the agenda.
