AGENDA ITEMS:

1) RESOLUTION TO APPROVE COMOLO LLC ANNEXATION PETITION REQUEST, PROPERTY LOCATED ALONG ROCK RIDGE AVENUE, MONTICELLO, SBL #'S 13.-4-2, 13.-4-3.1, 13.-4-3.2, 13.-4-3.3, 13.-4-9, 13.-4-10 & 13.-4-11 The Following Resolution Was Duly Adopted: Res. No. 291 of the Year 2022.

ANNEXATION RESOLUTION

This **Annexation Resolution**, adopted by the Town of Thompson is as set forth below.

WHEREAS, Comolo LLC, the owner of the property which is hereinafter described, submitted a petition to the Town Board of the Town of Thompson and the Village Board of the Village of Monticello pursuant to Article 17 of the General Municipal Law of the State of New York, requesting that the territory which is now located in the Town of Thompson, Sullivan County, New York be annexed to the Village of Monticello; and

WHEREAS, the territory which is the subject of the petition of the Petitioner is known as Town of Thompson Section 13, Block 4, Lots 2, 3.1, 3.2, 3.3, 9, 10 and 11 (the "Territory"); and

WHEREAS, the Petitioner is the sole owner of the Territory proposed to be annexed from the Town of Thompson to the Village of Monticello; and

WHEREAS, the Territory to be annexed consists of vacant land, there being no residences or structures of any kind thereon; and

WHEREAS, the Village of Monticello and the Town of Thompson have determined that the Petitioner is the sole owner of the Territory proposed to be annexed and that the Petition has been duly signed by the Petitioner; and

WHEREAS, a joint public hearing was held by the Town Board of the Town of Thompson and the Village Board of the Village of Monticello on July 19, 2022, at which time the annexation petition was discussed and members of the public were allowed to comment and ask questions; and

WHEREAS, the joint meeting was closed on July 19, 2022; and

WHEREAS, the Town Board of the Town of Thompson has determined that the annexation by the Village of Monticello of the Territory proposed to be annexed is in the overall best interest of the Village of Monticello, the Town of Thompson, and the applicable school district, fire district and all other districts for which the Territory is situate; and

WHEREAS, among the other reasons forming the basis of the determination that the annexation is in the best interest of all applicable municipalities is that the properties are currently land locked and cannot be built upon unless they are annexed to other properties also located in the Village of Monticello and also owned by the Petitioner;

NOW, THEREFORE, be it enacted by the Town Board of the Town of Thompson that the proposed annexation of the Territory to the Village of Monticello is hereby approved.

Dated: Monticello, New York August 16, 2022

2) AVANI & DHARMESH PATEL – REQUEST CONNECTION TO ROCK HILL EMERALD GREEN CONSOLIDATED SEWER DISTRICT FOR PROPERTY LOCATED ON OLD SACKETT ROAD, ROCK HILL, SBL #52.-1-17.18 The Following Resolution Was Duly Adopted: Res. No. 292 of the Year 2022.

At a regular meeting of the Town Board of the Town of Thompson held at the Town Hall, 4052 Route 42, Monticello, New York on August 16, 2022

RESOLUTION PURSUANT TO TOWN LAW FOR THE PROPOSED EXTENSION NO. 02 OF THE CONSOLIDATED ROCK HILL-EMERALD GREEN SEWER DISTRICT IN THE TOWN OF THOMPSON

WHEREAS, Avani & Dharmesh Patel have made a request to the Town Board of the Town of Thompson to extend the Consolidated Rock Hill-Emerald Green Sewer District, a Special Improvement District heretofore created in said Town, to include a certain parcel of property, namely SBL 52-1-17.18; and

WHEREAS, the said area to be included in the Consolidated Rock Hill-Emerald Green Sewer District is totally located within the Town of Thompson and outside any incorporated village; and

WHEREAS, the said Town Board is desirous of preparing a general map and plan for providing sewer facilities in the aforesaid area of said Town and to appropriate a specific amount to pay the cost of preparing said general map and plan, and for other services in connection therewith; the costs of which shall be borne by said applicants, Avani & Dharmesh Patel.

NOW, THEREFORE, BE IT RESOLVED, by the Town Board of the Town of Thompson as follows:

- 1. That the Town Board does hereby authorize MHE Engineering, D.P.C. of 33 Airport Center Drive, Suite 202, New Windsor, New York 12553 to prepare a general map and plan for the extension of the sewer facilities and services in the area of the Town of Thompson now serviced by the Consolidated Rock Hill-Emerald Green Sewer District, and for such other services as may be necessary in connection therewith.
- 2. That the Town Board does hereby appropriate the sum of \$5,000.00 to pay the cost of preparing the general map and plan for the extension of the sewer facilities, as well as all legal expenses incurred by the district to complete any district extension, and all costs and disbursements incurred by the district in processing the extension. That all engineering, legal costs and other disbursements for preparation of a general map, plan and report shall be paid by the applicants. Said monies shall be deposited by the applicants in the Town escrow account prior to preparation

of said map, plan and report and will be released to MHE Engineering, D.P.C. upon completion, and other monies held in escrow will be disbursed upon completion of the extension.

- 3. That MHE Engineering, D.P.C., of 33 Airport Center Drive, Suite 202, New Windsor, New York 12553, be, and they hereby are, retained at a cost not to exceed \$1,500.00, of which said monies are to be paid by the applicants, to prepare a general map and plan for the extension of the sewer facilities and services to the area known as the Consolidated Rock Hill-Emerald Green Sewer District.
- 4. Legal fees incurred by the Town in connection with the extension of the Consolidated Rock Hill-Emerald Green Sewer District are to be paid by the applicants.
- 5. That all maps and plans prepared by MHE Engineering, D.P.C. shall conform with the requirements of Section 192 of the Town Law, and shall be filed with the Town Clerk.
- 6. That the map, plan and report shall be prepared once monies are placed in escrow by the applicants.
- 7. That in the event that the said Consolidated Rock Hill-Emerald Green Sewer District shall be extended as herein proposed, and shall thereafter be approved pursuant to the provisions of the Town Law, the expense incurred by the Town for the preparation of the maps and plans and other services therefor shall be deemed to be part of the cost of such improvement, and the Town shall be reimbursed the amount paid therefor, or such portion of that amount which the Town Board at the public hearing held pursuant to the Town Law shall allocate against such District.
- 8. That this Resolution is subject to a permissive referendum pursuant to and in accordance with the provisions of Sections 209-b and 90 of the Town Law.
- 9. That within ten (10) days from the date of this Resolution, the Town Clerk shall post and publish a Notice which shall set forth the date of the adoption of the Resolution, shall contain an abstract of such Resolution concisely setting forth the purpose and effect thereof, shall specify that this Resolution was adopted subject to a permissive referendum, and shall publish such Notice in the Sullivan County Democrat, the official newspaper of the Town, and in addition, that the Town Clerk shall post or cause to be posted on the signboard of the Town of Thompson a copy of such Notice within ten (10) days after the date of the adoption of this Resolution.

3) EMERALD GREEN WWTP UPGRADE & EXPANSION PROJECT - RESOLUTION AUTHORIZING SUBMISSION OF NYS EFC WATER INFRASTRUCUTURE IMPROVEMENT ACT (WIIA) GRANT APPLICATION & AUTHORIZE TOWN SUPERVISOR TO EXECUTE ALL NECESSARY DOCUMENTS IN CONNECTION WITH SAID APPLICATION/FUNDING

The Following Resolution Was Duly Adopted: Res. No. 293 of the Year 2022.

Town of Thompson Town Board Meeting Emerald Green WWTP Upgrade & Expansion Project CWSRF Project No. C3-5378-07-00

> Resolution # <u>293</u> August 16, 2022

Town Board Resolution Authorizing Submission of the New York State Environmental Facilities Corporation's Water Infrastructure Improvement Act Grant Application

WHEREAS, Town of Thompson, Sullivan County, New York (hereinafter the "TOWN") has established the public benefit to residents in the Rock Hill Emerald Green Consolidated Sewer District for the Wastewater Treatment Plant (WWTP) Upgrade and Expansion Project (hereinafter the "PROJECT"); and

WHEREAS, the TOWN, on behalf of the Rock Hill Emerald Green Consolidated Sewer District, will undertake the PROJECT that will upgrade the existing buildings and systems and add additional treatment capacity as necessary to support a SPDES permit flow increase from 0.401 MGD to 0.475 MGD; and

WHEREAS, the PROJECT has been determined to be necessary and prudent to ensure continued regulatory compliance, to improve system reliability, to protect public health, and to allow for future growth; and

WHEREAS, the total PROJECT cost is estimated at \$13.9 million and, to date, the TOWN has secured \$416,800 in other grant funds which would reduce the PROJECT cost; and

WHEREAS, the TOWN has received notification from the New York State Environmental Facilities Corporation (NYSEFC) that the PROJECT will be eligible for interest-free financing through the Clean Water State Revolving Fund (CWSRF) Hardship program for which the

TOWN is eligible to finance all or a portion of the PROJECT at 0% interest for a term of up to 30-years; and

WHEREAS, the TOWN has submitted a financing application to the NYSEFC to secure both short and long-term loans through the CWSRF program; and

WHEREAS, additional grant funding for the PROJECT may be available through the New York State Water Infrastructure Improvement Act (WIIA) grant program that could provide additional grant funding of up to 25% of the non-grant funded portion of the PROJECT; and

WHEREAS, the TOWN, on behalf of the Rock Hill Emerald Green Consolidated Sewer District, will be submitting an application to the NYSEFC Water Infrastructure Improvement Act (WIIA) grant program to secure additional grant funding to reduce the PROJECT'S financial impact to rate payers.

NOW, THEREFORE, BE IT RESOLVED THAT

- 1. The Supervisor of the Town of Thompson is authorized to sign the WIIA grant application, as well as any NYSEFC funding agreements and associated documents for the PROJECT; and
- 2. Delaware Engineering D.P.C., on behalf of the TOWN, is authorized to submit the WIIA grant application for the PROJECT; and
- 3. The TOWN agrees to contribute local matching funds for the balance of the PROJECT cost not provided by the grants, through bonding or other means, with potential short-term and/or long-term loan financing for the balance through the CWSRF program.

Michael Messenger Town of Thompson Water & Sewer 4052 Route 42 Monticello, NY 12701

Re:

Cold Spring Road - Thompson

Town of Thompson

Dear Mr. Messenger:

The results of the bacteriological analysis of the water sample(s) collected at your establishment (93 Fairgrounds Road, outdoor spigot) on August 16, 2022, indicate that the water supply was of an unsatisfactory bacteriological quality at the time of sampling.

Repeat sample collection for microbiological analysis is required at the following locations, on the same day and within 24 hours or one business day of being notified of total coliform positive results.

- 1. The original positive site
- 2. One site within 5 service connections upstream from the original positive site
- 3. One site within 5 service connections downstream from the original positive site
- 4. Unless directed otherwise by this office, one **raw water sample** from each active ground water source connected to the distribution system where the original positive total coliform sample was collected

Laboratory results from repeat samples must be submitted to this office within five days of their receipt, and notification of positive results shall be made to this office immediately.

Systems using chlorine disinfection must include the chlorine residual at the time of sampling on the chain of custody form submitted to the lab. You can write the chlorine residual next to the exact location of the sample.

If you have any questions concerning the above sampling requirements, please contact me at 845-794-2045.

Sincerely.

Andrew Kalter District Director EDWARD MCANDREW, P.E. COMMISSIONER

MONTICELLO, NY 12701

August 18, 2022

Honorable George Nikolados, Mayor Village of Monticello 2 Pleasant St. Monticello, NY 12701

Subject: Waverly Avenue Road Closure

Dear Mayor Nikolados:

The Sullivan County Division of Public Works will close a section of Waverly Avenue starting on September 6th, 2022 and the road will remain closed until about October 7th, 2022. The period of time may be extended as needed due to the weather or other unforeseen circumstances which may affect the replacement of County Bridge 449.

The Detour Route shall utilize Waverly Avenue, East Broadway, Broadway (State Route 42), Saint John St. and County Road 102. The Sullivan County Division of Public Works will post necessary signage.

A copy of the Certificate for closing highway is attached along with a detour map, the original of the certificate has been sent to the Village Clerk.

If you have any questions or require any further information, please call me at (845) 807-0281

Sincerely,

Roman Di Cio, P.E. Bridge Engineer

Petition Requesting Zoning Map Amendment

Our File No. 6994.172

Dear Bill:

Attached please find Petition of Monticello Motorsports LLC requesting a zoning map amendment related to 10.20 acres west of Rupp Road.

Please include this request on the agenda of the September 6, 2022 Town Board meeting. Hayden Carnell of Keystone Associates will be attending the meeting on behalf of the property owner.

Very truly yours, GARIGLIANO LAW OFFICES, LLP

TO THE TOWN BOARD OF THE TOWN OF THOMPSON:

This Petition of Monticello Motorsports LLC ("Petitioner") with a mailing address of 548 Broadway, Monticello, New York 12701 respectfully states:

- 1. The Petitioner is the owner of certain property located southwest of the intersection of Cantrell Road and Rupp Road in the Town of Thompson as shown as Lots 3, 4 and 5 on the map attached hereto ("Subject Premises").
- 2. The Subject Premises are comprised of 10.20 acres and are a part of Section 49, Block 1, Lot 23.
- 3. The name of the school district in which the Subject Premises is located is Monticello Central School District.
- 4. The Petitioner requests that the Zoning Law of the Town of Thompson be amended, and the Zoning Map of the Town of Thompson be amended so the zone of the Subject Premises is changed from the HC-2 District to the RR-2 District.
- 5. The Petitioner hereby declares, for the purpose of reliance thereon by the Town of Thompson, that the Petitioner's proposed use of the Subject Premises, if this change of zone is granted, is to construct workforce housing for employees of Monticello Motor Club LLC.
- 6. The proposed change of zone will not be materially detrimental to the public welfare nor to other property in the neighborhood. Lot 3 is improved by a dormitory-style structure which was approved as a use ancillary to the use of the parent parcel from which Lot 3 is proposed to be subdivided.

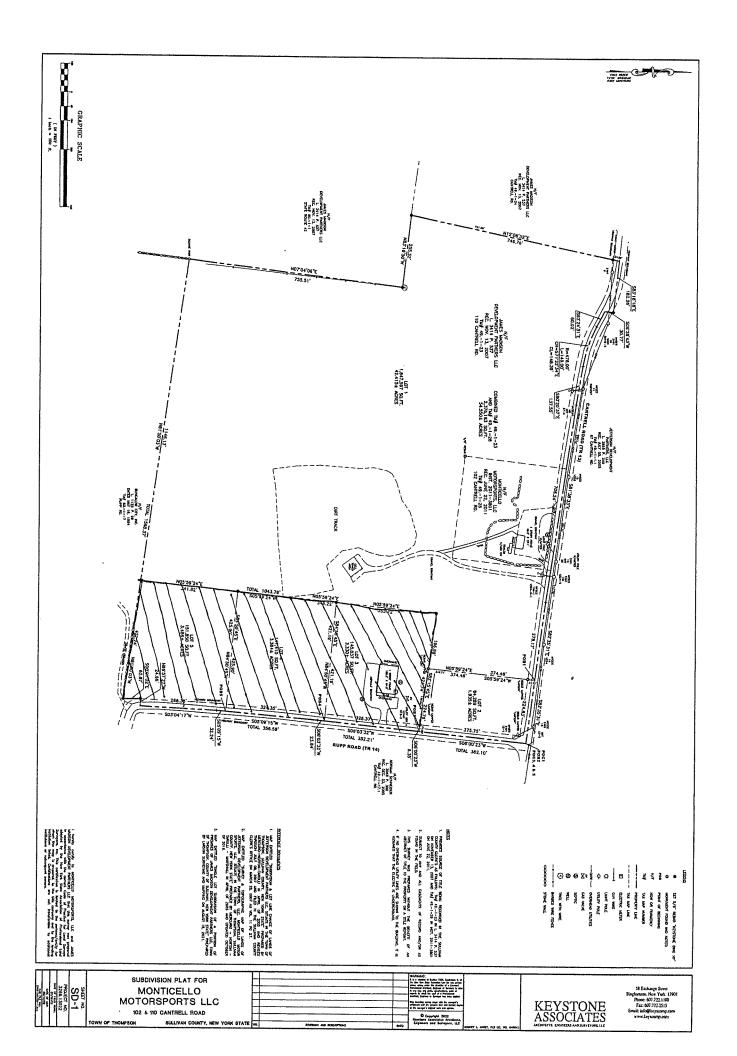

7. There are no nonconforming uses or structures on the Subject Premises. Lot 3 is improved by a dormitory-style building; Lots 4 and 5 are vacant.

Attachment 6	2020 Schedule of Points

A. **INTRODUCTION**

The owners of certain parcels located along Rock Hill Drive petitioned the Town of Thompson Town Board, in correspondence dated 28 May, 2021 from George Duke, Esq. for the consideration of an extension to the Consolidated Rock Hill/Emerald Green Sewer District. The Town Board, therefore, authorized MHE Engineering D.P.C. at the August 17, 2021 Town Board meeting to prepare the following Map, Plan and Report for the District Extension. The correspondence and authorization are provided as Attachment 1 to this report.

B. **BENEFIT AREA**

The Sewer District Extension Benefit Area includes the following parcels:

- Tax Lot 32-1-6, which is located on the north side of Rock Hill Drive and is approximately 44.77 acres in size. The current property use classification is 322 – Rural vacant > 10 acres.
- Tax Lot 32-1-7, which is located on the north side of Rock Hill Drive and is approximately 52.07 acres in size. The current property use classification is 312 vacant with improvements.
- Tax Lot 32-1-9.2, which is located on the north side of Rock Hill Drive and is approximately 38.42 acres in size. The current property use classification is 240 – Rural residential.
- Tax Lot 32-1-10, which is located on the north side of Rock Hill Drive and is approximately 40.42 acres in size. The current property use classification is 322 Rural vacant > 10 acres.

The District extension is more formerly shown on Attachment No. 2 and described in Attachment No. 3. The applicant currently has an application pending before the Town Planning Board, which includes consolidation of the above parcels.

C. **PROJECT DESCRIPTION**

The project developer is proposing the construction of two (2) warehouses on the site, which will total 561,000 square feet of building space. The applicant has calculated that sewage flows from the warehouses, based upon the estimated number of employees, will be approximately 4,000 gallons per day (gpd).

This report will identify improvements necessary for the connection of the listed properties to the Consolidated Rock Hill/Emerald Green Sewer District and costs associated to provide service to the properties.

D. **EXISTING AND PROPOSED IMPROVEMENTS**

1. Emerald Green WWTP Capacity:

The Emerald Green Wastewater Treatment Plant has a permitted capacity of 410,000 gallons per day. The plant operates under SPDES Permit NY-0035645. The existing average daily flow to the Wastewater Treatment Plant was approximately 233,400 gpd from August 2020 to July 2022. The maximum monthly average flow observed in this time period was 382,100 gpd.

Proposed District Extension Number 1 has an estimated sewage flow of 4,000 gpd. It therefore appears that the current wastewater treatment plant has sufficient capacity to accept the Extension flows without additional improvements.

2. Collection System:

The existing sewer district collection system extends west on Rock Hill Drive approximately 1,000 feet from the intersection with Glen Wild Road. The main is 8" diameter gravity sewer, which conveys flows to the east along Rock Hill Drive to a sewage pump station located approximately 250 east of the intersection with Katrina Falls Road. The pump station discharges to a force main, which conveys flows under NYS Route 17 to a manhole at the WWTP entrance. The existing collection system has sufficient capacity to accept the project flow of 4,000 gpd from the project.

The project site is located approximately 2,800 feet west of the last sewer manhole on Rock Hill Drive. A sewage pump station and 4" diameter force main will be required to connect the proposed development to the existing collection system.

A plan identifying the pump station and force main improvements is provided in Attachment 4.

E. PROJECT COSTS

The project developers will be responsible for all design, permitting and construction costs associated with the installation of infrastructure improvements for the collection and conveyance of wastewater from the project site to the existing collection system. It is anticipated that these improvements will cost approximately \$1,381,000.00. A cost estimate for the required improvement is provided in Attachment 5. There will be no cost to the current District for the construction of these improvements.

The proposed District Extension Number 1 will require 4,000 gpd of the available capacity at the existing WWTP. New system users are required to pay for the portion of reserve capacity that they are acquiring. The current rate for reserve capacity is \$25 per gallon per day. The total capacity cost for District Extension No.1 at 4,000 gpd is, therefore, \$100,000.00.

F. ANNUAL COSTS

The Consolidated Rock Hill/Emerald Green Sewer District assesses Annual Debt Costs and Operation and Maintenance (O&M) Costs on a point system, which is based upon Property Use Classification. The current Schedule of Points for the District is provided in Attachment 6.

The parcels included in the District Extension are currently classified as property use 322, 312 and 340. If developed with a 561,000 square feet of warehouse, as proposed, it would be classified as use 440, 441, 442, 446 or 449 which includes warehouses. These uses are assigned a base of 20 points (Rent Points and Debt Points) plus 4 points/1,000 square feet. The current proposed use would then be assigned 2,264 Rent Points and 2,264 Debt Points.

The Town of Thompson Town Board has adopted the following rates for the 2022 Rock Hill/Emerald Green Sewer District assessment:

Capital Debt Service = \$15.27/Point Annual O&M (Rent) Cost = \$44.61/Point

The Annual Sewer Fee for a parcel in the District Extension will be calculated by multiplying the sewer points for the property classification by the rates noted above.

The project, if developed as proposed, would be assessed the following annual cost:

O&M (Rent) 2,264 Points (\$44.61/Point) = \$100,997.04 Capital Debt 2,264 Points (\$15.27/Point) = \$34,571.28 Total Annual Cost = \$135,568.32

*All costs shown above are subject to change. Costs for the sewer pump station and force main may change based on actual Construction Costs and all increases will be the responsibility of The Rock Hill/Emerald Green Sewer District Extension No. 1 users. Any increase in costs over estimates contained herein shall be reconciled and paid in full by all properties in Extension No. 1 prior to being allowed to discharge into the system.

G. CONCLUSIONS

The costs associated with Extension No. 1 of the existing Rock Hill/Emerald Green Sewer District to service the benefit area are described above. The extension will not result in increased costs for existing District users.

Respectfully submitted,

MHE Engineering, D.P.C.

Matthew J. Sickler, P.E.

RE: Avon Commercial Park at Rock Hill Town Center - Sewer District Extension

Dear Supervisor Rieber, Chairman Sush and Superintendent Messenger:

This office represents Glen Wild Land Company (the "Applicant"). As you may be aware, under a cover letter dated April 26, 2021, the Applicant's engineer, Glenn L. Smith, P.E., submitted a Subdivision/Site Plan Application ("Application") to the Town of Thompson Planning Board (the "Planning Board") for an approximately 2,000,000 square feet warehouse/distribution project to be known as the Avon Commercial Park (the "Avon Commercial Park"), which is part of the previously reviewed Rock Hill Town Center Project. The Application is currently being reviewed as part of a coordinated review by the Town of Thompson Planning Board.

To facilitate the project, the Applicant respectfully submits the attached Petition to extend the existing Rock Hill Sewer District to include the Avon Commercial Park. This extension is proposed solely for the approximately 156 acres now allocated to the Avon Commercial Park, as shown on the

SYRACUSE MONTICELLO NEW YORK CITY

attached exhibits.

In support of its request to extend the Rock Hill Sewer District, we enclose the following,

- 1. Petition for the Extension of the Thompson/Rock Hill Sewer District, dated May 27, 2021,
- 2. Exhibit A Description of land to Serve the Avon Commercial Park,
- 3. Exhibit A1 Plan showing the proposed Sewer District Extension Bounds, and
- 4. Exhibit A2 Tax Map showing the proposed Sewer District Extension Bounds.

We look forward to continuing to work with the Town to bring the Avon Commercial Park to fruition.

Very truly yours,

BROWN DUKE & FOGEL, P.C.

George Duke, Esq.

Ecc: Michael Mednick, Esq. Larry Wolinsky, Esq.

AT A REGULAR MEETING OF THE TOWN BOARD OF THE TOWN OF THOMPSON HELD AT THE TOWN HALL, 4052 ROUTE 42, MONTICELLO, NEW YORK ON AUGUST 17, 2021

RESOLUTION PURSUANT TO TOWN LAW FOR THE PROPOSED EXTENSION NO. 1 OF CONSOLIDATED ROCK HILL/EMERALD GREEN SEWER DISTRICT.

WHEREAS, Avon Commercial Park at Rock Hill Towne Center made a request to the Town Board of the Town of Thompson to extend the Consolidated Rock Hill/Emerald Green Sewer District, a Special Improvement District heretofore created in said Town, to include certain parcels of property, namely SBL's 32-1-6, 32-1-7, 32-1-9.2 and 32-1-10; and

WHEREAS, the said area to be included in the Consolidated Rock Hill/Emerald Green Sewer District is totally located within the Town of Thompson and outside any incorporated Village; and

WHEREAS, the said Town Board is desirous of preparing a general map and plan for providing sewer facilities in the aforesaid area of said Town and to appropriate a specific amount to pay the cost of preparing said updated general map and plan, and for other services in connection therewith; the costs of which shall be borne by said Avon Commercial Park at Rock Hill Towne Center.

NOW, THEREFORE, BE IT

RESOLVED, that the Town Board of the Town of Thompson does hereby authorize McGoey, Hauser & Edsall Consulting Engineers, P.C., of 33 Airport Drive, Suite 202, New Windsor, New York 12553 to prepare a general map and plan for the extension of the sewer facilities and services in the area of the Town of Thompson now serviced by the Consolidated Rock Hill/Emerald Green Sewer District, and for such other services as may be necessary in connection therewith, and it is further

RESOLVED, that the Town Board of the Town of Thompson does hereby appropriate the sum of \$5,000.00 to pay the cost of preparing the updated general map and plan for the extension of the sewer facilities, as well as all legal expenses incurred by the Town to complete any district extension and all costs and disbursements incurred by the district in processing the extension. That all engineering, legal costs and other disbursements for preparation of an updated general map, plan and report shall be paid by the Developer. Said monies shall be deposited by the Developer in the Town escrow account prior to preparation of said updated map, plan and report and will be released to McGoey, Hauser & Edsall Consulting Engineers, P.C. upon completion, and other monies held in escrow will be disbursed upon completion of the extension, and it is further

RESOLVED, that McGoey, Hauser & Edsall Consulting Engineers, P.C., of 33 Airport Drive, Suite 202, New Windsor, New York 12553, be, and they hereby are, retained at a cost not to exceed \$10,000.00, of which said monies are to be paid by the Developer, to prepare an updated general map and plan for the extension of the sewer facilities and services to the area known as the Consolidated Rock Hill/Emerald Green Sewer District, and it is further

RESOLVED, that legal fees incurred by the Town in connection with the extension of the Consolidated Rock Hill/Emerald Green Sewer District are to be paid by the Developer, and it is further

RESOLVED, that all updated maps and plans prepared by McGoey, Hauser & Edsall Consulting Engineers, P.C. shall conform with the requirements of §192 of the Town Law, and shall be filed with the Town Clerk, and it is further

RESOLVED, that the updated map, plan and report shall be prepared once monies are placed in escrow by the Developer, and it is further

RESOLVED, that in the event that the said Consolidated Rock Hill/Emerald Green Sewer District shall be extended as herein proposed, and shall thereafter be approved pursuant to the provisions of the Town Law, the expense incurred by the Town for the preparation of the updated maps and plans and other services therefore shall be deemed to be part of the cost of such improvement, and the Town shall be reimbursed the amount paid therefore, or such portion of that amount which the Town Board, at the Public Hearing held pursuant to the Town Law, shall allocate against such District, and it is further

RESOLVED, that this Resolution is subject to a Permissive Referendum pursuant to and in accordance with the provisions of §209-b and §90 of the Town Law, and it is further

RESOLVED, that within ten (10) days from the date of this Resolution, the Town Clerk shall post and public a Notice which shall set forth the date of the adoption of the Resolution, shall contain an abstract of such Resolution concisely setting forth the purpose and effect thereof, shall specify that this Resolution was adopted subject to a Permissive Referendum, and shall publish such Notice in the Sullivan County Democrat, the official newspaper of the Town, and in addition, that the Town Clerk shall post or cause to be posted on the signboard of the Town of Thompson, a copy of such Notice within ten (10) days after the date of the adoption of this Resolution.

Attachment 1 Correspondence

Attachment 2 District Extension Map

Attachment 3 Description of District Extension

Attachment 4 2020 Schedule of Points

A. **INTRODUCTION**

The owners of tax map parcel 52.-1-17.18, Avani and Dharmesh Patel, have petitioned the Town of Thompson Town Board, in correspondence dated August 2, 2022 from MNTM Engineering — Land Surveying, for the consideration of an extension to the Consolidated Rock Hill/Emerald Green Sewer District. The Town Board, therefore, authorized MHE Engineering D.P.C. at the August 16, 2022 Town Board meeting to prepare the following Map, Plan and Report for the District Extension. The correspondence and authorization are provided as Attachment 1 to this report.

B. **BENEFIT AREA**

The area to be benefited includes the following parcel:

 Tax Map Parcel 52.-1-17.18, which is located on the south-west side of Old Sackett Road and is approximately 4.98 acres in size. The parcel is currently vacant land. The property classification is 314 – Rural Vacant < 10 acres.

The District extension is more formerly shown on Attachment No. 2 and described in Attachment No. 3.

C. **PROJECT DESCRIPTION**

The owner of Tax Map Parcel 52.-1-17.18 is proposing to construct a residential dwelling on the property five bedrooms. The proposed improvements will result in a future anticipated sewage flow of approximately 550 gpd.

This report will identify any improvements necessary for the connection of the listed properties to the Consolidated Rock Hill/Emerald Green Sewer District and costs associated to provide service to the property.

D. **EXISTING AND PROPOSED IMPROVEMENTS**

1. Emerald Green WWTP Capacity:

The Emerald Green Wastewater Treatment Plant has a rated capacity of 410,000 gallons per day. The plant operates under SPDES permit NY-0035645. The existing average daily flow to the Sewage Treatment Plant was approximately 233,400 gallons per day from August 2020 to July 2022. The maximum monthly average flow observed in this time period was 382,100 gpd.

Proposed District Extension Number 1 has an estimate sewage flow of 4,000 gpd. Even with the addition of flows from Extension Number 1, the Emerald Green Wastewater Treatment plant has sufficient capacity to receive the project 550 gpd from proposed Extension Number 2 without improvements to the plant.

2. Collection System Mains:

The existing sewer district collection system extends south on Lake Shore Drive West to the intersection with Old Sackett Road. The main is 8" diameter gravity sewer and terminates at a manhole where Tax Map Parcel 5.-1-17.18 fronts on Old Sackett Road.

The 8" diameter gravity sewer main has sufficient capacity to receive an additional 550 gpd from the parcel without additional improvements to the collection system.

E. **PROJECT COSTS**

The property owners will be responsible for all design, permitting and construction costs associated with the installation of infrastructure improvements for the collection and conveyance of wastewater from the property to the connection point at the manhole at the intersection of Lake Shore Drive West and Old Sackett Road. There will be no cost to the current district for these improvements.

The proposed District Extension Number 2 will require 550 gpd of the available capacity at the existing WWTP. New system users are required to pay for the portion of reserve capacity that they are acquiring. The current rate for reserve capacity is \$25 per gallon per day. The total capacity cost for District Extension No.2, at 550 gpd is therefore \$13,750.00.

F. ANNUAL COSTS

The Consolidated Rock Hill/Emerald Green Sewer District assesses Annual Debt Costs and Operation and Maintenance (O&M) Costs on a point system, which is based upon Property Use Classification. The current Schedule of Points for the District is provided in Attachment 4.

The parcel included in the District Extension is currently classified as property use 314. If developed as a residential dwelling as proposed, it would be classified as use 210 – single family residential with 5 or more bedrooms.

The Town of Thompson Town Board has adopted the following rates for the 2022 Rock Hill/Emerald Green Sewer District assessment:

Capital Debt Service = \$15.27/Point Annual O&M Cost = \$44.61/Point

The Annual Sewer Fee for a parcel in the District Extension will be calculated by multiplying the sewer points for the property classification by the rates noted above.

For this parcel, a single-family residence with 5 bedrooms property classification of 210 would be assessed the following annual cost:

O&M (Rent) 20 Points (\$44.61/Point) = \$892.20 Capital Debt 20 Points (\$15.27/Point) = \$305.40 Total Annual Cost = \$1,197.60

G. **CONCLUSIONS**

The costs associated with Extension No. 2 of the existing Rock Hill/Emerald Green Sewer District to service the benefit area are described above. The extension will not result in increased costs for existing District users. Costs associated with the connection of the subject property to the existing collection system will be the responsibility of the property owner.

Respectfully submitted,

MHE Engineering, D.P.C.

Tax Map Parcel: 52.-1-17.18

Town of Thompson, Sullivan County Old Sackett Road

<u>Proposed Public Sewer Connection</u> <u>Applicants: Avani & Dharmesh Patel</u>

Dear Mr. Rieber:

The owners of the above-captioned tax parcel, Avani & Dharmesh Patel, hereby formerly request to connect to the existing Town of Thompson sewer main located on Old Sackett Road. The connection would serve a proposed single-family residence with an approximate design flow rate of 550 gallons per day (gpd).

Please advise what other information is required to process this request.

If you have any questions or concerns, please feel free to contact me at (845) 744-3620 or by email at zpeters@mntm.co.

Sincerely,

Zachary A. Peters, P.E.

A. <u>INTRODUCTION</u>

The owners of certain parcels located along Fraser Road and Gibber Road petitioned the Town of Thompson Town Board in correspondence from Mr. Joel Kohn dated February 16, 2022 for the consideration of an extension to the Consolidated Kiamesha Sewer District. The Town Board, therefore, authorized MHE Engineering D.P.C. at the March 1, 2022 Town Board meeting to prepare the following Map, Plan and Report for the District Extension. The correspondence and authorization are provided as Attachment 1 to this report.

B. **BENEFIT AREA**

The area to be benefited includes the following parcels:

- Tax Lot 9-1-8.2 which is located on the north side of Fraser Road and is approximately 38.558 acres in size. The parcel is currently vacant land.
- Tax Lot 6-1-11.1 which is landlocked and is adjacent to Tax Lot 9-1-8.2 and Tax Lot 6-1-11.6. The parcel is approximately 1.07 acres in size and it is currently vacant.
- Tax Lot 6-1-11.3 which is located on the west side of Gibber Road and is approximately 5.0 acres in size. This parcel is currently vacant land.
- Tax Lot 6-1-11.4 which is located on the west side of Gibber Road and is approximately 16.7 acres in size. This parcel is currently vacant land.
- Tax Lot 6-1-11.5 which is located on the west side of Gibber Road and is approximately 4.1 acres in size. This parcel currently contains a single-family dwelling unit.
- Tax Lot 6-1-11.6 which is located on the west side of Gibber Road and is approximately 4.2 acres in size.

The District extension is more formerly shown on Attachment No. 2 and described in Attachment No. 3.

C. **PROJECT DESCRIPTION**

The owner of Tax Lot 9-1-8.2 is proposing a residential development on the property consisting of approximately 60 units each with five bedrooms. The proposed improvements will result in a future anticipated sewage flow of approximately 33,000 gpd. A sketch plan provided by the applicant is provided in Attachment 4.

The Owner of Tax Lots 6-1-11.1, 11.3, 11.4, 11.5 & 11.6 is proposing a residential development on the parcels which also consists of approximately 60 units each with five bedrooms. This development would result in a future anticipated sewage flow of approximately 33,000 gpd. A Sketch Plan provided by the applicant is provided in Attachment 4.

This report will identify improvements necessary for the connection of the listed properties to the Consolidated Kiamesha Sewer District and costs associated to provide service to the properties.

D. **EXISTING AND PROPOSED IMPROVEMENTS**

1. Kiamesha WWTP Capacity:

The Kiamesha Lake Sewage Treatment Plant has a rated capacity of 2,000,000 gallons per day. The existing average daily flow to the Sewage Treatment Plant was approximately 327,000 gallons per day from June 2021 to April 2022. The maximum monthly average flow observed in this time frame was 402,700 gpd. There are additional projects within the district that have committed flow to the plant. A summary of these flows is provided below:

a. Plant Flow Current
b. Adelar/EPR Casino
c. Concord Future
d. Lakeview Estates
e. District Extension No. 1
f. District Extension No. 2
402,700 gpd
373,100 gpd
350,000 gpd
47,000 gpd
80,000 gpd

Total flow: 1,285,800 gpd Available Capacity: 714,200 gpd

Based on the permitted capacity at the Kiamesha Lake Sewage Treatment Plant, and committed flows for the Casino/Resort and other project developments, the sewage treatment plant has adequate capacity to treat the wastewater generated from the proposed Extension No. 3 of the Kiamesha Consolidated Sewer District projected to add an estimated 66,000 gallons per day of additional flow.

2. Collection Mains:

The existing sewer district collection system extends west on Fraser Road from NYS Route 42. The main is 8" diameter gravity sewer in the area where Tax Lot 9-1-8.2 fronts on Fraser Road. There is a force main on Gibber Road in the vicinity of the remaining parcels.

The project applicants are proposing to construct a sewage collection system within the Fraser Road Development to convey flows to the existing collection system on Fraser Road. Sewage flows generated by the proposed Gibber Road Development will be collected and conveyed to the collection system in the Fraser Road project. The project may require the construction of a pump station on the Fraser Road parcel due to stream crossings and topography. The project developers will be responsible for the design, permitting and construction costs associated with the onsite collection and conveyance systems.

According to the Town of Thompson Sewer Department, the 8" gravity main along Fraser Road is transite and in poor condition. Approximately 300 feet of gravity main from along Fraser Road from the entrance to the Fraser Road property to Route 42 will require replacement to adequately pass the increased flows.

E. **PROJECT COSTS**

The project developers will be responsible for all design, permitting and construction costs associated with the installation of infrastructure improvements for the collection of waste water within the proposed property.

In addition, the properties in the District Extension will be responsible for the cost associated with the replacement of 300 feet of gravity main from the project entrance east along Fraser Road to NYS Route 42. The cost of this main replacement is approximately \$90,000.00.

With respect to the available capacity at the Kiamesha Lake Sewage Treatment Plant, to be used by the Sewer District Extension No. 3, due to the fact that the existing Kiamesha Lake Sewer District users have bought and paid for the additional available capacity in the Kiamesha Lake Sewage Treatment Plant, as an outside user the Sewer District Extension No. 3 property owners will be expected to pay their fair share of the reserve capacity at a rate of \$25 per gallon per day. The total capacity cost for District Extension No.3 is therefore \$1,650,000.00.

F. ANNUAL COSTS

The Kiamesha Sewer District assesses Annual Debt Costs and Operation and Maintenance (O&M) Costs on a point system, which is based upon Property Use Classification. The current Schedule of Points for the District is provided in Attachment 5.

The list of parcels included in the District Extension is provided in Attachment 6 of this Report. This list includes the property classification, which is utilized to assess Annual Sewer Costs.

The Town of Thompson Town Board has adopted the following rates for the 2022 Kiamesha Sewer District assessment:

Capital Debt Service = \$9.65/Point

Annual O&M Cost = \$54.50/Point

The Annual Sewer Fee for a parcel in the District Extension will be calculated by multiplying the sewer points for the property classification by the rates noted above.

For example: A single-family residence with 5 bedrooms property classification of 210 would be assessed the following annual cost:

O&M (Rent) 20 Points (\$54.50/Point) = \$1,090.00 Capital Debt 20 Points (\$9.65/Point) = \$193.00 Total Annual Cost = \$1,283.00

*All costs shown above are subject to change. Costs for the sewer main replacement may change based on actual Construction Costs and all increases will be the responsibility of The Kiamesha Sewer District Extension No. 3 users. Any increase in costs over estimates contained herein shall be reconciled and paid in full by all properties in Extension No. 3 prior to being allowed to discharge into the system.

G. CONCLUSIONS

The costs associated with Extension No. 3 of the existing Kiamesha Sewer District to service the benefit area are described above. The extension will not result in increased costs for existing District users.

Respectfully submitted,

MHE Engineering, D.P.C.

Town Board of the Town of Thompson 4052 Route 42 Monticello NY 12701

RE: Request for consideration of a Sewer District Extension
Town of Thompson Tax Map Parcels;
9.-1-8.2 on Fraser Rd. 6.-1-11.1, 11.3, 11.4, 11.5, and 11.6 on Gibber Road

Dear Supervisor Rieber and Town Board Members;

I represent the buyers of the properties mentioned above in the matter of working with the Town on getting a Sewer District Extension to serve the properties listed above with municipal sewer.

The property on Fraser Road. (+/- 38.49 acres)

Currently, only a small portion of the property is within the sewer district.

The parcel is currently a vacant parcel with some wetlands on it. The buyer is proposing to construct a 60-unit Cluster Development with amenities.

The projected flow for this project would be;

33,000 gallons per day (60 homes x 5 bedrooms x 110 gpd per bedroom).

It is assumed that the sewer will flow by gravity and tie into an existing gravity main on Fraser Rd.

Attached is a preliminary sketch for a 60-unit Cluster Development.

The properties on Gibber Road. (+/- 31.07 acres)

Currently, there is a single-family home on lot 11.5, with the rest of the properties vacant. The buyer is proposing to do a cluster development of +/- 60 homes with amenities.

The projected flow for this project would be;

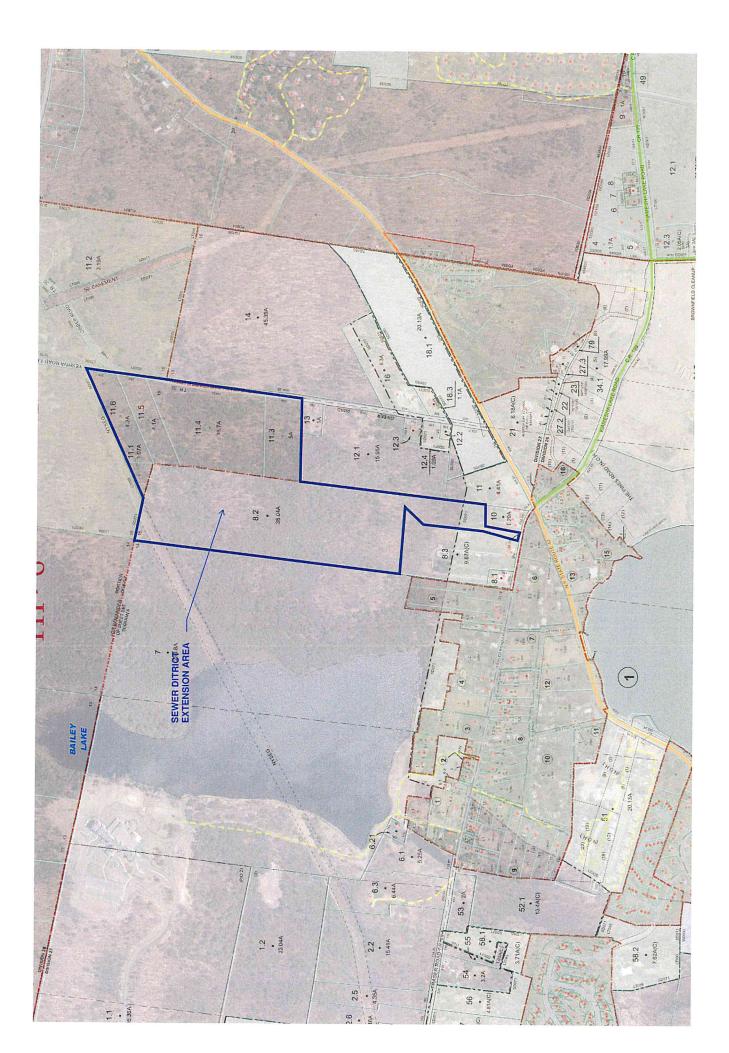

33,000 gallons per day (60 homes x 5 bedrooms x 110 gpd per bedroom).

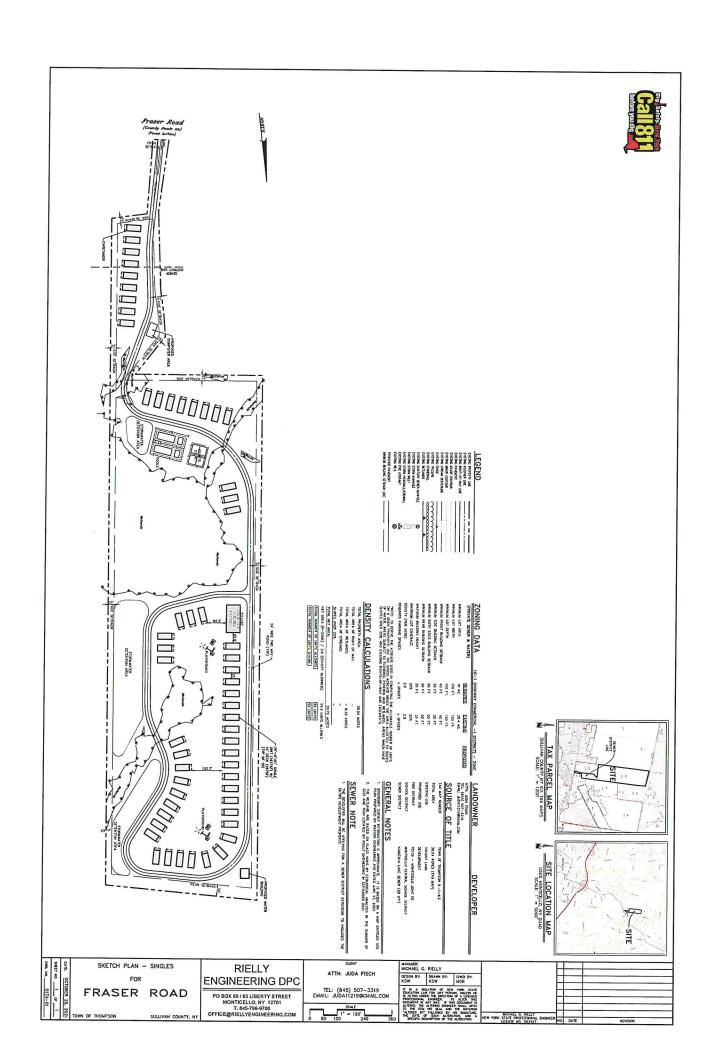

It is assumed that the sewer will flow by gravity through SBL 9.-1-8.2 and tie into an existing gravity main on Fraser Rd.

Attached is a tax map showing the parcel to be annexed into the Kiamesha Sewer District.

With this letter I would like to ask the Board to consider this request and take any action as appropriate to authorize the completion of a Map, Plan and Report by the Town Engineer.

Truly yours,

William J. Rieber, Jr.

Will,

I spoke with Chris Napp and Anita Hunt at 911 and explained that it is a Town road and referenced the tax map I sent to you earlier that clearly shows it. After reviewing it further, they confirmed that it is. Chris expressed concern that since Holiday Mountain Rd. is not continuous from end to end, giving you an address could potentially cause confusion with emergency services in the event they are called. I can totally understand their reasoning. The last thing you want is a firetruck and/or ambulance not be able to locate you. They said they will be keeping your address at 130 Katrina Falls and recommended the Town rename the road. For this to happen, the Town Board has to pass a resolution to adopt a new road name. Once that happens 911 would assign you a number on that newly named road.

I spoke with my supervisor, Jim Carnell, who mentioned it to Bill Rieber. They understand the issue and are going to add renaming the road onto the agenda for the next Town Board meeting, which is on Tuesday 9/6. From what Jim said, Bill will try reaching out to you before then to go over this. I also added Jim and Bill to this email so they have some context for the board meeting.

Let me know if you have any questions.

Hi Eric,

I just heard back from her, and she said there is an issue with the road and it has to be renamed, that I have to contact you.

On Tue, Aug 30, 2022 at 10:33 AM Eric Horton (Town of Thompson Bld Department) < ehorton@townofthompson.com wrote:

Hey Will,

Holiday Mountain Rd is a town road. I'm not sure why 911 is using Katrina Falls for your address when your lot does not have frontage onto that road. I attached a tax map and highlighted your lot. The map clearly shows the boundary of the road. I would send that over to 911 and ask for some clarification on why they chose to do it that way.

Re: Municipal Cleanup 2022 Acct# 49

Town of Thompson Officials,

In accordance with the Municipal Agreement between County of Sullivan and the Town of Thompson your allotment for 2022 was 96 tons, to date you have used 67.74 tons. This leaves you with 28.26 ton available for the Fall of 2022.

If you have any questions, feel free to contact me @ 845-807-0214.

Resolution No.

RESOLUTION TO AUTHORIZE FILING A GRANT APPLICATION TO THE NYS UNIFIED COURT SYSTEM FOR A JUSTICE COURT ASSISTANCE PROGRAM GRANT

WHEREAS, the NYS Unified Court System has requested applications for the current grant cycle of the 2022-2023 Justice Court Assistance Program grants; and

WHEREAS, the Thompson Town Court is interested in applying for funds; and

WHEREAS, the program requires the Town to adopt a resolution authorizing the Thompson Town Court to apply for a Justice Court Assistance Program grant in the 2022-2023 grant cycle for up to \$30,000.00 and for the Town supervisor to sign the necessary application.

NOW, THEREFORE, BE IT RESOLVED, that the Board of the Town of Thompson authorizes the Town of Thompson Town Court to apply for a JCAP grant in the 2022-2023 grant cycle up to \$30,0000; and

BE IT FURTHER RESOLVED, that the Town Supervisor be authorized and empowered to certify the application in the name of the Town of Thompson.

Moved by: Seconded by: and adopted on motion September 6, 2022.

The members of the Town Board voted as follows:

Supervisor William J. Rieber, Jr. Councilwoman Melinda S. Meddaugh Councilman Ryan T. Schock Councilman John A. Pavese Councilman Scott S. Mace

ORDERING INFORMATION

CXT® Precast Concrete Products manufactures restroom, shower and concession buildings in multiple designs, textures and colors. The roof and walls are fabricated with high strength precast concrete to meet all local building codes and textured to match local architectural details. All CXT buildings are designed to meet A.D.A. and to withstand heavy snow, high wind and category E seismic loads. All concrete construction also makes the buildings easy to maintain and withstand the rigors of vandalism. The buildings are prefabricated and delivered complete and ready-to- use, including plumbing and electrical where applicable. With thousands of satisfied customers nationwide, CXT is the leader in prefabricated concrete restrooms.

- 4. WARRANTY PROVISIONS: CXT provides a one (1) year warranty. The warranty is valid only when concrete is used within the specified loadings. Furthermore, said warranty includes only the related material necessary for the construction and fabrication of said concrete components. All other non-concrete components will carry a one (1) year warranty. CXT warrants that all goods sold pursuant hereto will, when delivered, conform to specifications set forth above. Goods shall be deemed accepted and meeting specifications unless notice identifying the nature of any non-conformity is provided to CXT in writing within the specified warranty. CXT, at its option, will repair or replace the goods or issue credit for the customer provided CXT is first given the opportunity to inspect such goods. It is specifically understood that CXT's obligation hereunder is for credit, repair or replacement only, F.O.B. CXT's manufacturing plants, and does not include shipping, handling, installation or other incidental or consequential costs unless otherwise agreed to in writing by CXT. This warranty shall not apply to:
- 1. Any goods which have been repaired or altered without CXT's express written consent, in such a way as in the reasonable judgment of CXT, to adversely affect the stability or reliability thereof;
- 2. To any goods which have been subject to misuse, negligence, acts of God or accidents; or
- 3. To any goods which have not been installed to manufacturer's specifications and guidelines, improperly maintained, or used outside of the specifications for which such goods were designed.
- 5. TERMS AND CONDITIONS OF INSTALLATION (IF APPLICABLE): All prices subject to the "Conditions of Sale" listed on the CXT quotation form.

Customers are responsible for marking exact location building is to be set; providing clear and level site, free of overhead and/or underground obstructions; and providing site accessible to normal highway trucks and sufficient area for the crane to install and other equipment to perform the contract requirements. Customer shall provide notice in writing of low bridges, roadway width or grade, unimproved roads or any other possible obstacles to access. CXT reserves the right to charge the customer for additional costs incurred for special equipment required to perform

delivery and installation. Customers will negotiate installation on a project-by-project basis, which shall be priced as separate line items. For more information regarding installation and truck turning radius guidelines please see our website at http://www.cxtinc.com.

In the event delivery of the building/s ordered is/are not completed within 30 days of the agreed to schedule through no fault of CXT, an invoice for the full contract value (excluding shipping and installation costs) will be submitted for payment. Delivery and installation charges will be invoiced at the time of delivery and installation.

Should the delivery and installation costs increase due to changes in the delivery period, this increase will be added to the price originally quoted, and will be subject to the contract payment terms.

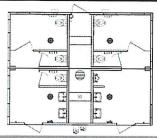

In the event that the delivery is delayed more than 90 days after the agreed to schedule and through no fault of CXT, then in addition to the remedies above, a storage fee of 1-1/2% of contract price per month or any part of any month will be charged.

**Customer is responsible for all local permits and fees.

- DELIVERY CHARGE: All prices F.O.B. origin prepaid and added to invoice. CXT operates three (3) manufacturing plants in the United States and will deliver from the closest location on our carriers.
- 7. PAYMENT TERMS: Payment to CXT by the purchaser shall be made net 30 days after submission of the invoice to the purchaser on approved credit. Interest at a rate equal to the lower of (i) the highest rate permitted by law; or (ii) 1.5% per month will be charged monthly on all unpaid invoices beginning with the 35th day (includes five (5) day grace period) from the date of the invoice. Under no circumstance can retention be taken. If CXT initiates legal proceeding to collect any unpaid amount, purchaser shall be liable for all of CXT's costs, expenses and attorneys' fees and costs of any appeal.
- 8. LIMITATION OF REMEDIES: In the event of any breach of any obligations hereunder; breach of any warranty regarding the goods, or any negligent act or omission of any party, the parties agree to submit all claims to binding arbitration. Any settlement reached shall include all reasonable costs including attorney fees. In no event shall CXT be subject to or liable for any incidental or consequential damages. Without limitation on the foregoing, in no event shall CXT be liable for damages in excess of the purchase price of the goods herein offered.
- 9. DELIVERY INFORMATION: All prices F.O.B. origin prepaid and added to invoice. CXT operates three (3) manufacturing plants in the United States and will deliver from the closest location on our carriers. Use the information below to determine the origin:
- F.O.B. 6701 E. Flamingo Avenue, Building 300, Nampa, ID 83687 applies to: AK, CA, HI, ID, MT, ND, NV, OR, SD, UT, WA, WY.
- F.O.B. 901 North Highway 77, Hillsboro, TX 76645 applies to AR, AZ, CO, IA, KS, LA, MN, MO, MS, NE, NM, OK, TX.
- F.O.B. 362 Waverly Road, Williamstown, WV 26183 applies to AL, CT, DE, FL, GA, IL, IN, KY, MA, MD, ME, MI, NC, NH, NJ, NY, OH, PA, PR, RI, SC, TN, VA, VT, WI, WV.
- Prices exclude all federal/state/local taxes. Tax will be charged where applicable if customer is unable to provide proof of exemption.

(per ection)

Taos with chase restroom building. Standard features include simulated barnwood texture walls, simulated cedar shake textured roof, vitreous china fixtures, 30-gallon water heater, interior and exterior lights, off loaded, and set up at site.

RFP: Written request for proposal to cut and remove Ash trees at St John Street Cemetery

Proposal 1 – Remove 7 Ash Trees at St John Street cemetery (back part). All limbs and entire tree will be removed from property and disposed in a safe manner. This is a prevailing wage project and the Town will require certified payroll at the time of payment. The Town also requires one million dollar insurance policy before start of project. Please note that the Town is tax exempt.

Proposal 2 – Limb and take 7 Ash Trees down to a safe height and leave all limbs and tree trunks on property so the town employees can remove in the future. The Town will require certified payroll at the time of payment. The Town also requires one million dollar insurance policy before start of project. Please note that the Town is tax exempt.

Please call Glenn Somers at

for further information on this request for proposal

Please Note: Only insurance carriers licensed to write NYS disability and paid family leave benefits insurance policies and NYS licensed insurance agents of those insurance carriers are authorized to issue Form DB-120.1. Insurance brokers are NOT authorized to issue this form.

Additional Instructions for Form DB-120.1

By signing this form, the insurance carrier identified in Box 3 on this form is certifying that it is insuring the business referenced in Box 1a for disability and/or Paid Family Leave benefits under the NYS Disability and Paid Family Leave Benefits Law. The insurance carrier or its licensed agent will send this Certificate of Insurance Coverage (Certificate) to the entity listed as the certificate holder in Box 2.

The insurance carrier must notify the above certificate holder and the Workers' Compensation Board within 10 days IF a policy is cancelled due to nonpayment of premiums or within 30 days IF there are reasons other than nonpayment of premiums that cancel the policy or eliminate the insured from coverage indicated on this Certificate. (These notices may be sent by regular mail.) Otherwise, this Certificate is valid for one year after this form is approved by the insurance carrier or its licensed agent, or until the policy expiration date listed in Box 3c, whichever is earlier.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This Certificate does not amend, extend or alter the coverage afforded by the policy listed, nor does it confer any rights or responsibilities beyond those contained in the referenced policy.

This Certificate may be used as evidence of a NYS disability and/or Paid Family Leave benefits contract of insurance only while the underlying policy is in effect.

Please Note: Upon the cancellation of the disability and/or Paid Family Leave benefits policy indicated on this form, if the business continues to be named on a permit, license or contract issued by a certificate holder, the business must provide that certificate holder with a new Certificate of Insurance Coverage for NYS disability and/or Paid Family Leave Benefits or other authorized proof that the business is complying with the mandatory coverage requirements of the NYS Disability and Paid Family Leave Benefits Law.

NYS DISABILITY AND PAID FAMILY LEAVE BENEFITS LAW

§220. Subd. 8

- (a) The head of a state or municipal department, board, commission or office authorized or required by law to issue any permit for or in connection with any work involving the employment of employees in employment as defined in this article, and not withstanding any general or special statute requiring or authorizing the issue of such permits, shall not issue such permit unless proof duly subscribed by an insurance carrier is produced in a form satisfactory to the chair, that the payment of disability benefits and after January first, two thousand and twenty-one, the payment of family leave benefits for all employees has been secured as provided by this article. Nothing herein, however, shall be construed as creating any liability on the part of such state or municipal department, board, commission or office to pay any disability benefits to any such employee if so employed.
- (b) The head of a state or municipal department, board, commission or office authorized or required by law to enter into any contract for or in connection with any work involving the employment of employees in employment as defined in this article and notwithstanding any general or special statute requiring or authorizing any such contract, shall not enter into any such contract unless proof duly subscribed by an insurance carrier is produced in a form satisfactory to the chair, that the payment of disability benefits and after January first, two thousand eighteen, the payment of family leave benefits for all employees has been secured as provided by this article.

Fwd: 2022.05.07 MVA vs Light Pole Claim

Hello,

Can you add this to the next Town Board meeting?

• Review and Accept settlement offer for motor vehicle accident involving a light pole in the Adelaar Lighting District in the amount of \$5,210.58.

The accident happened on May 7th, 2022.

Subject: 2022.05.07 MVA vs Light Pole Claim

To: Michael Messenger < mmessenger@townofthompson.com >

TRRAC received a payment on this claim for \$5,210.58 which is all costs excluding the TRRAC Reclamation Fee, which the insurance company is refusing to pay. They presented all of the normal arguments why it should be included in the claim, but it is still being denied.

• Can you please submit this to the Town Board at the next meeting and let me know if \$5,210.58 is approved and this payment can be processed?

Thanks.

TOWN OF THOMPSON Attention: Mr. Keith Rieber

Re: WATER TREATMENT PLANT

Rock Hill, New York

Filter Sand

Dear Mr. Rieber:

We propose to furnish the following Filter Sand:

FILTER SAND -

Effective Size

- 0.40 - 0.50 mm

Uniformity Coefficient - 1.70 or less

TOTAL: 120 cubic feet/6.00 tons

Material meets applicable provisions of American Water Works Association Standard B100-16 for Filtering Material and listed under the National Sanitation Foundation Standard 61 - Process Media. Samples and/or in-house test report can be provided for review and the final written approval for payment must be received at our plants prior to release for shipment. Any additional testing will be at the expense of others.

Material will be packaged in semi-bulk containers with lifting straps and bottom discharge spout, containing approximately 3,000-pounds per sack, palletized or alternate packaging 50-pound bags and palletized.

UNIFILT can furnish the necessary equipment and labor required for removal (on-site disposal) and the "hydraulic" installation of the new media. Pricing available upon request.

If overseeing the installation of the filter media, by a qualified field technical representative to instruct, monitor, and advise the Contractors' personnel in proper placement of the filtering material, it can be provided at an additional cost of \$2,000/day.

We do not include any taxes that may be applicable. Prices good for 30 days.

TOTAL PRICE:--FOB Shipping Point (Packaged Material) =\$1,300 \$1,800 \$1,400 \$2,700 \$3,200

\$5,900

Terms: Net 30 days from date of invoice with approved credit. Credit card payments will incur a 4% surcharge.

Should you have any questions, please feel free to contact us at your earliest convenience.

Sincerely yours,

UNIFILT CORPORATION
