BIDS MUST BE SUBMITTED WITH EACH ITEM BID SEPRATELY AND AS A PACKAGE, TOWN RESERVES THE RIGHT TO ACCEPT BID BY ITEM OR AS A PACKAGE.

BID AS CONTRACT. This bid, including the Instructions to Bidders, Specifications and Proposal annexed hereto, shall constitute a contract between the Town of Thompson and the bidder, upon acceptance and award, in accordance with its terms, unless otherwise

provided herein. The “Standard Contract Rider” attached hereto shall apply to and be incorporated herein by reference. If there shall be a conflict between the terms of these instructions and the Standard Contract Rider, the terms of the Standard Contract Rider shall prevail. For the purposes of the Standard Contract Rider, the term “VENDOR” shall mean the bidder herein. Supervision of performance of this bid and contract shall be performed by the Superintendent or Assistant Superintendent of Water & Sewer.

EQUAL OPPORTUNITY. The bidder will return the bid proposal with the Contractor’s Assurance on Equal Opportunity duly signed, a finding by any governmental agency that the bidder has discriminated against any individual shall be grounds for any future termination of the contract to which this bid relates and ineligibility for any future contract with the town, unless a certificate of compliance with any decision, ruling or order is obtained.

INSURANCE. The provisions of paragraph 11 of the Standard Contract Rider are hereby modified to provide that insurance to be furnished to the Town by the bidder is as follows: See attached insurance requirements, if required.

Except as modified with respect to limits of liability, all other provisions of said paragraph shall remain in full force.

NOTICE: *No contractor to whom this contract is let, granted or awarded, shall assign, transfer, convey, sublet otherwise dispose of same, or his right, title and interest herein, including the performance of this contract, or the right to receive monies due or to become due, or of his power to execute this contract to any person or corporation without the prior written consent of the officer, board or agency which awarded this contract. In the event that the contractor shall, without prior written consent, assign, transfer, convey, sublet*

otherwise dispose of same, or his right, title and interest herein, including the performance of this contract, or the right to receive monies due or to become due, or of his power to execute this contract to any person or corporation, or upon receipt by the Town of an attachment, levy, or execution on the proceeds due or to become due under this contract against the contractor, the Town and the officer, board or agency shall be relieved and discharged from any and all liability and obligations growing out of such contract to such contractor, and the person or cooperation to which such contract shall have been assigned transferred, conveyed, sublet, or otherwise disposed of, and such contractor and his assignees, transferees or subleases shall forfeit and lose all monies theretofore earned under this contract, except so much as may be required to pay his employees.

PARTICIPATION BY POLITICAL SUBDIVISIONS, FIRE DISTRICTS AND ANY OTHER DISTRICT LOCATED IN WHOLE OR IN PART WITHIN THE STATE OF NEW YORK. The bidder awarded this contract shall offer to provide said service[s] or item[s] to any political subdivision as provided in the N.Y.S. “Piggyback” law, providing such purchaser the same terms and conditions as agreed upon with The Town of Thompson. The Town of Thompson assumes no financial liability for purchase by any other parties pursuant to this paragraph. The Town further shall not be liable to any party for non-performance of this contract in any manner or for any reason. NONE. This is a site-specific bid.

Intent: It is the intent of this specification to describe and govern the purchase of one fully operational New Highland Tank 3000 gal Petro Hopper, installed to industry standards to existing gasoline pump. Through experience the Town as determined that this product is best suited to the Town’s needs in safety, quality and performance. This specification is not to be interpreted as restrictive, but rather a measure that the performance of the proposed products will be compared. In comparing proposals an award will only be made to the qualified bidder that offers the best value. The Town reserves the right to award the bid to the bidder whose product is judged to be in the

best interest of the Town when price, product, quality, safety, standardization and delivery are considered using “Best Value” procurement guidelines. The Highway Superintendent reserves the right to reject any and all bids for any reason and to waive any minor technicalities or interpretation of specifications.

Equivalent Product: NO Substitutions. Decisions of equivalency are at the sole discretion and interpretation of the Highway Superintendent. A blanket statement that proposed equipment meets all bid requirements will not be sufficient to establish equivalency. It is the bidder’s responsibility to furnish any and all technical information to prove equivalency if a substitution is proposed.

Interpretation: In order to be fair to all bidders, no oral interpretations will be given to any bidder as to the meaning of any specification contained. Any request for further information or clarification must be submitted in writing to the Highway Superintendent. Based upon inquiry, the Town may choose to issue an addendum in accordance with general municipal bidding laws.

Price Performance: Once submitted and adopted the winning bidder has entered into a contract with the Town of Thompson. If the item[s] or service[s] are not delivered in a timely manner the Town reserves the right to cancel its order. There are no provisions for increases in pricing once bid is awarded. Any vendor that does not meet the obligations of the contract can be considered a non-qualified bidder and barred from future business with The Town of Thompson. The Superintendent of Highways reserves the right to act in the best interest of the Town in the bidding process and purchases made on behalf of the Town.

Errors or Omissions of the Specification – In the event of errors or omissions of this specification it is nonetheless the responsibility of the successful

bidder to provide to the Town a fully operational 3000 gal. Petro Hopper installed and connected to the existing gasoline pump in conformance with the common industry standards and to the known intent of the specification to the satisfaction of the Town of Thompson Highway Department _____
