As a part of our team, you take on an extremely important role, that of serving the members of our community. Together, our mission is to provide cost-effective services that conform to the highest standards of quality.

This Employee Handbook is designed to familiarize you with your employment and to help ensure government compliance, foster positive employee relationships, and contribute to the overall success of the Town in delivering services to the public effectively and efficiently.

Please keep in mind that this is only an overview of the Town's policies and procedures, employee benefits, and the Civil Service System. Specific questions concerning employment matters should be addressed to your Department Head.

We trust that you will find service with the Town of Thompson rewarding both personally and professionally.

102 *A Message for our Bargaining Unit Employees*

This Employee Handbook has been developed by the Town of Thompson to assist you in getting acquainted with your employment with the Town. A cooperative labor-management relationship not only lends to a positive work environment but also helps ensure fair treatment in the workplace.

It is important that all employees understand the personnel policies and procedures and work rules outlined in this Employee Handbook. For employees who have collectively bargained certain provisions of employment, the collective bargaining agreement governs those provisions. You are encouraged to obtain a copy of your collective bargaining agreement from the Town. Anywhere that the Agreement and this Handbook conflict, the Agreement will control. However, in certain instances where the Handbook covers an issue that is not the subject of bargaining, this Handbook will control. We have made every effort to acknowledge these situations. If you have any questions, you should contact your Department Head or bargaining representation.

We hope that your career with the Town of Thompson will be an enjoyable experience.

103 *Our Heritage*

The first European settlers to the Town of Thompson in 1749 were farmers David Gray and Z. Hatch, who put down roots in the vicinity of Dutch Pond. For 10,000 years prior to European settlement, the area was home to bands of the Munsee Lenape.

The Town of Thompson was named after William A. Thompson, a native of Litchfield County, Connecticut. He was a miller who arrived in the area in 1794. Thompson bought land and built a settlement near what was then known as Albion. Thompson, who later became a judge, and his family are buried in a historical cemetery behind the present Thompsonville Post Office.

Thompson, taken from the Town of Mamakating, was formed by an act of the State Legislature in April 1803. The Village of Monticello was incorporated in 1830. The first town meeting of Thompson was held at the house of Abraham Warring, who kept a tavern in Thompsonville.

The Classified Service is divided into four jurisdictional classes:

- **Exempt** – those positions, other than unskilled labor positions, for which competitive or non-competitive examinations or other qualification requirements are not practicable (Civil Service Law, Section 41);
- **Competitive** – those positions for which it is practicable to determine merit and fitness by competitive examination;
- **Non-Competitive** – those positions not in the exempt class or the labor class for which it is not practicable to determine merit and fitness by competitive examination, but rather by a review of training and experience; and,
- **Labor** – unskilled labor positions, except those positions which can be examined for competitively.

Competitive Class – In accordance with Civil Service Law, the following types of appointments may be made to positions in the Competitive Class:

- **Permanent** – an appointment to a vacant position in the Competitive Class from an eligible list established as a result of examination, following successful completion of a probationary term;
- **Provisional** – an appointment to a vacant position in the Competitive Class when there is not an appropriate eligible list. A provisional appointee must take an examination whenever it is scheduled. Thereafter, a permanent appointment will be made on the basis of the eligible list resulting from the examination; or

- **Temporary** – an appointment to a position in the Competitive Class for reasons including, but not limited to: emergency work projects; planned termination of the position after a limited time; to replace an employee who is on a leave of absence; to fill a position funded through a temporary grant; or to fill a position vacated by the promotion of another employee until the employee who has been promoted receives permanent status.

203 Examinations and Promotions

In accordance with Civil Service Law Section 61, the Town will select one of the top three eligible candidates on the list willing to fill the position.

The Town reserves the right to fill a position either internally or with an external candidate.

Employment Applications – The Town relies upon the accuracy of information contained in the employment application, as well as the accuracy of other data presented throughout the hiring process. Any misrepresentations, falsifications, or material omissions in any of this information or data may result in the Town's exclusion of the individual from further consideration for employment or disqualification if the conduct is discovered after employment commences.

Employment Reference and Background Checks – To ensure that individuals who join the Town are well qualified and have a strong potential to be productive and successful, may choose to check the employment references of final applicants. In addition, depending upon the position, final applicants may be required to complete a hold harmless statement and release in order for the Town to conduct appropriate background checks.

Pre-Employment Physicals / Drug Screening – When appropriate in accordance with the requirements of a particular position, the Town may require that an applicant undergo a medical examination (after receiving a conditional offer of employment) to determine fitness for duty. In doing so, the Town will comply with the provisions of the Americans with Disabilities Act (see Section 802 of this handbook.) Additionally, all final applicants for a position that requires a commercial driver's license must consent to be tested for the presence of a controlled substance as a pre-qualifying condition to employment.

303 **Probationary Period**

Except as otherwise provided in a collective bargaining agreement, the *Rules for the Classified Civil Service of the County of Sullivan* provide for the following, which is applicable to employees appointed, promoted or transferred pursuant to the Civil Service laws. Additional provisions may also apply in accordance with those rules.

Purpose of Probationary Period – The purpose of the probationary period is for an employee to become familiar with the specific duties and responsibilities of the employee's new position. The probationary period also provides the Department Head with an opportunity to evaluate the employee's job performance and potential for development in the position.

Length of Probationary Period – Except as otherwise provided in the *Rules for the Classified Civil Service of the County of Sullivan*, every permanent appointment from an open-competitive list and every permanent appointment to a position in the non-competitive, exempt or labor class shall be for a probationary term of not less than eight (8) weeks nor more than twenty-six (26). The length of the probationary period may be extended in accordance with the *Rules for the Classified Civil Service of the County of Sullivan*.

Successful Completion of Probationary Period – An employee's appointment will become permanent upon written notice that the probationary period has been successfully completed following the minimum period of service required. Or, the employee's appointment will become permanent upon the retention of the employee after completion of the maximum period of service required. **Except as otherwise provided by law or a collective bargaining agreement, completion of the probationary period does not necessarily confer rights or privileges in the position.**

Employment Status During Probationary Period – During the probationary period (at any time after the completion of the minimum probationary period and before completion of the maximum probationary period), an employee will be subject to demotion, suspension, or discharge at the Town's sole discretion. If the performance or conduct of an employee serving a probationary period who has been promoted or transferred from a permanent appointment (as defined by civil service regulations) is not satisfactory, the employee shall be returned to the employee's former permanent position prior to the end of the probationary period.

304 *New Employee Orientation*

Procedure – The purpose of the new employee orientation is to welcome new employees and to familiarize them with the Town and their job. The orientation process generally consists of, but is not limited to, a tour of the employee's assigned worksite, distribution and review of this employee handbook, and enrollment in benefit plans, if applicable. In addition, the employee's Department Head is responsible for introducing the employee to co-workers, scheduling on-the-job training, and reviewing the job description and performance requirements of the position.

305 *Corrective Action and Discipline*

Policy Statement – It is the policy of the Town of Thompson that certain rules and regulations regarding employee behavior are necessary for the benefit and safety of all employees, the efficient operation of the Town, and the delivery of services to residents of the Town. Any conduct that interferes with operations or that discredits the Town will not be tolerated. Each employee must conduct oneself in a positive manner so as to promote the best interests of the Town. Corrective action is necessary when an employee has demonstrated performance deficiencies, or has violated a policy, rule, regulation, or procedure. Corrective action may include counseling or initiating formal disciplinary action against an employee.

Communication – Open and candid communications with all employees is an important aspect of the Town of Thompson's on-going employee relations. When a rule, policy, or procedure is violated, the employee's Department Head, or other designated supervisor, will review the specific nature of the violation with the employee. The employee's input is extremely important to ensure that all of the facts have been considered.

Counseling – Counseling employees, as opposed to initiating formal disciplinary action, may be the appropriate first step in addressing performance deficiencies or misconduct. The purpose of counseling is to inform the employee of such deficiencies or misconduct, discourage its recurrence, and inform the employee of the consequences if the behavior is repeated. When performance deficiencies are the issue, the performance standards of the job should be reviewed, along with specific examples of how the employee is not meeting those standards. Where appropriate, goals for improvement may be established, along with a time frame for achieving them. The counseling will be documented in writing and the employee will be required to acknowledge receipt by signing the memorandum. Any employee who fails to follow a supervisor's directive to sign the counseling memorandum to acknowledge receipt will be subject to disciplinary action.

Discipline – The purpose of disciplinary action is to impose penalties for performance deficiencies or misconduct. In **normal circumstances**, the Town endorses a policy of progressive discipline which includes, but may not be limited to, documented verbal reprimand, letters of reprimand, suspension without pay, or termination of employment, depending on the circumstances. The Town retains the right to discipline employees without engaging in progressive discipline or prior counseling if the situation so warrants and retains the right to discipline employees in any lawful manner it sees fit.

Investigations – Where appropriate, an investigation will be conducted by the proper supervisor or other designated individual(s) in order to gather all pertinent information and to ensure that all the facts are considered. The investigation may include, among other things, interviews with the employee and any witnesses or other involved parties, and review of documents and materials. Employees who are participants in an investigation are not allowed to disclose the content or particulars of the investigation unless otherwise authorized. All employees who are called upon to participate in an investigation are required to fully cooperate in the process and respond truthfully to all questions posed. Failure to do so will subject the employee to appropriate corrective action. The Town reserves the right to suspend an employee while an investigation is conducted.

During the investigation process, a bargaining unit employee who appears to be a potential subject of disciplinary action may undergo questioning. Such employee will have the right to representation by the employee's certified or recognized employee organization under Civil Service Law Article 14, and will be given advanced notice of such right. In the event the employee requests representation, the employee will be allowed a reasonable period of time to obtain such representation. In the event the employee is unable to obtain such representation within a reasonable period of time, the employer will have the right to then question the employee.

Procedures – Employees covered by **Civil Service Law Section 75** shall be disciplined in accordance with the procedures contained therein. (Refer to Section 307 of this Employee Handbook). An employee who is a member of a collective bargaining unit should refer to the collective bargaining agreement on the subject of the disciplinary procedure.

Prohibited Conduct – Any employee who, after investigation, is found to have committed any of the actions listed below will be subject to corrective action, up to and including termination of employment. This list is illustrative only and does not limit the Town's right to impose discipline in other appropriate cases.

Such officer or employee of the Town shall not participate in any action with respect to such matter, application or proceeding pending before the Town Board or any other agency of the Town, but nothing contained herein shall prohibit such officer or employee of the Town from participating in any other matter pending before the Town Board or any other agency of the Town; provided, however, that nothing contained in this subsection shall be deemed to permit any party or person to participate in a contract with the Town Board or any other agency of the Town where a conflict of interest as defined in the General Municipal Law shall exist.

Town Hall employees will be expected to work an 8:30 AM to 4:30 PM schedule, with a one hour lunch. Bargaining Unit employees should review their collective bargaining agreement for information regarding their work schedule.

The Town Board reserves the right to approve all employee work schedules, except where otherwise prohibited by applicable State Law or collective bargaining agreement.

Department Head Absences – Department Heads have duties that may require them to be absent from their offices at certain times during the day. In the event that a Department Head is absent from the office, basic departmental forms should be readily available for distribution and/or collection. It is the Department Head's responsibility to determine what services are to be provided and to schedule coverage of these basic services during scheduled business hours.

Overtime – A Department Head may require an employee to work additional hours beyond the employee's normal workday and workweek. An employee must receive prior approval from the employee's Department Head before working additional hours.

In most circumstances, the Town shall provide break time at least once every three hours if requested by the employee. This policy applies to nursing mothers for up to three years following childbirth. Breaks are available to the employee during their normal work week and any overtime or additional hours worked.

Room Location and Privacy - The Town will make a reasonable effort to provide a room, other than the restroom or toilet stall, within walking distance to the employee's work area, or other location in close proximity to the work area so that nursing mothers can express milk in private. The Town may dedicate one room for the expression of breast milk or use a vacant office or other available room on a temporary basis, provided the room is not accessible to the public or other employees while the nursing employee is using the room for expression purposes. If such room is not available, the Town may make available a cubicle for use by individuals expressing breast milk, provided the cubicle is fully enclosed with a partition and is not otherwise accessible to the public or other employees while it is in use for expression purposes. The cubicle walls shall be at least seven feet tall to ensure privacy. Each room or other location used for the expression of breast milk shall adhere to the following standards:

- Be well lit through either natural or artificial light.
- Windows shall be covered with a curtain, blind, or other covering to ensure privacy for the mother as she is expressing breast milk.
- The room shall contain, at a minimum, a chair and a small table, desk, counter, or other flat surface.

- To ensure privacy, the room or other location shall not be open to other employees or the public.
- The room should have a door equipped with a functional lock. If the location is an enclosed cubicle, the Town will provide a sign advising the room or location is in use and not accessible to other employees or the public.
- The Town will maintain the cleanliness of the room or location.

A part-time employee who is directed to leave work due to an emergency closing will not be paid for the remainder of the employee's normal workday. Such employee may be allowed to make up the time at a later date if agreed to by the Department Head. An employee who has previously scheduled a paid leave day must still charge the absence for the day to the appropriate paid leave.
- **Prior to Reporting to Work** – If a determination is made to close operations prior to the start of a workday, the Town Supervisor will initiate notification to all affected employees. A full-time employee who is directed not to report to work due to an emergency closing will be paid for the employee's normal workday at the employee's regular rate of pay. A part-time employee who is directed not to report to work will not be paid for the workday. Such employee may be allowed to make up the time at a later date if agreed to by the Department Head. An employee who has previously scheduled a paid leave day will not be charged the absence for the day to the appropriate paid leave.

Inclement Weather – Employees are expected to report to work and remain at work during inclement weather conditions unless otherwise notified by the Town. Employees should use their own discretion in determining whether they can commute safely to work due to inclement weather. When the Town Supervisor has not officially shut down operations, an employee who does not report to work or requests to arrive at work late or leave work early due to inclement weather must obtain authorization from his or her Department Head prior to doing so. The employee must use paid vacation or personal leave, if available, or take the time off without pay. If an FLSA exempt employee has no paid leave benefits available, the employee will only be docked if a full workday is taken.

An employee is deemed to have "sufficient time to vote" if an employee has four consecutive hours to vote either from the opening of the polls to the beginning of their work shift, or four consecutive hours between the end of a working shift and the closing of the polls.

For example, if an employee is scheduled from 8:30 am to 4:30 pm, and the polls are opened from 6 am to 9 pm, the employee is not eligible for paid time off to vote, because the polls are open for four consecutive hours after the employee's shift ends at 4:30 pm. However, if an employee is scheduled to work from 9 am to 6 pm, then the employee is eligible for paid time off to vote, because the employee only has three consecutive hours off in the beginning of their shift and end of their shift.

Procedures – An employee is required to provide notification as to the need for working time off to vote and must request this time off from their Department Head prior to the Election Day. Advance notice is required so that the necessary time off can be scheduled in a manner which causes the least disruption to departmental operations.

507 **Bereavement Leave**

Eligibility – In the event of a death of a full-time employee's immediate family member, the employee may take a paid leave for up to four days from the employee's regularly scheduled work. Such leave will not be subtracted from any of the employee's leave credits. These four days must be taken within ten days of the death of the employee's family member, unless written permission is provided by the Town Supervisor. A part-time, temporary, or seasonal employee is not eligible for paid bereavement leave but may be allowed to take time-off without pay provided the employee has prior approval from the Department Head.

Definition of Immediate Family – For purpose of bereavement leave, "immediate family member" will mean the following, and will include such relatives in a step-family relationship:

- Spouse
- Parent
- Mother-in-law
- Daughter-in-law
- Grandparent
- The employee's same-sex* or opposite sex committed partner or the child, parent or other relative (categorized above) of the committed partner
- Child
- Sibling
- Father-in-law
- Son-in-law
- Grandchild

**Defined under NYS Civil Rights Law §79-n, same-sex committed partners are those who are financially and emotionally interdependent in a manner commonly presumed of spouses*

Extended Bereavement Leave – With authorization from the employee's Department Head, an employee may use vacation leave credits and/or personal leave credits to extend a bereavement leave. The Department Head will have total discretion in the approval of an employee's extended bereavement leave, based upon the needs of the department.

Bargaining Unit Employees – An employee who is a member of a collective bargaining unit is not covered by the Bereavement Leave provisions set forth above and should refer to the applicable collective bargaining agreement.

508 Volunteer Firefighters / Emergency Responders

Except as otherwise provided by a collective bargaining agreement, the following policy shall apply regarding those employees who are volunteer firefighters or emergency responders:

Policy – In the event an employee is called upon to perform volunteer duties as a firefighter or emergency responder on a day the employee is scheduled to work, the employee will receive paid leave to perform such duties if so authorized. The employee may not leave the workplace until it has been approved by the appropriate supervisor. The paid leave is limited to the extent of the employee's regular work schedule. Such leave will not be subtracted from any of the employee's leave credits. Time spent by the employee performing such duties, including driving to and from the scene, will not be included as time worked for purposes of computing overtime. The employee is required to return to the worksite upon completion of the emergency call, unless such call ends after the end of the employee's scheduled work shift.

Documentation Requirements – The employee must account for all time spent responding to emergency calls on the employee's time sheet, including the time the employee left and returned to the worksite. The employee may be required to submit verification of the employee's attendance at such call.

Responding to Calls During Paid Leave – If the employee is on a paid leave from the Town and the employee responds to a call, the employee will not receive additional compensation from the Town and the employee's appropriate leave time will still be charged.

509 **Family and Medical Leave Policy**

Statement of Compliance – The Town of Thompson complies with the provisions of the Family and Medical Leave Act (FMLA) and Civil Service Law when administering leaves under this policy.

Summary – FMLA entitles an eligible employee to a maximum of twelve workweeks (defined by the employee's normal workweek) of job-protected, unpaid leave in any twelve month period for certain family and medical reasons. The twelve-month period is calculated as the twelve month period measured forward from the date of the employee's first FMLA leave usage. The FMLA also provides an eligible employee with up to twenty-six weeks of *Military Caregiver Leave* to care for a covered service member (limited to a single twelve-month period). At the conclusion of a leave of absence under the FMLA, the employee will be restored to the position the employee held when the leave began or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment, provided the employee returns to work immediately following such leave.

Eligibility – To be eligible for an unpaid leave under FMLA, an employee must meet the following requirements:

- The employee must have worked for the Town for at least twelve months as of the first date of requested leave (these need not be consecutive);
- The employee must have worked for the Town for at least 1,250 hours during the previous twelve months prior to the date the leave commences; and
- The employee must work at or report to a worksite which has fifty or more employees or is within seventy-five miles of worksites that taken together have a total of fifty or more employees.
- Spouses who both work for the Town are each allowed a combined maximum of twelve workweeks of leave for the birth or care of a newborn child, adoption or foster care of a child and to care for such newly placed child, or the serious health condition of a parent, during any twelve month period.

Types of FMLA Leave – Eligible employees will be afforded up to twelve workweeks of unpaid leave under **FMLA** under the following circumstances:

- Upon the birth of the employee's child and to care for the newborn child;
- Upon the placement of a child with the employee for adoption or foster care and to care for the newly placed child;
- To care for the employee's spouse, son, daughter or parent who has a serious health condition;
- Because of the employee's own serious health condition which makes the employee unable to perform one or more of the essential functions of his or her job; and

- Because of any qualifying exigency (refer to Qualifying Exigency Leave below) arising out of the fact that the employee's spouse, son, daughter or parent is on active duty or has been notified of an impending call or order to active duty in the Armed Forces in support of a contingency operation.

Military Caregiver Leave – Eligible employees will be afforded up to twenty-six weeks of leave to care for the employee's spouse, son, daughter, parent, or nearest blood relative who is a recovering service member. A recovering service member is defined as a member of the Armed Forces who suffered an injury or illness while on active-duty that may render the person unable to perform the duties of the member's office, grade, rank or rating. This leave shall only be available during a single twelve-month period. During this single twelve-month period, the employee shall be entitled to a combined total of twenty-six workweeks of caregiver leave described in this section and the **Types of FMLA Leave** section described above. Nothing in this paragraph shall be construed to limit the availability of FMLA leave provided under the **Types of FMLA Leave** section above. For the purposes of this type of leave, "nearest blood relative" shall include the following in order of priority: a relative who has been granted legal custody of the covered service member, brothers, sisters, grandparents, aunts, uncles and first cousins, or a specific blood relative who has been designated as a service member's caregiver. When no such designation is made, and there are multiple family members with the same level of relationship to the covered service member, all such family members are considered to be next of kin and may take FMLA leave to provide care to the covered service member, either consecutively or simultaneously.

Qualifying Exigency Leave – Eligible employees who work for the Town may take up to 12 workweeks of unpaid, job-protected leave in a 12-month period for a "qualifying exigency" arising out of the foreign deployment of the employee's spouse, son, daughter, or parent. FMLA leave for this purpose is called qualifying exigency leave. Qualifying exigencies may arise when the employee's spouse, son, daughter, or parent who is a member of the Armed Forces (including the National Guard and Reserves) and who is on covered active duty or has been notified of an impending call or order to covered active duty. (Covered active duty is further defined in Department of Labor regulations.) For purposes of qualifying exigency leave, an employee's son or daughter on covered active duty refers to a child of any age.

The Department of Labor has identified nine broad categories of qualifying exigencies. If the military member is on covered active duty, the employee may take FMLA leave for the following qualifying exigencies:

- Issues arising from the military member's short notice deployment (i.e., deployment within seven or less days of notice). For a period of up to seven days from the day the military member receives notice of deployment, an employee may take qualifying exigency leave to address any issue that arises from the short-notice deployment.
- Attending military events and related activities, such as official ceremonies, programs, events and informational briefings, or family support or assistance programs sponsored by the military, military service organizations, or the American Red Cross that are related to the member's deployment.
- Certain childcare and related activities arising from the military member's covered active duty, including arranging for alternative childcare, providing childcare on a non-routine, urgent, immediate need basis, enrolling in or transferring a child to a new

school or day care facility. Note: The employee taking FMLA qualifying exigency leave does not need to be related to the military member's child. However, (1) the military member must be the parent, spouse, son or daughter of the employee taking FMLA leave, and (2) the child must be the child of the military member (including a child to whom the military member stands in loco parentis).

- Certain activities arising from the military member's covered active duty related to care of the military member's parent who is incapable of self-care, such as arranging for alternative care, providing care on a non-routine, urgent, immediate need basis, admitting or transferring a parent to a new care facility, and attending certain meetings with staff at a care facility, such as meetings with hospice or social service providers. Note: The employee taking FMLA qualifying exigency leave does not need to be related to the military member's parent. However, (1) the military member must be the parent, spouse, son or daughter of the employee taking FMLA leave, and (2) the parent must be the parent of the military member (including an individual who stood in loco parentis to the military member when the member was a child).
- Making or updating financial and legal arrangements to address a military member's absence while on covered active duty, including preparing and executing financial and healthcare powers of attorney, enrolling in the Defense Enrollment Eligibility Reporting System (DEERS), or obtaining military identification cards.
- Attending counseling for the employee, the military member, or the child of the military member when the need for that counseling arises from the covered active duty of the military member and is provided by someone other than a health care provider.
- Taking up to 15 calendar days of leave to spend time with a military member who is on short-term, temporary Rest and Recuperation leave during deployment. The employee's leave for this reason must be taken while the military member is on Rest and Recuperation leave.
- Certain post-deployment activities within 90 days of the end of the military member's covered active duty, including attending arrival ceremonies, reintegration briefings and events, and other official ceremonies or programs sponsored by the military, and addressing issues arising from the death of a military member, including attending the funeral.
- Any other event that the employee and employer agree is a qualifying exigency.

Definitions – The following terms are fully defined in the Federal Regulations on the Family and Medical Leave Act, 29 CFR Part 825. For the purpose of this policy, the following definitions will apply:

- **Serious Health Condition** will mean an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility including any period of incapacity (as contained in the Federal Regulations), or any subsequent treatment in connection with such inpatient care; or continuing treatment by a health care provider, including, but not limited to:

- * A period of incapacity of more than three consecutive, full calendar days and any subsequent treatment or period of incapacity that also involves continuing treatment by a health care provider;
 - * A period of incapacity due to pregnancy or prenatal care;
 - * A period of incapacity or treatment for such incapacity due to a chronic serious health condition. A "chronic serious health condition" requires periodic visits to a health care provider for treatment. The term "periodic visit" constitutes 2 or more appointments with a health care provider over the course of one year;
 - * A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective; or
 - * A period of absence to receive multiple treatments, including any period of recovery, by a health care provider, or by a provider of health care services under orders of or on referral by a health care provider, for restorative surgery after an accident or other injury or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment.
- **Health Care Provider** will mean and refer to a doctor of medicine or osteopathy who is authorized to practice medicine or surgery by the State in which the doctor practices; or any other person defined in the FMLA regulations capable of providing health care services.
 - **Family Member** will mean and refer to:
 - * **Spouse** – means husband or wife. For purposes of this definition, husband or wife refers to the other person with whom an individual entered into marriage as defined or recognized under state law for purposes of marriage in the State in which the marriage was entered into or, in the case of a marriage entered into outside of any State, if the marriage is valid in the place where entered into and could have been entered into in at least one State. This definition includes an individual in a same-sex or common law marriage that either: (1) was entered into in a State that recognizes such marriages; or (2) if entered into outside of any State, is valid in the place where entered into and could have been entered into in at least one State.
 - * **Parent** – biological parent or an individual who stands or stood in *loco parentis* to an employee when the employee was a child as defined in directly below. This term does not include an employee's parents "in law".
 - * **Child** – biological, adopted or foster child, a stepchild, a legal ward, or a child of a person standing in *loco parentis*, who is either under age eighteen, or age eighteen or older and "incapable of self-care (as defined in the Federal Regulations) because of a mental or physical disability". Persons who are "*in loco parentis*" include those with day-to-day responsibilities to care for and financially support a child or, in the case of an employee, who had such responsibility for the employee when the employee was a child. A biological or legal relationship is not necessary.

Notification Requirements – If the need for leave is foreseeable, the employee must give notice to the Department Head at least thirty calendar days prior to the commencement date of the unpaid leave. This notice may be written or verbal, however, additional medical certification may be required for final approval of the absence as qualifying under the FMLA. The failure of an employee to give thirty days' notice of foreseeable leave with no reasonable excuse for the delay may result in the delay of the employee taking the FMLA leave until thirty days from the date of notice. When the need for leave is unforeseeable, notification must be provided as soon as possible and practical.

Extension of Original Leave Request – In the event the employee needs to extend the duration of the leave beyond the time frame originally approved, the must submit a written request seeking approval for the extension.

Status Reports – The employee must periodically update the appropriate Department Head as to the employee's status and intent to return to work.

Medical Certification – The employee may be required to produce a medical certification issued by a health care provider which supports the need for a leave under this policy. When required, the employee must provide a copy before the leave begins, or if the leave was unforeseeable, no later than fifteen calendar days from the date the certification was requested. Failure to submit medical certification may jeopardize the employee's eligibility for an unpaid leave of absence and/or the ability to return to work. Medical certification forms are available from the Comptroller's office. The medical certification must include:

- The date the medical condition began;
- The probable duration of the medical condition;
- Pertinent medical facts; and,
- An assertion that the employee is unable to perform the employee's essential job functions or that the employee is needed to care for a family member for a specified period of time.

The Town of Thompson reserves the right to request a second opinion by another health care provider. The Town will pay for the second opinion. In the event a conflict occurs between the first and second opinion, the Town may, again at its own expense, obtain a third opinion from a health care provider approved jointly by the Town and the employee. This third opinion will be final and binding.

Leave for the Birth, Adoption or Foster Care Placement of a Child – Leave for the birth of a child or the placement of a child for adoption or foster care must conclude within twelve months from the date of the birth or placement.

Certification for Adoption/Foster Care – An employee must produce proper certification from the appropriate agency for an unpaid leave for the adoption or foster care of a child.

Employment Restrictions During Leave of Absence – While on an approved leave, the employee may not be employed by another employer during the same hours that the employee was normally scheduled to work for the Town of Thompson.

Use of Accrued Paid Leave Credits – For the purpose of this policy, the following will apply:

- An employee taking leave for the **birth, adoption or foster placement of a child, to care for a spouse, child or parent with a serious health condition or military caregiver leave** must first use all available vacation leave credits during the authorized FMLA leave. Use of these leave credits does not extend the maximum allowable period specified by FMLA regulations.
- For leaves taken due to the **employee's own serious health condition**, the employee must first use all vacation and sick leave credits, which will be included in the maximum twelve-workweek period.
- In the event that the paid leave credits are greater than the maximum twelve-workweek period, an employee may use paid leave credits to **extend** the leave of absence beyond the twelve-workweek period, **up to a maximum of one year**. If, after the completion of the one-year leave of absence, the employee is medically unable to return to work (as determined by a health care provider) and the employee has leave credits remaining, the Town Board may authorize an extension of the employee's leave of absence until such benefits are exhausted. However, job reinstatement beyond the one-year leave of absence is not automatic and will be dependent upon job availability, in accordance with Civil Service Law Sections 71, 72 and 73, as applicable, and the *Rules for the Classified Civil Service of the County of Sullivan*.

Continuation of Benefits – For the purpose of this policy, the following will apply:

- **Accrual of Paid Leave Credits** – An employee will continue to accrue vacation and sick leave and receive holiday pay during the portion of the leave that is paid. Paid leave is defined as leave during which the employee continues to use accumulated paid vacation and sick leave. After all such paid leave is exhausted, the remaining leave of absence is unpaid. An employee will not earn paid vacation or sick leave or receive holiday pay for any holidays that may occur during an unpaid leave of absence.
- **Medical Insurance** – During the period of authorized FMLA leave of absence, an employee's eligibility status for medical insurance coverage will not change. (In the event the employee has accumulated paid leave credits that extend beyond the twelve workweek period, the employee should refer to Section 712 – Workers Compensation regarding additional medical insurance coverage provisions.) All employee contributions (if any) must be paid on a timely basis in order to maintain the continuous coverage of benefits. Contributions will be at the same level as if the employee was working. Coverage will cease if payments are not made within a thirty-calendar day grace period of the due date. Premium payments or policy coverage are subject to change. In the event the employee fails to return to work after the designated period of FMLA leave has been exhausted, the employee may continue coverage with responsibility for payment of the full premium amount under COBRA (see Section 710) provisions. In addition, the Town may recover the premium that it paid for maintaining the coverage during any period of the unpaid leave except for the following circumstances:
 - * The continuation, recurrence, or onset of a serious health condition of the employee or the employee's family member, which would otherwise entitle the employee to leave under the FMLA, with proper medical certification; or,

- * Circumstances beyond the employee's control, such as: parent chooses to stay home with a newborn child who has a serious health condition; employee's spouse is unexpectedly transferred to a job location more than 75 miles from the employee's work-site; the employee is laid off while on leave.

Workers' Compensation – Leaves taken under the Workers' Compensation Law may invoke the FMLA if the employee meets the eligibility criteria outlined in the eligibility section and the Town designates such leave as FMLA leave and properly notifies the employee of such designation. In accordance with the FMLA, if an employee has elected to receive workers' compensation benefits, the Town cannot require the employee to use paid leave credits during this period of leave, however, the employee may choose to do so to supplement those benefits to equal but not exceed their normal rate of pay. If the workers' compensation leave has been properly designated as FMLA leave by the Town, it can be counted against the employee's FMLA leave.

In addition to leave provided under the Family and Medical Leave Act, employees may be eligible for a leave of absence pursuant to Civil Service Law Section 71. Section 71 provides that **covered** employees shall be entitled to a leave of absence for at least one cumulative year (unless found to be permanently disabled) when disabled due to an occupational injury or disease as defined in the Workers' Compensation Law. This leave runs concurrently with the designated Family and Medical Leave. Employees should consult with their Department Head for further details regarding this provision.

Return to Work – The following conditions for returning to work will apply:

- **Job Restoration** – At the conclusion of the leave of absence, (except for leaves beyond a one-year period) the employee, provided that the employee returns to work immediately following such leave, will be restored to the position the employee held when the leave began, or an equivalent position with equivalent benefits, pay and working conditions. For authorized leave of absences beyond the one-year period, job restoration will be dependent upon job availability, in accordance with Civil Service Law Sections 71, 72 and 73, as applicable, and the *Rules for the Classified Civil Service of the County of Sullivan*.
- **Medical Statement** – Before resuming employment, an employee must submit a statement from the employee's health care provider indicating that the employee is able to return to work either with or without restrictions. Failure to return to work when required may be considered a voluntary termination.
- **Early Return** – An employee who intends to return to work earlier than anticipated must notify the Department Head at least two business days prior to the date the employee is able to return. The Department Head shall in turn notify the Town Supervisor.

600 COMPENSATION

601 *Wage and Salary*

Rate of Pay – An employee's rate of pay will be established by the Town Board.

Longevity Recognition – Employees hired prior to January 1, 2000, will be eligible to receive longevity pay. After an employee has completed the number of years of service listed below, the employee will receive the corresponding longevity payment on the first day of the following anniversary year (i.e. after completing 5 year of service, the employee will receive their longevity payment on the first day of year 6). The employee will receive the same longevity payment each year until they are eligible to receive the next higher threshold:

Years of Service Completed:	Longevity Payment:
20 years	\$575

Bargaining Unit Employees – An employee who is a member of a collective bargaining unit is not covered by the Wage and Salary provisions set forth above and should refer to the applicable collective bargaining agreement.

602 *Flexible Scheduling and Overtime*

Flexible Scheduling (Non-Exempt Class Employees) – Under certain circumstances, and in the best interests of the Town, an employee may be required to begin and/or end a given workday at a time that deviates from their normal work hours. Any such non-standard work schedule requires prior approval by the Town Supervisor and/or appointing authority, who will take into consideration operational requirements and other factors as appropriate.

Overtime – In accordance with the Fair Labor Standards Act, an FLSA non-exempt employee will be paid one and one-half times the employee's regular hourly rate of pay for all authorized time worked over forty hours in a given workweek.

For employees who regularly work thirty-five hours in a given workweek, the employee will receive flex-time hours (at one hour accumulated for one hour worked) for all hours worked between thirty-five and forty hours in the workweek.

Only time actually worked will be included in computation of overtime hours. Paid leave (e.g. personal leave, vacation leave, sick leave, holidays, etc.) will not be included as time worked for the purpose of computing overtime.

Flex-Time (Exempt Class Employees) – The Town recognizes that exempt employees by nature of their positions and in accordance with the Fair Labor Standards Act, are not entitled to receive overtime pay or compensatory time for time worked in excess of the regularly scheduled workweek, which may be a regular occurrence due to the position's responsibilities.

The Town also recognizes that exempt employees may need to attend a variety of Town Board, Planning Board, Zoning Board, Recreation Commission, and other special meetings, which are generally held outside the employee's normal workday.

Those employees who are required by their job to work beyond the normal workday or workweek, shall be eligible to receive flex-time calculated at a rate equal to one hour earned for every one hour spent attending to such requirements. The Town Supervisor, in his or her discretion, shall have the final say in determining whether or not a situation qualifies for the earning of flex-time under this policy.

Flex-time must be used during the calendar year in which it is earned and cannot be carried into the following year, without exception. In no case will approval be granted if the exempt employee's department is not adequately staffed or if the work load does not permit.

Flex-time will not be paid out in cash at the time of the employee's separation from employment. Any flex-time not used at the time of separation shall be forfeited by the employee.

In accordance with the Fair Labor Standards Act, FLSA exempt employees will not be paid for overtime nor receive "compensatory time" for any hours worked in excess of the employee's normal workday or workweek.

Bargaining Unit Employees – An employee who is a member of a collective bargaining unit shall receive overtime compensation in accordance with the overtime provision of the applicable collective bargaining agreement and is also subject to the provisions of the FLSA.

603 *Pay Period and Check Distribution*

Payroll Period – Normally, employees are paid on a bi-weekly basis. An employee's paycheck will be based on the amount earned during the preceding payroll period. Certain employees may be paid on a different schedule as established by the Town Board.

Payday – Under normal circumstances, paychecks will be issued on a Friday. In the event the payday is a designated holiday, paychecks will be distributed on the previous workday.

Distribution – The Confidential Secretary to the Supervisor will deliver paychecks to the Department Heads for further distribution to employees.

Direct Deposit – The Town provides a direct deposit option for employees. If elected, the paycheck will be deposited directly into the employee's account at the designated financial institution. The employee must submit a signed, written authorization for direct deposit to the Confidential Secretary to the Supervisor.

604 *Payroll Deductions*

Statutory Deductions – The required portion of an employee's pay for federal and state taxes, and any other deduction required by law, will be deducted from the employee's paycheck. Such deductions will be noted on the paycheck.

Voluntary Deductions – Payroll deductions provided through the Town's payroll system will be made from an employee's paycheck when authorized by the employee. Such deductions will be noted on the paycheck.

605 *Deferred Compensation Plan*

Summary – The Town of Thompson has established a Deferred Compensation Plan whereby a portion of an employee's salary may be voluntarily withheld and invested. The money saved is paid out to the employee at a later date, generally during retirement years. Neither the deferred amount nor earnings on investments are subject to current Federal and State Income Taxes. Taxes become payable when the deferred income plus earnings are distributed to the employee. A description of the plan may be obtained from the Comptroller's office.

Vacation leave is based on the average number of hours an employee is normally scheduled to work each week. An employee may take vacation leave only after it has been credited. Continuous Service – Continuous Service shall mean uninterrupted service. An authorized leave of absence without pay, or a resignation followed by reinstatement within one year following such resignation, shall not constitute an interruption of continuous service. However, the duration of the absence from work without pay will be excluded from the computation of length of continuous service. Vacation is earned only for monthly pay periods during which an employee is in full pay status for at least fifteen working days during such monthly pay period.

Scheduling – Vacation time is normally scheduled based on the date of the request received. An employee must receive prior written approval from the employee's Department Head to take vacation time. The Department Head will have total discretion in the approval of vacation time. The Town reserves the right to designate when some or all of an employee's vacation time is taken, based upon program, administration and other Town needs. If an employee is called in to work while the employee is on vacation time, then the employee shall be entitled to compensation at time and one half plus compensatory time of one full day, whether or not a full day of vacation time is consumed, for a day or part of a day that the employee is called in to work. Vacation leave credits may not be used in increments of less than one-half hour.

Accumulation – All or part of vacation time may be postponed from one year to another, provided that the employee sends such request in writing to the Town Supervisor, and the Town Supervisor, at their discretion, may authorize such postponement in writing; provided, however, that the postponed vacation time is used by the employee within six (6) months of their anniversary date of employment, and if not used, said vacation leave shall be deemed waived.

To be eligible to receive this payment, an employee who is to resign or retire must give written notice at least two weeks in advance of the last day of employment. In the event an employee leaves employment due to disciplinary action, the employee will not receive a settlement for unused vacation leave. In cases of death of an employee, the Town will pay an employee's designated beneficiary for any unused vacation leave.

Bargaining Unit Employees – An employee who is a member of a collective bargaining unit is not covered by the Vacation Leave provisions set forth immediately above and should refer to the applicable collective bargaining agreement.

Eligibility – A full-time employee is eligible for paid sick leave in accordance with this policy. A part-time, temporary, or seasonal employee is not eligible for paid sick leave.

Allowance – Beginning upon hire, a full-time employee will accrue 14 days of sick leave annually at the rate of one day per month, with an extra day credited at the end of each six months. Partial months at hire or separation are prorated. For bookkeeping purposes, sick time may be credited (booked) a year in advance but sick leave cannot be taken before it has been accrued.

Accrual During Leaves of Absence – An employee will be credited with sick leave credits while on a paid leave of absence, but not while on an unpaid leave of absence.

Notification of Sick Leave – In the event an employee must take sick leave, the employee must notify the Department Head before the employee's scheduled reporting time. The notification must be made personally to the Department Head, unless the Department Head authorizes the use of an answering device for this purpose. Unless an extended sick leave absence has been authorized, the employee must notify the employee's Department Head each day of the absence. These procedures must be followed to receive paid sick leave.

Proper Use of Sick Leave – Sick leave cannot be taken before it is accrued. An employee may use sick leave credits for personal injury or illness that inhibits the employee's work. Sick leave is also available for planned, routine medical or dental appointments needed to maintain the staff member's good health. Note: When possible, routine medical and dental appointments should be arranged to minimally impact the Town's work requirements. Sick leave may not be used in increments of less than one-half hour.

****When calling out sick, an employee must call and leave a message for the Department Head or other designated person before the start of the schedule workday or as soon thereafter it is known the employee will not be at work.

Medical Verification – The Town may require medical verification of an employee's absence if the Town perceives the employee is abusing sick leave, or has used an excess amount of sick leave, or when an employee is absent for more than three consecutive workdays due to an illness or injury. The Town reserves the right to require medical verification of an employee's ability to resume work duties, with or without restrictions, following an absence due to an injury or illness resulting in physical impairment(s). If an employee is on an authorized leave of absence, the provisions of the Family and Medical Leave Policy in this Employee Handbook shall apply.

Accumulation – An employee may accumulate sick leave credits to a maximum of 165 days. It is important to recognize that paid sick leave can provide income protection and continued medical insurance coverage in the event the employee is unable to work for a long period of time due to illness or injury. Therefore, each employee should take care to manage the use of sick leave to ensure adequate time is available should such a need arise.

An employee who exceeds 165 days of sick leave will receive one-half-days pay, at their current rate of pay, for each additional sick leave day in excess of 165 days. An employee can request, in writing, to get paid at 150 days.

Abuse of Sick Leave – An employee who, after investigation, is found to have abused the use of sick leave or falsifies supporting documentation, will be subject to disciplinary action.

Family Sick Leave – An employee may use sick leave credits for family illness, injury or to bring a dependent to a doctor's appointment. Such leave will be subtracted from the employee's accumulated sick leave credits. For purpose of family sick leave, "immediate family member" will mean the employee's parent, spouse or child, including step-child and foster child.

Sick Leave Credits Upon Retirement – The Town has adopted Section 41(j) of the Retirement and Social Security Law (RSSL) that provides a retirement sick leave benefit. Members of the New York State and Local Retirement System (NYSLRS) may receive additional service credit for unused, unpaid sick leave at retirement. The additional credit is determined by dividing the total unused, unpaid sick leave days by 260. For most Tiers, the maximum number of creditable sick leaves is 165 days. Most Tier 6 ERS members can receive up to 100 days of additional credit.

Separation of Employment – An employee whose employment with the Town is terminated for any reason, including retirement, will not receive cash payment for unused sick leave.

Donation and Use of Sick Leave – An employee who has used all of their accumulated sick leave and needs additional sick days shall be permitted to receive not more than ten sick days in any calendar year which are donated by other employees of the Town. Such donation shall be subject to the approval of the Town Supervisor or the Town Board and the accumulation provisions above.

Bargaining Unit Employees – An employee who is a member of a collective bargaining unit is not covered by the Sick Leave provisions set forth immediately above, **except** for Proper Use of Sick Leave, Medical Verification, and Abuse of Sick Leave, and should refer to the applicable collective bargaining agreement.

704 *Personal Leave*

Eligibility – A full-time employee is eligible for paid personal leave in accordance with this policy. A part-time, temporary, or seasonal employee is not eligible for paid personal leave.

Allowance – A full-time employee will be credited with four days of paid personal leave on an annual basis. The employee will be credited on their anniversary date each year. Personal leave is based on the average number of hours an employee is normally scheduled to work each week. An employee may take personal leave only after it has been credited.

Scheduling – An employee must receive prior written approval from the employee's Department Head to take personal leave. The Department Head will have total discretion in the approval of personal leave. Personal leave may not be used in increments of less than one-half hour.

Accumulation – An employee may not accumulate personal leave credits. Any personal leave credits remaining unused at close of business on the last day of the anniversary year will be canceled.

Separation of Employment – An employee whose employment with the Town is terminated for any reason, including retirement, will not receive cash payment for unused personal leave.

Bargaining Unit Employees – An employee who is a member of a collective bargaining unit is not covered by the Personal Leave provisions set forth immediately above, **except** for Proper Use of Personal Leave and Scheduling, and should refer to the applicable collective bargaining agreement.

705 *Disclosure of Insurance Benefits*

Summary – The following is a brief description of the insurance benefits currently offered by the Town to eligible employees. Eligibility for benefits is dependent upon a variety of factors, including employment classification and length of service. The description of the benefits provided is only an overview. The plan documents or specific government regulation provide a full description of the specific benefit.

Plan Administrator – The Confidential Secretary to the Supervisor serves as the Administrator of the Town's benefits plans. The Administrator is responsible for all communications and disclosures concerning Town benefits and is available to answer questions concerning the benefit plans. A description of each of the plans may be obtained from the Confidential Secretary to the Supervisor.

Plan Documents – Benefits are administered according to applicable government regulation, benefit plan documents, insurance carrier master policy, or Town policy. Should there be a discrepancy between the information presented in this Employee Handbook and the benefit plan document, the Town Board has the discretionary authority to determine eligibility for benefits and to interpret the plan's terms. The Town Board is responsible for compliance with all applicable laws and regulations. The Town Board may, at its discretion, change carriers and/or offer alternative insurance plans for non-bargaining unit employees.

Changes in Benefits – Any benefit offered by the Town to non-bargaining unit employees or Elected Officials is subject to change or discontinuance by resolution of the Town Board. Changes in benefits for bargaining unit employees shall be in accordance with collective bargaining negotiations and/or procedures.

Waiver of Benefits – An employee who is eligible to participate in any of the available insurance plans but who elects not to participate must sign an appropriate waiver of enrollment form.

Enrollment Information – The Confidential Secretary to the Supervisor will provide the employee with the enrollment forms and assist with the administrative and operational aspects of the various insurance plans. Enrollment in a benefit plan is not automatic. Employees must complete the appropriate enrollment forms and applicable payroll deduction authorizations in order to receive benefits.

Changes in Status – Employees whose status changes from full-time to part-time are notified of the changes to their Town benefits. This notification contains all legally mandated information regarding applicable benefits, including COBRA health insurance continuation. An employee must immediately notify the Confidential Secretary to the Supervisor in the event that the employee has a change in marital or family status that may affect coverage, such as marriage, divorce, legal separation, death of a spouse or dependent, acquiring or losing a dependent, changes in address.

Beneficiary – Under some of the Town's benefit plans, each employee must designate a beneficiary for the employee's death benefits. This designation must be made in writing and on the form provided by the plan Administrator.

706 **Medical Insurance**

Eligibility – The Town currently offers medical insurance coverage to each full-time employee, designated appointed public officers, and Elected Officials and their eligible family members, including eligible domestic partners. A part-time public officer, part-time, temporary, or seasonal employee is not eligible for medical insurance coverage. Members of the Planning, Zoning and Assessment Review Boards are also not eligible for medical insurance coverage.

When Coverage Begins – Coverage will begin on the employee's first day of employment or for designated appointed public officers and Elected Officials, the first day of office, provided all eligibility requirements of the insurance plan are met.

When Coverage Ends – Coverage ends on the last day of the month in which the employee or designated appointed public officer separates from employment or the Elected Official ends elected service. Coverage may continue for such eligible employees and Elected Officials in accordance with COBRA regulations. Coverage will continue for eligible retirees in accordance with Town policy and plan documents.

Premium Contribution (Hired or took office before March 5, 2013) – Any eligible employee, designated appointed public officer, or Elected Official who was hired or took office prior to March 5, 2013, will not be required to contribute to their medical insurance premium payment.

Premium Contribution (Hired or took office after March 5, 2013) – An eligible employee, designated appointed public officer, or Elected Official will be required to contribute a maximum of \$750 per year toward the premium payment for individual medical insurance coverage. An eligible employee, designated appointed public officer, or Elected Official who elects to receive family coverage will be required to pay a maximum of \$1,500 annually.

Death of an Active Employee – If an eligible employee, who is receiving medical insurance through the Town, dies during their employment with the Town, the Town will continue to pay their contribution toward the premium payment for family medical insurance coverage for up to one year following the employee's death, and after any extended benefit period provided by the insurance company.

If an employee who has a minimum of twenty years of full-time service working for the Town, dies while an active employee, and has a family plan with dependents, the Town will maintain health insurance benefits for the dependents of the employee, who were covered under the Town's insurance plan, at the time of the employee's death, at the same contribution rate that the employee had paid at the time of their death.

Pre-Tax Insurance Premiums – The employee's contribution towards the health insurance premium will be paid with pre-tax dollars. Deductions are taken from the employee's paycheck before federal, state, and social security taxes are calculated. This reduces the employee's taxable income and increases net take-home pay.

Changes in Premium Contributions – The amount of the insurance premium an employee, designated appointed public officer, or Elected Official is required to contribute is subject to change by resolution of the Town Board. The Town Board will provide a two-month written notice of such change.

Bargaining Unit Employees – An employee who is a member of a collective bargaining unit is not covered by the Medical Insurance provisions set forth immediately above and should refer to the applicable collective bargaining agreement.

707 Medical Insurance Buy-out

Eligibility – A full-time employee, designated appointed public officer, or Elected Official who is eligible for medical insurance coverage made available through the Town may receive a cash buy-out in lieu of receiving medical insurance benefits. To be eligible for the medical insurance buy-out, the employee must provide documentation of comparable medical insurance coverage in a manner and form to be determined by the Town and sign an appropriate waiver of medical insurance coverage and waiver of liability to the Town on an annual basis, before December 31st of each year. The medical insurance buyout is not applicable in a situation in which two employees are married or in a family relationship that makes both eligible for coverage under the same medical insurance plan.

Amount of Buy-out – An eligible employee, public officer, or Elected Official who is eligible for the medical insurance buy-out will receive \$2,500 for individual coverage or \$5,000 for family coverage, whichever the case may be.

If two or more employee family members are eligible to receive a buy-out (not covered under a Town plan), the maximum total buy-out for all is one family buy-out amount.

Effective January 1, 2024, in the event than an employee, who is otherwise eligible for family coverage, opts for individual coverage, and their eligible dependents receive medical insurance coverage through other means (for example, an ex-spouse), the employee will receive a medical insurance buy-out of \$2,500.

Method and Form of Payment – Payment of the buy-out will be made in quarterly installments. This payment is in addition to the compensation and/or salary to which the employee is otherwise entitled and will be treated as part of the employee's gross income and will be subject to the appropriate withholding for income and payroll tax purposes. Payments made to an employee under the provisions of this buy-out option are excluded from NYS Retirement System earnings calculations.

Reinstatement – In the event the employee loses coverage under the alternate insurance plan, the employee may resume coverage under a medical insurance plan made available through the Town. Coverage will become effective in accordance with the provisions specified in the plan documents, provided that the employee meets all eligibility requirements of the insurance plan. Upon reinstatement, the employee must refund the portion of the payment received for the period in which the Town will subsequently provide coverage for said employee.

Changes – This policy may be changed or eliminated at any time by resolution of the Town Board.

Bargaining Unit Employees – An employee who is a member of a collective bargaining unit is not covered by the Medical Insurance Buy-out provisions set forth immediately above and should refer to the applicable collective bargaining agreement.

708 *Medical Insurance for Retirees*

Coverage – The Town currently offers medical insurance coverage to an eligible full-time employee, designated appointed public officer, or Elected Official who retires from the Town. Coverage is also currently available for eligible dependents (includes spouse) if they were covered under the Town’s medical insurance plan at the employee’s date of retirement. In the event the retiree predeceases the dependents, the dependents may continue medical insurance coverage and the Town will continue to pay their contribution toward the premium cost. Coverage of a dependent at the time of divorce or legal separation is in accordance with plan documents and COBRA requirements.

Eligibility – To be eligible for coverage, the retiree must meet each of these requirements: 1) have at least ten years of insurance benefit eligible service with the Town (the two most recent years prior to retirement must have been as a benefit eligible employee of the Town); 2) have retired directly from the Town; and, 3) be qualified for a retirement benefit from the New York State Employees’ Retirement System. Notwithstanding the above, an employee who leaves employment due to disciplinary action is not eligible for medical insurance coverage for retirees. These eligibility requirements are subject to change by resolution of the Town Board.

Plan – The Town will make available the same medical insurance plans offered to then current employees. The Town Board may, at its discretion, change the plans at any time, including, but not limited to, type of coverage, retiree contributions, and type of carrier. Coverage under a medical insurance plan made available through the Town will continue until the retiree or eligible spouse, as the case may be, meets the eligibility criteria for Medicare coverage, at which time primary coverage will be provided by Medicare. At that time, the retiree and eligible spouse may be required to change medical insurance plans in order to maintain supplemental coverage.

Changes in Premium Contributions – The amount of the insurance premium a retiree or retiree’s spouse is required to contribute is subject to change by resolution of the Town Board. The Town Board will provide a two-month written notice of such change.

Medical insurance for retirees is subject to any and all New York State Retirement and health insurance policies and regulations.

Bargaining Unit Employees – An employee who is a member of a collective bargaining unit is not covered by the Medical Insurance for Retirees provisions set forth immediately above and should refer to the applicable collective bargaining agreement.

709 *Dental and Optical Plans*

Eligibility – The Town currently offers dental and optical insurance benefits to each full-time employee, full-time appointed public officer, and full-time Elected Official who works at least thirty-five hours per week. A part-time Elected Official or part-time, temporary or seasonal employee is not eligible for this plan. Members of the Planning, Zoning and Assessment Review Boards are also not eligible for dental and optical insurance coverage.

When Coverage Begins – Coverage will begin on the first day of the month following the completion of one month of employment, provided the employee meets all eligibility requirements of the dental plan.

Premium Contribution – The full-time employee, full-time appointed public officer, or full-time Elected Official must pay the full premium for an individual or family dental or optical plan.

Plan – Dental and optical insurance coverage is subject to any and all insurance policies and procedures, and any applicable state and federal regulations.

Bargaining Unit Employees – An employee who is a member of a collective bargaining unit is not covered by the Dental and Optical Plans provisions set forth immediately above and should refer to the applicable collective bargaining agreement.

710 *Continuation of Health Insurance Benefits (COBRA/NYS Continuation Coverage)*

Summary – The federal Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) offers “qualified beneficiaries” the right to continue existing health insurance coverage, completely at their own expense, under certain qualifying conditions. **All required premiums and administrative fees must be paid in a timely manner in order for coverage to continue.**

NYS Continuation Coverage – For purposes of this policy, references to COBRA will be considered to incorporate the requirements for “Continuation Coverage” set forth in NYS Insurance Law, which provides enhancements over and above the provisions of COBRA.

Eligibility – An individual is a “qualified beneficiary” if the individual is covered under a group health plan on the day before a qualifying event as either a covered employee or Elected Official, the spouse of a covered employee or Elected Official, or a dependent child of a covered employee or Elected Official. A child who is either born to or who is placed for adoption with the covered employee or Elected Official during a period of COBRA coverage is also a “qualified beneficiary” entitled to COBRA coverage.

Period of Coverage – COBRA coverage is in effect for a period of **up to thirty-six months**, following any qualifying event. The COBRA requirements do not put any limit on the number of times a qualified beneficiary may be entitled to COBRA continuation coverage.

Qualifying Events – If a qualified beneficiary loses coverage under a group health plan as a result of a “qualifying event,” the qualified beneficiary is entitled by COBRA to the continuation of group health insurance coverage at the qualified beneficiary’s own expense. Any of the following circumstances are considered to be qualifying events:

- Termination of the covered employee’s (or Elected Official’s) employment for any reason except gross misconduct, or the covered employee’s loss of eligibility to participate due to reduced work hours.
- When a covered employee is on a leave of absence due to military service obligations.
- Death of a covered employee or Elected Official.
- Divorce or legal separation from a covered employee or Elected Official.
- A covered dependent ceases to be a “dependent child” under the health insurance plan.
- A covered dependent child’s loss of eligibility to participate in the insurance plan due to the covered employee or Elected Official becoming covered by Medicare as a result of total disability or choosing Medicare in place of the insurance plan at age sixty-five.

Change in Beneficiary Status – An employee or Elected Official must notify the Confidential Secretary to the Supervisor within sixty calendar days of a legal separation or divorce or when a dependent is no longer eligible for insurance due to the age limitations or educational status requirements established by the insurance plan. The Town will not be responsible for any loss of coverage resulting from failure by the employee or Elected Official to give notification of such an event.

Enrollment Information – The Confidential Secretary to the Supervisor will provide the employee or Elected Official with the enrollment forms and assist with the administrative and operational aspects of COBRA. **Enrollment is not automatic. The employee or Elected Official must complete the necessary enrollment forms and return all COBRA forms to the Confidential Secretary to the Supervisor within the time indicated.** If the required forms or premium payments are not received at the time specified, medical insurance coverage will cease.

711 Optional Insurance

Summary – The Town may make available optional life, dental, disability, cancer, accidental, or other forms of insurance. The full cost of such insurance shall be borne by the employee, the premiums of which may be voluntarily withheld from the employee’s salary. Please contact the Confidential Secretary to the Supervisor for further information on optional insurance plans.

712 Workers' Compensation Benefits

Coverage – The Town will make available Workers' Compensation benefits, including payment of medical costs and replacement of lost wages up to the regulated maximum, to each eligible employee who suffers an accidental injury arising out of and in the course of employment, as determined by the Workers' Compensation Board. Eligibility for coverage is determined by applicable Workers' Compensation regulations.

When Coverage Begins – Coverage will begin on the employee's first day of employment, provided the employee meets all eligibility requirements.

Premium Payment – The Town will pay the full premium for Workers' Compensation coverage for each eligible employee.

Reporting of Injury – The employee must report any accidental injury arising out of and in the course of employment to the Department Head immediately after the occurrence of the injury. The Department Head will complete and submit the required forms. The employee must also complete an "Employee Claim Form C-3" and submit it directly to the Workers' Compensation Board. The employee's Department Head will provide the employee with the necessary form.

Use of Sick Leave Credits – An employee may draw from the employee's sick leave credits in conjunction with Workers' Compensation payments to equal, but not exceed, the employee's regular daily rate of pay.

Medical Insurance Coverage – The Town will continue medical insurance coverage for the employee in accordance with the provisions of the Family and Medical Leave Policy in this Employee Handbook.

Bargaining Unit Employees – An employee who is a member of a collective bargaining unit is not covered by the Use of Sick Leave Credits provision set forth immediately above, and should refer to the applicable collective bargaining agreement.

An employee who is appointed to a permanent, full-time position on a probationary basis must join the Retirement System on the effective date of the probationary appointment. 800 COMPLIANCE POLICIES

801 *Equal Employment Opportunity Policies*

801A *Equal Employment Opportunity*

Policy Statement – The Town of Thompson is an Equal Opportunity Employer. The Town does not unlawfully discriminate on the basis of sex, (including gender identity or expression and the status of being transgender), sexual orientation, race, color, national origin, citizenship, religion, disability, pregnancy, age, marital status, veteran status, military status, arrest or conviction record, genetic information or genetic predisposition or carrier status, domestic violence victim status, or any other protected class or status. Likewise, the Town prohibits employees, Elected Officials, vendors, suppliers, visitors, customers, and any other non-employee from discriminating against Town employees based on these protected groups. Discrimination based on any of the above is strictly prohibited. This policy applies to all terms and conditions of employment, including, but not limited to, hiring, placement, compensation, promotion, transfer, training, leave of absence, and termination.

Notification of Policy Violations – An employee should immediately report any perceived violation of this policy to the employee's Department Head. In the event the employee is unable to discuss this matter with the Department Head, the complaint should be reported in writing to the Town Supervisor or any member of the Town Board. All complaints of discrimination will be investigated discreetly and promptly. This procedure is not intended to restrict an individual's rights to make a complaint to a federal or state agency. An employee who reports discrimination will not suffer adverse employment consequences as a result of making the complaint.

Prohibition Against Retaliation – Retaliation against any employee who brings a written or verbal complaint of discrimination or who assists or participates in the investigation of such a complaint is strictly prohibited. The Town will not tolerate or permit adverse treatment of employees because they report discrimination or provide information related to such complaints, or who otherwise oppose an unlawful employment practice. Any employee who participates in the procedure may do so without fear of retaliation. Violations of this policy may result in disciplinary action up to and including termination of employment.

Application of Policy – This policy is for Town use only and does not apply in any criminal or civil proceeding. This policy shall not be construed as a creation of higher legal standard of safety or care in an evidential sense with respect to third party claims. Violations of this policy will only form the basis for Town administrative action. Violations of law will form the basis for civil and criminal sanctions in a recognized judicial setting.

801B The Pregnant Workers Fairness Act (PWFA)

Policy Statement – It is the policy of the Town of Thompson to comply fully with the provisions of the Pregnant Workers Fairness Act (PWFA).

Reasonable Accommodation – The Town will provide reasonable accommodations to employees necessitated by pregnancy, childbirth, or related medical conditions unless doing so would impose an undue hardship on the Town. The Town strives to provide a reasonable accommodation through an interactive approach with the pregnant employee, whereby the employee can meet with the appropriate staff to discuss how the employee's needs might reasonably be met. An example of reasonable accommodations include, among others, light-duty assignments, additional or longer breaks, a change in uniform requirements, eliminating exposure to certain toxins, or modifications to the employee's work schedule. The Town will not deny an employment opportunity to an employee to avoid making an accommodation or force an employee to take leave if an accommodation would make continued work possible.

Prohibition Against Retaliation – The Town prohibits retaliation of an employee who requests or uses an accommodation.

Pre-Employment Inquiries – Pre-employment inquiries are made only regarding an applicant's ability to perform the duties of the position and not any disabling condition which includes pregnancy.

Notification of Policy Violations – An employee should immediately report any perceived violation of this policy to the employee's Department Head. In the event the employee is unable to discuss this matter with the Department Head, the complaint should be reported in writing to the Town Supervisor or any member of the Town Board. Policy Statement – It is the policy of the Town of Thompson to comply fully with the provisions and spirit of the Americans with Disabilities Act and ensure equal employment opportunity for all qualified persons with disabilities. All employment practices, such as recruitment, hiring, promotion, demotion, layoff and return from layoff, compensation, job assignments, job classifications, paid or unpaid leave, fringe benefits, training, employer-sponsored activities, including recreational or social programs, will be conducted so as not to discriminate unlawfully against persons with disabilities. This also extends to prohibit unlawful discrimination based on a person's relationship or association with a disabled individual. Qualified individuals with disabilities are entitled to equal pay and other forms of compensation (or changes in compensation) along with work assignments, classifications, seniority, leave, and all other forms of employment compensation or advantage.

Reasonable Accommodation – Reasonable accommodation is available to all qualified employees and applicants with disabilities, unless it imposes an undue hardship on the Town and/or operations of a program. The Town may require medical documentation or other information necessary to verify the existence of the disability and the need for accommodation. Following receipt of an accommodation request, the Town will meet with the requestor to discuss and identify the precise limitations resulting from the disability and the potential accommodation(s) that the Town might make to help overcome those limitations.

The Town will determine the feasibility of the requested accommodation considering various factors, including, but not limited to the nature and cost of the accommodations(s), and the accommodation's impact on Town operations.

Pre-Employment Inquiries – Pre-employment inquiries are made only regarding an applicant's ability to perform the duties of the position and not any disabling condition. Pre-employment physical exams will only be requested when in compliance with the law. The Town of Thompson intends to base employment decisions on principles of equal employment opportunity and nondiscrimination, as defined by law.

Notification of Policy Violations – An employee should immediately report any perceived violation of this policy to the employee's Department Head. In the event the employee is unable to discuss this matter with the Department Head, the complaint should be reported in writing to the Town Supervisor or any member of the Town Board. Violations of this policy will only form the basis for Town administrative action. Violations of law will form the basis for civil and criminal sanctions in a recognized judicial setting.

803 *Right to a Harassment and Discrimination Free Workplace*

Purpose and Goals

The Town of Thompson is committed to maintaining a workplace free from harassment and discrimination. Sexual harassment is a form of workplace discrimination that subjects an employee to inferior conditions of employment due to their gender, gender identity, gender expression (perceived or actual), and/or sexual orientation.

While this policy is focused on sexual harassment and gender discrimination, the methods for reporting and investigating discrimination based on other protected identities are the same.

Under the New York State Human Rights Law, it is illegal to discriminate based on sex, sexual orientation, gender identity or expression, age, race, creed, color, national origin, military status, disability, pre-disposing genetic characteristics, familial status, marital status, criminal history, or status as a victim of domestic violence.

The purpose of this policy is to teach employees to recognize discrimination, including discrimination due to an individual's intersecting identities, and provide the tools to take action when it occurs. All employees, Department Heads, and supervisors are required to work in a manner designed to prevent sexual harassment and discrimination in the workplace. This policy is one component of the Town's commitment to a discrimination-free work environment.

Goals of this Policy:

Sexual harassment and discrimination are against the law. After reading this policy, employees will understand their right to a workplace free from harassment. Employees will also learn what harassment and discrimination look like, what actions they can take to prevent and report harassment, and how they are protected from retaliation after taking action. The policy will also explain the investigation process into any claims of harassment. Employees are encouraged to report sexual harassment or discrimination by filing a complaint internally with the Town. Employees can also file a complaint with a government agency or in court under federal, state, or local antidiscrimination laws. To file an employment complaint with the New York State Division of Human Rights, please visit <https://dhr.ny.gov/complaint>. To file a complaint with the United States Equal Employment Opportunity Commission, please visit <https://www.eeoc.gov/filing-charge-discrimination>.

Sexual Harassment and Discrimination Prevention Policy:

1. This policy applies to all employees, supervisors, and Department Heads, whether employed full- or part-time, temporary or seasonal, and interns, whether paid or unpaid. The policy also applies to additional covered individuals. It applies to all Elected Officials, Appointed Members of Boards and Commissions, and volunteers. It applies to applicants for employment, anyone who is (or is employed by) a contractor, subcontractor, vendor, consultant, or anyone providing services in our workplace. These individuals include persons commonly referred to as independent contractors, gig workers, and temporary workers. Also included are persons providing equipment repair, cleaning services, or any other services through a contract with the Town. For the remainder of this policy, we will collectively refer to this group as "covered individuals."

2. Sexual harassment is unacceptable. Any employee or covered individual who engages in sexual harassment, discrimination, or retaliation will be subject to action, including appropriate discipline for employees. In New York, harassment does not need to be severe or pervasive to be illegal. Employees and covered individuals should not feel discouraged from reporting harassment because they do not believe it is bad enough, or conversely because they do not want to see a colleague fired over less severe behavior. Just as harassment can happen in different degrees, potential discipline for engaging in sexual harassment will depend on the degree of harassment and might include education and counseling. It may lead to suspension or termination when appropriate.
3. Retaliation is prohibited. Any employee or covered individual that reports an incident of sexual harassment or discrimination, provides information, or otherwise assists in any investigation of a sexual harassment or discrimination complaint is protected from retaliation. No one should fear reporting sexual harassment if they believe it has occurred. So long as a person reasonably believes that they have witnessed or experienced such behavior, they are protected from retaliation. Any employee of the Town who retaliates against anyone involved in a sexual harassment or discrimination investigation will face disciplinary action, up to and including termination. All employees and covered individuals working in the workplace who believe they have been subject to such retaliation should inform a Department Head, supervisor, or the Town Supervisor. All employees and covered individuals who believe they have been a target of such retaliation may also seek relief from government agencies, as explained below in the section on Legal Protections.
4. Discrimination of any kind, including sexual harassment, is a violation of our policies, is unlawful, and may subject the Town to liability for the harm experienced by targets of discrimination. Harassers may also be individually subject to liability and employers or supervisors who fail to report or act on harassment may be liable for aiding and abetting such behavior. Employees at every level who engage in harassment or discrimination, including Department Heads and supervisors who engage in harassment or discrimination or who allow such behavior to continue, will be penalized for such misconduct.
5. The Town will conduct a prompt and thorough investigation that is fair to all parties. An investigation will happen whenever management receives a complaint about discrimination or sexual harassment, or when it otherwise knows of possible discrimination or sexual harassment occurring. The Town will keep the investigation confidential to the extent possible. If an investigation ends with the finding that discrimination or sexual harassment occurred, the Town will take appropriate action. The Town will also take steps to ensure a safe work environment for the employee(s) who experienced the discrimination or harassment. All employees, including Department Heads and supervisors, are required to cooperate with any internal investigation of discrimination or sexual harassment.
6. All employees and covered individuals are encouraged to report any harassment or behaviors that violate this policy. All employees will have access to a complaint form to report harassment and file complaints. Use of this form is not required. For anyone who would rather make a complaint verbally, or by email, these complaints will be treated with equal priority. An employee or covered individual who prefers not to report harassment to their Department Head or employer may instead report harassment to the New York State Division of Human Rights and/or the United States Equal Employment Opportunity Commission. Complaints may be made to both the Town and a government agency.

Department Heads and supervisors are **required** to report any complaint that they receive, or any harassment that they observe or become aware of, to the Town Supervisor, or if the Town Supervisor is an involved party, to any member of the Town Board.

7. This policy applies to all employees and covered individuals, such as contractors, subcontractors, vendors, consultants, or anyone providing services in the workplace, and all must follow and uphold this policy. This policy must be provided to all employees in person or digitally through email upon hiring and will be posted prominently in all work locations.

What Is Sexual Harassment?

Sexual harassment is a form of gender-based discrimination that is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity, and the status of being transgender. Sexual harassment is not limited to sexual contact, touching, or expressions of a sexually suggestive nature. Sexual harassment includes all forms of gender discrimination including gender role stereotyping and treating employees differently because of their gender.

Understanding gender diversity is essential to recognizing sexual harassment because discrimination based on sex stereotypes, gender expression and perceived identity are all forms of sexual harassment. The gender spectrum is nuanced, but the three most common ways people identify are cisgender, transgender, and non-binary. A cisgender person is someone whose gender aligns with the sex they were assigned at birth. Generally, this gender will align with the binary of male or female. A transgender person is someone whose gender is different than the sex they were assigned at birth. A non-binary person does not identify exclusively as a man or a woman. They might identify as both, somewhere in between, or completely outside the gender binary. Some may identify as transgender, but not all do. Respecting an individual's gender identity is a necessary first step in establishing a safe workplace.

Sexual harassment is unlawful when it subjects an individual to inferior terms, conditions, or privileges of employment. Harassment does not need to be severe or pervasive to be illegal. It can be any harassing behavior that rises above petty slights or trivial inconveniences. Every instance of harassment is unique to those experiencing it, and there is no single boundary between petty slights and harassing behavior. However, the Human Rights Law specifies that whether harassing conduct is considered petty or trivial is to be viewed from the standpoint of a reasonable victim of discrimination with the same protected characteristics. Generally, any behavior in which an employee or covered individual is treated worse because of their gender (perceived or actual), sexual orientation, or gender expression is considered a violation of the Town's policy. The intent of the behavior, for example, making a joke, does not neutralize a harassment claim. Not intending to harass is not a defense. The impact of the behavior on a person is what counts. Sexual harassment includes any unwelcome conduct which is either directed at an individual because of that individual's gender identity or expression (perceived or actual), or is of a sexual nature when:

- The purpose or effect of this behavior unreasonably interferes with an individual's work performance or creates an intimidating, hostile or offensive work environment. The impacted person does not need to be the intended target of the sexual harassment;

- Employment depends implicitly or explicitly on accepting such unwelcome behavior; or
- Decisions regarding an individual's employment are based on an individual's acceptance to or rejection of such behavior. Such decisions can include what shifts and how many hours an employee might work, project assignments, as well as salary and promotion decisions.

There are two main types of sexual harassment:

- Behaviors that contribute to a **hostile work environment** include, but are not limited to, words, signs, jokes, pranks, intimidation, or physical violence which are of a sexual nature, or which are directed at an individual because of that individual's sex, gender identity, or gender expression. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory, or discriminatory statements which an employee finds offensive or objectionable, causes an employee discomfort or humiliation, or interferes with the employee's job performance.
- Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions, or privileges of employment. This is also called **quid pro quo** harassment.

Any employee or covered individual who feels harassed is encouraged to report the behavior so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be discrimination and is covered by this policy.

Examples of Sexual Harassment

The following describes some of the types of acts that may be unlawful sexual harassment and that are strictly prohibited. **This list is just a sample of behaviors and should not be considered exhaustive.** Any employee who believes they have experienced sexual harassment, even if it does not appear on this list, should feel encouraged to report it:

- Physical acts of a sexual nature, such as:
 - Touching, pinching, patting, kissing, hugging, grabbing, brushing against another employee's body, or poking another employee's body; or
 - Rape, sexual battery, molestation, or attempts to commit these assaults, which may be considered criminal conduct outside the scope of this policy (please contact local law enforcement if you wish to pursue criminal charges).
- Unwanted sexual comments, advances, or propositions, such as:
 - Requests for sexual favors accompanied by implied or overt threats concerning the target's job performance evaluation, a promotion, or other job benefits;
 - Subtle or obvious pressure for unwelcome sexual activities; or
 - Repeated requests for dates or romantic gestures, including gift-giving.
- Sexually oriented gestures, noises, remarks or jokes, or questions and comments about a person's sexuality, sexual experience, or romantic history which create a hostile work environment. This is not limited to interactions in person. Remarks made over virtual platforms and in messaging apps when employees are working remotely can create a similarly hostile work environment.

- Sex stereotyping, which occurs when someone's conduct or personality traits are judged based on other people's ideas or perceptions about how individuals of a particular sex should act or look:
 - Remarks regarding an employee's gender expression, such as wearing a garment typically associated with a different gender identity; or
 - Asking employees to take on traditionally gendered roles, such as asking a woman to serve meeting refreshments when it is not part of, or appropriate to, her job duties.
- Sexual or discriminatory displays or publications anywhere in the workplace, such as:
 - Displaying pictures, posters, calendars, graffiti, objects, promotional material, reading materials, or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace;
 - This also extends to the virtual or remote workspace and can include having such materials visible in the background of one's home during a virtual meeting.
- Hostile actions taken against an individual because of that individual's sex, sexual orientation, gender identity, or gender expression, such as:
 - Interfering with, destroying, or damaging a person's workstation, tools or equipment, or otherwise interfering with the individual's ability to perform the job;
 - Sabotaging an individual's work;
 - Bullying, yelling, or name-calling;
 - Intentional misuse of an individual's preferred pronouns; or
 - Creating different expectations for individuals based on their perceived identities:
 - Dress codes that place more emphasis on women's attire;
 - Leaving parents/caregivers out of meetings.

Who Can be a Target of Sexual Harassment?

Sexual harassment can occur between any individuals, regardless of their sex or gender. Harassment does not have to be between members of the opposite sex or gender. New York Law protects all covered individuals described earlier in the policy. **Harassers can be anyone in the workplace.** A Department Head, supervisor, or a coworker can all be harassers. Anyone else in the workplace can also be harassers including an Elected Official, independent contractor, contract worker, vendor, client, customer, constituent, or visitor.

Sexual harassment does not happen in a vacuum and discrimination experienced by an employee can be impacted by biases and identities beyond an individual's gender. For example:

- Placing different demands or expectations on black women employees than white women employees can be both racial and gender discrimination;
- An individual's immigration status may lead to perceptions of vulnerability and increased concerns around illegal retaliation for reporting sexual harassment; or
- Past experiences as a survivor of domestic or sexual violence may lead an individual to feel re-traumatized by someone's behaviors in the workplace.

Individuals bring personal history with them to the workplace that might impact how they interact with certain behavior. It is especially important for all employees to be aware of how words or actions might impact someone with a different experience than their own in the interest of creating a safe and equitable workplace.

Where Can Sexual Harassment Occur?

Unlawful sexual harassment is not limited to the physical workplace itself. It can occur while employees are traveling for business or at employer or industry sponsored events or parties. Calls, texts, emails, and social media usage by employees or covered individuals can constitute unlawful workplace harassment, even if they occur away from the workplace premises, on personal devices, or during non-work hours.

Sexual harassment can occur when employees are working remotely from home as well. Any behaviors outlined above that leave an employee feeling uncomfortable, humiliated, or unable to meet their job requirements constitute harassment even if the employee or covered individual is at home when the harassment occurs. Harassment can happen on virtual meeting platforms, in messaging apps, and after working hours between personal cell phones.

Retaliation

Retaliation is unlawful and is any action by an employer or supervisor that punishes an individual upon learning of a harassment claim, that seeks to discourage a worker or covered individual from making a formal complaint or supporting a sexual harassment or discrimination claim, or that punishes those who have come forward. These actions need not be job-related or occur in the workplace to constitute unlawful retaliation. For example, threats of physical violence outside of work hours or disparaging someone on social media would be covered as retaliation under this policy.

Examples of retaliation may include, but are not limited to:

- Demotion, termination, denying accommodations, reduced hours, or the assignment of less desirable shifts;
- Publicly releasing personnel files;
- Refusing to provide a reference or providing an unwarranted negative reference;
- Labeling an employee as “difficult” and excluding them from projects to avoid “drama;”
- Undermining an individual’s immigration status; or
- Reducing work responsibilities, passing over for a promotion, or moving an individual’s desk to a less desirable office location.

Such retaliation is unlawful under federal, state, and (where applicable) local law. The New York State Human Rights Law protects any individual who has engaged in “protected activity.” Protected activity occurs when a person has:

- Made a complaint of sexual harassment or discrimination, either internally or with any government agency;
- Testified or assisted in a proceeding involving sexual harassment or discrimination under the Human Rights Law or any other anti-discrimination law;
- Opposed sexual harassment or discrimination by making a verbal or informal complaint to management, or by simply informing a Department Head or supervisor of suspected harassment;
- Reported that another employee has been sexually harassed or discriminated against; or
- Encouraged a fellow employee to report harassment.

Even if the alleged harassment does not turn out to rise to the level of a violation of law, the individual is protected from retaliation if the person had a good faith belief that the

practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of harassment.

Reporting Sexual Harassment

Everyone must work toward preventing sexual harassment, but leadership matters. Department Heads and supervisors have a special responsibility to make sure employees feel safe at work and that workplaces are free from harassment and discrimination.

Reports of alleged discrimination and/or harassment (including sexual harassment) or retaliation may be made verbally or in writing. A form for the submission of a written complaint is attached to this policy and individuals are encouraged, but not required, to use this form. If an individual chooses to submit a verbal complaint, such complaint will be documented by the receiver of this complaint, preferably by use of this form. Employees who are reporting sexual harassment on behalf of other employees may use the complaint form and should note that it is on another employee's behalf. A verbal or otherwise written complaint (such as an email) on behalf of oneself or another employee is also acceptable.

Employees and covered individuals are encouraged to report incidents of discrimination, harassment (including sexual harassment), or retaliation to a Department Head and/or the Town Supervisor as soon as possible after the occurrence. If an employee's Department Head is believed to be involved in the incident, or if the employee is not comfortable in addressing the incident with the Department Head, the report should be made directly to the Town Supervisor. If the Town Supervisor is believed to be involved in the incident or the employee or covered individual is not comfortable reporting the incident to the Town Supervisor, the report should be directed to any member of the Town Board.

Employees and covered individuals who believe they have been a target of sexual harassment may at any time seek assistance in additional available forums, as explained below in the section on Legal Protections.

Supervisory Responsibilities

Department Heads and supervisors have a responsibility to prevent sexual harassment and discrimination. All Department Heads and supervisors who receive a complaint or information about suspected sexual harassment, observe what may be sexually harassing or discriminatory behavior, or for any reason suspect that sexual harassment or discrimination is occurring, are required to report such suspected sexual harassment in accordance with the procedures above. Department Heads and supervisors should not be passive and wait for an employee to make a claim of harassment. If they observe such behavior, they must act.

Department Heads and supervisors can be disciplined if they engage in sexually harassing or discriminatory behavior themselves. Department Heads and supervisors can also be disciplined for failing to report suspected sexual harassment or allowing sexual harassment to continue after they know about it.

Department Heads and supervisors will also be subject to discipline for engaging in any retaliation.

While Department Heads and supervisors have a responsibility to report harassment and discrimination, they must be mindful of the impact that harassment and a subsequent investigation has on victims. Being identified as a possible victim of

harassment and questioned about harassment and discrimination can be intimidating, uncomfortable and re-traumatizing for individuals. Department Heads and supervisors must accommodate the needs of individuals who have experienced harassment to ensure the workplace is safe, supportive, and free from retaliation for them before, during, and after any investigation.

Bystander Intervention

Any employee witnessing harassment as a bystander is encouraged to report it. A Department Head or supervisor that is a bystander to harassment is **required** to report it. There are five standard methods of bystander intervention that can be used when anyone witnesses harassment or discrimination and wants to help:

1. A bystander can interrupt the harassment by engaging with the individual being harassed and distracting them from the harassing behavior;
2. A bystander who feels unsafe interrupting on their own can ask a third party to help intervene in the harassment;
3. A bystander can record or take notes on the harassment incident to benefit a future investigation;
4. A bystander might check in with the person who has been harassed after the incident, see how they are feeling and let them know the behavior was not ok; and
5. If a bystander feels safe, they can confront the harassers and name the behavior as inappropriate. When confronting harassment, physically assaulting an individual is never an appropriate response.

Though not exhaustive, and dependent on the circumstances, the guidelines above can serve as a brief guide of how to react when witnessing harassment in the workplace. Any employee witnessing harassment as a bystander is encouraged to report it. A Department Head or supervisor that is a bystander to harassment is required to report it.

Complaints and Investigations of Sexual Harassment

All complaints or information about sexual harassment will be investigated, whether that information was reported in verbal or written form. An investigation of any complaint, information, or knowledge of suspected sexual harassment will be prompt, thorough, and started and completed as soon as possible. The investigation will be kept confidential to the extent possible. All individuals involved, including those making a harassment claim, witnesses, and alleged harassers deserve a fair and impartial investigation.

Any employee may be required to cooperate as needed in an investigation of suspected sexual harassment. The Town will take disciplinary action against anyone engaging in retaliation against employees who file complaints, support another's complaint, or participate in harassment investigations.

The Town recognizes that participating in a harassment investigation can be uncomfortable and has the potential to retraumatize an employee. Those receiving claims and leading investigations will handle complaints and questions with sensitivity toward those participating.

While the process may vary from case to case, investigations will generally be done in accordance with the following steps. Upon receipt of a complaint, the person(s) designated by the Town:

1. Will conduct a prompt review of the allegations, assess the appropriate scope of the investigation, and take any interim actions (for example, instructing the individual(s) about whom the complaint was made to refrain from communications with the

- individual(s) who reported the harassment), as appropriate. If the complaint is verbal, request that the individual completes the complaint form in writing. If the person reporting prefers not to fill out the form, a complaint form or equivalent documentation based on the verbal reporting will be prepared;
2. Will take steps to obtain, review, and preserve documents sufficient to assess the allegations, including documents, emails or phone records that may be relevant to the investigation and will consider and implement appropriate document request, review, and preservation measures, including for electronic communications;
 3. Will seek to interview all parties involved, including any relevant witnesses;
 4. Will create a written documentation of the investigation (such as a letter, memo or email), which contains the following:
 - a. A list of all documents reviewed, along with a detailed summary of relevant documents;
 - b. A list of names of those interviewed, along with a detailed summary of their statements;
 - c. A timeline of events;
 - d. A summary of any prior relevant incidents disclosed in the investigation, reported or unreported; and
 - e. The basis for the decision and final resolution of the complaint, together with any corrective action(s).
 5. Will keep the written documentation and associated documents in a secure and confidential location;
 6. Will promptly notify the individual(s) who reported the harassment and the individual(s) about whom the complaint was made that the investigation has been completed and implement any corrective actions identified in the written document; and
 7. Will inform the individual(s) who reported of the right to file a complaint or charge externally as outlined in the next section.

Corrective Action and Discipline

Any employee who is found to have violated any aspect of this policy will be subject to corrective or disciplinary action, up to and including termination of employment, as provided by Town operating procedures, including Civil Service Law Section 75 or the disciplinary procedures contained in a collective bargaining agreement. Any Elected Official who violates this policy will be subject to remedial action as provided for and/or allowed under NYS Public Officers Law, as well as any other applicable statutes. Any vendor, supplier, visitor, customer, or other non-employee who violates this policy will be subject to remedial action, to the extent that the Town is empowered to take such action.

Legal Protections and External Remedies

Sexual harassment is not only prohibited by Town policy, but it is also prohibited by state, federal, and, where applicable, local law.

The internal process outlined in the policy above is one way for employees to report sexual harassment. Employees and covered individuals may also choose to pursue legal remedies with the following governmental entities. While a private attorney is not required to file a complaint with a governmental agency, an individual may also seek the legal advice of an attorney.

New York State Division of Human Rights

The New York State Human Rights Law (HRL), N.Y. Executive Law, art. 15, § 290 *et seq.*, applies to all employers in New York State and protects employees and covered individuals, regardless of immigration status. A complaint alleging violation of the Human Rights Law may be filed either with the New York State Division of Human Rights (DHR) or in New York State Supreme Court.

Complaints of sexual harassment filed with DHR may be submitted any time **within three years** of the harassment. If an individual does not file a complaint with DHR, they can bring a lawsuit directly in state court under the Human Rights Law, **within three years** of the alleged sexual harassment. An individual may not file with DHR if they have already filed a HRL complaint in state court.

Complaining internally to the Town does not extend the time to file with DHR or in court. The three years are counted from the date of the most recent incident of harassment. An individual does not need an attorney to file a complaint with DHR, and there is no cost to file with DHR.

DHR will investigate the complaint and determine whether there is probable cause to believe that sexual harassment has occurred. Probable cause cases receive a public hearing before an administrative law judge. If sexual harassment is found at the hearing, DHR has the power to award relief. Relief varies but it may include requiring the employer to take action to stop the harassment, or repair the damage caused by the harassment, including paying of monetary damages, punitive damages, attorney's fees, and civil fines.

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458. Individuals may call (718) 741-8400 or visit: www.dhr.ny.gov.

Go to dhr.ny.gov/complaint for more information about filing a complaint with DHR. The website has a digital complaint process that can be completed on a computer or mobile device from start to finish. The website has a complaint form that can be downloaded, filled out, and mailed to DHR as well as a form that can be submitted online. The website also contains contact information for DHR's regional offices across New York State.

Call the DHR sexual harassment hotline at **(800) HARASS3** (800-427-2773) for more information about filing a sexual harassment complaint. This hotline can also provide a referral to a volunteer attorney experienced in sexual harassment matters who can provide limited free assistance and counsel over the phone.

The United States Equal Employment Opportunity Commission

The United States Equal Employment Opportunity Commission (EEOC) enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act, 42 U.S.C. § 2000e *et seq.* An individual can file a complaint with the EEOC anytime within 300 days from the most recent incident of harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint and determine whether there is reasonable cause to believe that discrimination has occurred. If the EEOC determines that the law may have been violated, the EEOC will try to reach a voluntary settlement with the employer. If the EEOC cannot reach a settlement, the EEOC (or the Department of Justice in certain cases) will decide whether to file a lawsuit. The EEOC will issue a Notice of Right to Sue permitting workers to file a lawsuit in federal court if the EEOC closes the charge, is unable to determine if federal employment discrimination laws may have been violated, or believes that unlawful discrimination occurred by does not file a lawsuit.

Individuals may obtain relief in mediation, settlement or conciliation. In addition, federal courts may award remedies if discrimination is found to have occurred. In general, private employers must have at least 15 employees to come within the jurisdiction of the EEOC.

An employee alleging discrimination at work can file a "Charge of Discrimination." The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (TTY: 1-800-669-6820), visiting their website at www.eeoc.gov or via email at info@eeoc.gov.

If an individual filed an administrative complaint with the New York State Division of Human Rights, DHR will automatically file the complaint with the EEOC to preserve the right to proceed in federal court.

Local Protections

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city or town in which they live to find out if such a law exists.

Contact the Local Police Department

If the harassment involves unwanted physical touching, coerced physical confinement, or coerced sex acts, the conduct may constitute a crime. Those wishing to pursue criminal charges are encouraged to contact their local police department.

Conclusion

The policy outlined above is aimed at providing employees at the Town of Thompson and covered individuals an understanding of their right to a discrimination and harassment free workplace. All employees should feel safe at work. Though the focus of this policy is on sexual harassment and gender discrimination, the New York State Human Rights law protects against discrimination in several protected classes including sex, sexual orientation, gender identity or expression, age, race, creed, color, national origin, military status, disability, pre-disposing genetic characteristics, familial status, marital status, criminal history, or domestic violence survivor status. The prevention policies outlined above should be considered applicable to all protected classes.

New York State Labor Law requires all employers to adopt a sexual harassment prevention policy that includes a complaint form to report alleged incidents of sexual harassment.

If you believe that you have been subjected to sexual harassment, you are encouraged to complete this form and submit it to a supervisor, manager, Deputy Administrator or Town Attorney. You will not be retaliated against for filing a complaint.

If you are more comfortable reporting verbally or in another manner, your employer should complete this form, provide you with a copy and follow its sexual harassment prevention policy by investigating the claims as outlined at the end of this form.

Members of each Department are prohibited from making threats or engaging in violent activities. Threats or acts of violence include conduct against persons or property that is sufficiently severe, offensive, or intimidating to alter the conditions of employment, or to create a hostile, abusive, or intimidating work environment for one or more employees and/or business partners.
- **Definition of Workplace Violence** – Workplace violence is defined as all threats or acts of violence occurring on Town property or in the workplace, as defined in the policy scope, regardless of the relationship between the Department and the individual involved in the incident. This list of behaviors while not all inclusive, provides examples of conduct that is prohibited:
 - a. Aggressive or hostile behavior that creates an objective reasonable fear of injury to another person or subject another individual to emotional distress;
 - b. Intentionally damaging employer property or property of another employee;
 - c. Hitting or shoving an individual with any part of one's body and/or object;
 - d. Threatening to harm an individual or his/her family, friends, associates, or their property; or
 - e. The intentional destruction or threat of destruction of property owned, operated, or controlled by the Town.
 - f. Making harassing or threatening phone calls, or sending such letters in regular mail or electronic form.
 - g. Intimidating or attempting to coerce an employee to do wrongful acts as defined by law, policy, or administrative rule;
 - h. Willful malicious and repeated following of another person, also known as stalking.
 - i. Committing acts of violence motivated by or related to race, age, color, religion, gender, sexual orientation, disability, sexual harassment, or domestic violence.
 - j. Violent behavior also consists of threats and acts of aggression i.e. remarks of revenge, abusive or obscene statements in an attempt to intimidate, inflict harm or destroy property.

- **Warning Signs, Symptoms and Risk Factors** – While the Town of Thompson does not expect employees to be skilled at identifying potentially dangerous persons, employees are responsible to exercise good judgment and notify the appropriate Supervisor of any threats which they have witnessed or received. Employees should also notify the appropriate personnel regarding any member of their Department who exhibits behavior which could be a sign of a potentially dangerous situation. Such behavior may include, but is not limited to:
 - a. Bringing illegal weapons to the workplace;
 - b. Displaying overt signs of extreme stress, resentment, hostility, or anger;
 - c. Making threatening remarks;
 - d. Sudden or significant deterioration of performance;
 - e. Displaying irrational or inappropriate behavior;
 - f. Making intimidating statement like: "You know what happened at the Post Office," "I'll get even" or "You haven't heard the last of me.";
 - g. Having a romantic obsession with a co-worker who does not share that interest;
 - h. Intense anger or lack of empathy; or
 - i. History of interpersonal conflict; domestic problems, and/or unstable/dysfunctional family.

Supervisors should be alerted to and aware of these indicators. If an employee exhibits such behavior, those observing the behavior should advise their chain of command regarding their concerns and the employee should be monitored and such behavior should be documented.

Types of Workplace Violence – There are four types of workplace violence identified by the Occupational Safety and Health Administration in which workplace violence incidents are categorized.

- **Violence by Strangers** – In this type of incident a stranger commits the violence. This stranger has no legitimate personal or business relationship to the worker or workplace and enters the workplace, usually on the pretense of being a customer, to commit a robbery or other violent act. Also, workers may be victimized by strangers outside the "traditional" workplace, but while acting within the course and scope of their employment.
- **Violence by Customers/Clients** – In these incidents, the violence is committed by someone who receives a service provided by a business, such as a current or former customer, client or patient, a passenger, a criminal suspect or a prisoner. The violence can be committed in the workplace or outside the "traditional" workplace with service providers, while performing a job related function.

Violence of this category is divided into two sub-types.

- a. The first type involves people who may be inherently violent such as prison inmates, mental health service recipients, or other client populations.

- b. The second type involves people who are not known to be inherently violent, but are situationally violent. Something in the situation induces an otherwise non-violent customer or client to become violent. Typically, provoking situations are those, which are frustrating to the client or customer, such as denial of needed or desired services or delays in receiving such services.
- **Violence by Co-Workers** – In co-worker incidents, the perpetrator has an employment relationship with the workplace. The perpetrator can be a current or former employee, a prospective employee, a current or former supervisor, manager, or contractor. Co-worker violence that occurs outside the workplace, which resulted or arose from the employment relationship, is also included in this category. This type can again be divided into two types; 1) Violence between supervisors and subordinates, 2) Violence between worker at the same level.
- **Violence by Personal Relations** – In personal relationship incidents, the violence is committed by someone who has a personal relationship with the worker, such as a current or former spouse or partner, a relative or friend. Also included in this category is the perpetrator who has a personal dispute with the worker and enters the workplace to harass, threaten, injure or kill. Such incidents are referred to as domestic violence in the workplace.

Employee Acknowledgement – All employees of the Town of Thompson shall be provided with a copy of this Workplace Violence Prevention Policy and will sign an acknowledgement confirming receipt thereof which acknowledgement shall be maintained in each employee's personnel file.

- a. Except as herein specifically amended, the remainder of Chapter 48 of such code shall remain in full force and effect.
- b. If any clause, sentence, paragraph, subdivision, section or part thereof this local law shall be adjudged by any court of competent jurisdiction to be invalid, such judgment, decree or order shall not affect, impair or invalidate the remainder thereof but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment, decree or order shall have been rendered and the remainder of this local law shall not be affected thereby and shall remain in full force and effect.
- c. Except as herein otherwise provided penalties for the violation of this local law, any person committing an offense against any provision of the chapter of the Code of the Town of Thompson shall, upon conviction thereof, be punishable as provided in Chapter 1, General Provisions, Article II, of such Code.

806 *Drug-Free Workplace / Drug Free Awareness Program*

Policy Statement – It is the policy of the Town of Thompson that the unlawful manufacture, distribution, dispensation, possession, or use of an illegal controlled substance as defined in the Federal Drug-Free Workplace Act, is prohibited on the job or at the workplace.

Coverage – The Town of Thompson's Drug-Free Workplace Policy pertains to all individuals who are employed by the Town of Thompson.

Compliance with Federal Drug-Free Workplace Act – The Federal Drug-Free Workplace Act of 1988 is applicable to all recipients of Federal grants. In order to receive federal funds, the Town must certify to the granting Federal agency that it will provide a drug-free workplace in accordance with the legislation. As a recipient of Federal grants, the Town hereby complies with the requirements of the Drug-Free Workplace Act by adopting this policy and drug-free awareness program:

Prohibited Conduct – No employee shall use, sell, distribute, dispense, possess, or manufacture any alcoholic beverage, marijuana product, illegal drugs, or any other intoxicating substance, nor be under the influence of such, while on duty, at any job site or workplace, or in a Town vehicle, a vehicle leased for Town business, or a privately owned vehicle being used for Town business. An employee who, after investigation, is found to have violated this prohibition may be referred for counseling or rehabilitation and satisfactory treatment and will be subject to criminal, civil and disciplinary penalties, up to and including termination of employment. Any work-related accident or injury involving a Town vehicle, equipment, and/or property where it can be demonstrated that the use of alcohol, marijuana product, illegal drugs, or any other intoxicants may have been a contributing factor will result in disciplinary action which may include penalties up to and including termination of employment.

Use of Prescription and Over-the-Counter Drugs – Prescription drugs must be in the possession of the individual to whom the prescription was written, taken in the dosage prescribed, and maintained in their original containers. Prescription and over-the-counter drugs are not prohibited when taken in standard dosage and/or according to a physician's prescription. Any employee taking prescribed or over-the-counter medications will be responsible for consulting the prescribing physician and/or pharmacist to ascertain whether the medication may interfere with safe performance of assigned job duties. If the use of a medication could compromise the safety of the employee, fellow employees, or the public, it is the employee's responsibility to use appropriate personnel procedures (e.g., call in sick, use leave, request change of duty, notify supervisor, notify Department Head) to avoid unsafe workplace practices.

The legal use of prescribed and over-the-counter drugs is permitted on the job only if it does not impair an employee's ability to perform the job safely and if it does not affect the safety or well-being of other individuals in the workplace. The illegal or unauthorized use of prescription drugs is prohibited. It is a violation of our drug-free workplace policy to intentionally misuse and/or abuse prescription medications. Appropriate disciplinary action will be taken if job performance deterioration and/or other accidents occur.

Employee Assistance – It is the policy of the Town to work with an employee suffering from substance abuse so that the employee will receive assistance necessary to overcome dependency. An employee seeking such assistance is encouraged to contact the employee's Department Head to discuss the situation before problems begin to surface in the workplace. Any disclosures made by an employee will be treated as strictly confidential to

the greatest extent practicable. The employee's decision to seek assistance will not be used as the basis for disciplinary action nor used against the employee in any disciplinary proceeding.

Employee Responsibilities – As a condition of the Town receiving Federal grant monies, each employee must abide by this policy and notify the employee's Department Head of any criminal drug statute conviction for a violation occurring in the workplace within five calendar days of the conviction.

Town Responsibilities – The Town will notify the granting federal agency within ten days after receiving notice from an employee of such a conviction or otherwise receiving actual notice of such conviction. In addition, within thirty calendar days of receiving notice of a conviction, the Town will take disciplinary action against the employee and/or require such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program pursuant to Sections 702 and 703 of the Drug-Free Workplace Act.

Drug-Free Awareness Program – It is the policy of the Town of Thompson to maintain a drug-free workplace. In accordance with that policy, the Town is providing the following drug-free awareness information to raise employee awareness of the dangers associated with drug abuse in the workplace.

The purpose of this policy is to reduce accidents resulting from an employee's use of controlled substances and alcohol, thus reducing fatalities, injuries and property damage.

The Department Head must complete an *Employer's Report of Injury Form (C-2F)* and submit according to operating procedures.

The Town considers Hazard Communication and the prevention of workplace injuries and illnesses to be of prime importance.

Guidelines – The following guidelines for the identification of chemical hazards and the preparation and proper use of containers, labels, placards, and other types of warning devices must be adhered to:

A container not properly labeled must be given to the Department Head for labeling or proper disposal.
- **Dispensing Chemicals** – An employee may dispense chemicals from original containers only in small quantities intended for immediate use. Any chemical leftover must be returned to the original container or to the Department Head for proper handling. No unmarked containers of any size are to be left in the work area unattended.

An employee who is required to wear special safety equipment as directed by the supervisor must comply with the supervisor's request.

Emergency Response – Any incident of overexposure or spill of a hazardous chemical/substance must immediately be reported to the employee's supervisor. The supervisor must insure that proper emergency response actions are taken.

Hazards of Non-Routine Tasks – The Department Head must inform employees of any special tasks that may arise which would involve possible exposure to hazardous chemicals. Review of safe work procedures and use of required PPE must be conducted prior to the start of these tasks. Where necessary, areas will be posted to indicate the nature of the hazard involved.

1000 COMMUNICATION PROCEDURES

The success of the organization is dependent upon a set of common interests and goals that are achieved through teamwork, sharing of ideas, and effective communications of our short-term and long-term plans. The Department Head should use cautionary judgment in responding and notify the Town Supervisor's Office of the request. If the request is concerned with something of a sensitive nature, the Town Supervisor or Town Attorney should be notified prior to the release of any statement or information. Department Heads may refer all such requests to the Town Supervisor's Office or the Town Attorney with notification to the Town Supervisor.

All press releases, publications, articles and any other documents for release to the media or the public must be approved in advance by Department Heads and copied in advance to the Town Supervisor's Office.

1006 Reporting of Improper Activities

Policy Statement – Any employee who witnesses or becomes aware of an inappropriate action, improper financial circumstance, inappropriate use of Town funds or property, safety issue, or other matter that appears to be improper, should immediately make his or her Department Head or supervisor, the Town Supervisor, or any Town Board member aware of the issue. When an imminent and serious danger to public health or safety exists, an employee may see fit to immediately report violations to law enforcement or other applicable governing body. Even if you are in doubt about what you witnessed or were made aware of you should report the matter.

Retaliation – Under Section 75-B of New York State Civil Service Law, New York State Public Sector Whistleblower Law, an employee, who in good faith, discloses to a governmental body information regarding a violation of law, a substantial and specific danger to the public health or safety, or an improper governmental action which the employee reasonably believes to be true, shall be protected from any adverse personnel action including, but not limited to: termination, disciplinary action, or changes in compensation. Any Town employee or officer who commits or condones any form of retaliation against anyone who in good faith reports alleged misconduct will be subject to discipline up to, and including, termination.

1100 DISPUTE RESOLUTION

1101 *Dispute Resolution Procedure*

Policy Statement – The Town Board has established a set of procedures to provide for the orderly resolution of differences at the earliest possible stage and to promote a harmonious and cooperative relationship between employees, Department Heads and members of the Town Board which will enhance the overall operation of the Town. The Town will attempt to resolve all work-related complaints that are appropriate for handling under this policy.

Definition of Dispute – For the purpose of this Employee Handbook, a “dispute” will mean a claimed violation, misinterpretation or inequitable application of any of the provisions of this Employee Handbook. In addition, the term “dispute” shall not apply to any matter as to which the Town is without authority to act. A few examples of matters that may be considered appropriate disputes under this policy include:

- A belief that Town policies, practices, rules, regulations, or procedures have been applied in a manner detrimental to an employee;
- Improper or unfair administration of employee benefits or conditions of employment such as scheduling, vacations, fringe benefits, promotions, retirement, holidays, salary, or seniority.

Step One – An employee who claims to have a dispute may present the dispute to the employee’s Department Head. The dispute must be submitted, in writing, within seven working days following knowledge of the event(s) which caused the dispute or when the employee should have had knowledge. The dispute will specify the date of submission, the name of the aggrieved employee, the date the dispute arose, the nature of the dispute, the provision of the Employee Handbook that was allegedly violated and a statement of facts, times, dates, and the remedy sought.

Within seven working days after receiving the dispute, the employee’s Department Head will meet with the employee to discuss and attempt to resolve the matter.

Step Two – In the event the informal dispute is not resolved at Step One, or the employee reasonably believes that the employee cannot present the dispute to the employee’s Department Head, the employee may submit the matter to the Town Supervisor. The dispute must be submitted, in writing, within seven working days from receiving the Step One response, or when the response should have been received or if Step One is not utilized for the above reason, within seven working days following knowledge of the event(s) which caused the dispute or when the employee should have had knowledge.

Within seven working days after receiving the dispute, the Town Supervisor will meet with the employee to discuss and attempt to resolve the matter. Within seven working days from the meeting, the Town Supervisor will issue a written response.

Step Three – In the event the employee is not satisfied with the response at Step Two, the employee may submit the matter to the full Town Board by filing a Request for Hearing with the Town Clerk. The Request for Hearing must be submitted, in writing, within seven working days from receiving the Step Two response, or when the response should have been received. The Request for Hearing will include a written statement of the dispute as outlined in Step One of this Procedure.

The Town Board will set the time and place for the hearing. All decisions rendered by the Town Board will be final and binding.

Time Limits – The employee must adhere to the time limits set forth in this dispute procedure. In the event the employee does not advance the dispute to the next step within the established time limit, the dispute will be considered withdrawn and no further appeal will be accepted. The time limits may be extended by mutual agreement provided the extension is in writing, dated and signed by the employee and the person who is to receive the dispute.

Final Decisions – Final decisions on disputes will not be precedent-setting or binding on future disputes unless they are stated as official Town policy.

Proper Use of Dispute Resolution Procedure – Employees will not be penalized for proper use of the dispute resolution procedure. However, it is not considered proper use if an employee raises a dispute in bad faith or solely for the purposes of delay or harassment, or repeatedly raises meritless disputes. Implementation of the dispute procedure by an employee does not limit the right of the Town to proceed with any disciplinary action that is not in retaliation for the use of this procedure.

Refusal to Proceed with Dispute – The Town Board may, at its discretion, refuse to proceed with any dispute it determines is improper or baseless under this policy.

Bargaining Unit Employees – An employee who is a member of a collective bargaining unit should refer to the applicable collective bargaining agreement to determine if the employee's dispute (grievance) may be subject to the grievance procedure contained in the employee's collective bargaining agreement.

Purpose, Scope, Situation Overview, and Assumptions

Purpose

This plan has been developed in accordance with the amended New York State Labor Law section 27-c and New York State Education Law paragraphs k and l of subdivision 2 of section 2801-a (as amended by section 1 of part B of chapter 56 of the laws of 2016), as applicable. These laws were amended by the passing of legislation S8617B/A10832 signed by the Governor of New York State on September 7, 2020, requires public employers to adopt a plan for operations in the event of a declared public health emergency involving a communicable disease. The plan includes the identification of essential positions, facilitation of remote work for non-essential positions, provision of personal protective equipment, and protocols for supporting contact tracing.

Scope

This plan was developed exclusively for and is applicable to Town of Thompson. This plan is pertinent to a declared public health emergency in the State of New York which may impact our operations; and it is in the interest of the safety of our employees and contractors, and the continuity of our operations that we have promulgated this plan.

Situation Overview

On March 11, 2020 the World Health Organization declared a pandemic for the novel coronavirus which causes the COVID-19 severe acute respiratory syndrome. This plan has been developed in accordance with amended laws to support continued resilience for a continuation of the spread of this disease or for other infectious diseases which may emerge and cause a declaration of a public health emergency.

The health and safety of our employees and contractors is crucial to maintaining our mission essential operations. We encourage all employees and contractors to use CDC Guidance for Keeping Workplaces, Schools, Homes, and Commercial Establishments Safe. The fundamentals of reducing the spread of infection include:

- Using hand sanitizer and washing hands with soap and water frequently, including:
 - After using the restroom
 - After returning from a public outing
 - After touching/disposing of garbage
 - After using public computers, touching public tables, and countertops, etc.
- Practice social distancing when possible
- If you are feeling ill or have a fever, notify your supervisor immediately and go home
- If you start to experience coughing or sneezing, step away from people and food, cough or sneeze into the crook of your arm or a tissue, the latter of which should be disposed of immediately
- Clean and disinfect workstations at the beginning, middle, and end of each shift
- Other guidance which may be published by the CDC, the State Department of Health, or County health officials.

Planning Assumptions

This plan was developed based on information, best practices, and guidance available as of the date of publication. The plan was developed to largely reflect the circumstances of the current Coronavirus pandemic but may also be applicable to other infectious disease outbreaks.

The following assumptions have been made in the development of this plan:

- The health and safety of our employees and contractors, and their families, is of utmost importance
- The circumstances of a public health emergency may directly impact our own operations.
- Impacts of a public health emergency will take time for us to respond to, with appropriate safety measures put into place and adjustments made to operations to maximize safety
- The public and our constituency expects us to maintain a level of mission essential operations
- Resource support from other jurisdictions may be limited based upon the level of impact the public health emergency has upon them
- Supply chains, particularly those for personal protective equipment (PPE) and cleaning supplies, may be heavily impacted, resulting in considerable delays in procurement
- The operations of other entities, including the private sector (vendors, contractors, etc.), non-profit organizations, and other governmental agencies and services may also be impacted due to the public health emergency, causing delays or other disruptions in their services
- Emergency measures and operational changes may need to be adjusted based upon the specific circumstances and impacts of the public health emergency, as well as guidance and direction from public health officials and the governor

Mission Essential Functions

When confronting events that disrupt normal operations, Town of Thompson is committed to ensuring that essential functions will be continued even under the most challenging circumstances.

Essential functions are those functions that enable an organization to:

1. Maintain the safety of employees, contractors, and our constituency
2. Provide vital services
3. Provide services required by law
4. Sustain quality operations
5. Uphold the core values of Town of Thompson

The Town of Thompson has identified as critical only those priority functions that are required or are necessary to provide vital services. During activation of this plan, all other activities may be suspended to enable the organization to concentrate on providing the critical functions and building the internal capabilities necessary to increase and eventually restore operations. Appropriate communications with employees, contractors, our constituents, and other stakeholders will be an ongoing priority.

Essential functions are prioritized according to:

- The time criticality of each essential function
- Interdependency of a one function to others
- The recovery sequence of essential functions and their vital processes

Priority 1 identifies the most essential of functions, with priority 4 identifying functions that are essential, but least among them.

The mission essential functions for Town of Thompson have been identified as:

It is important to note that Justice Court is a vital component of town government, with Justice Court functions budgeted and supported by the Town Board and Town Supervisor. However, we recognize that the New York State Office of Court Administration holds dominion over Justice Courts and, as such, may issue orders which suspend or alter the hours of operation or means by which Justice Courts operate; which may not fully align with this plan or other measures taken by the Town Board or Town Supervisor. As such, the Town Board, Town Supervisor, and Town Clerk will coordinate as necessary with Justice Court personnel to ensure safe and effective continuity of town Justice Court.

Reducing Risk Through Remote Work and Staggered Shifts

Through assigning certain staff to work remotely and by staggering work shifts, we can decrease crowding and density at work sites and on public transportation

Remote Work Protocols

Non-essential employees and contractors able to accomplish their functions remotely will be enabled to do so at the greatest extent possible. Working remotely requires:

1. Identification of staff who will work remotely
2. Approval and assignment of remote work
3. Equipping staff for remote work, which may include:

- a. Internet capable laptop
- b. Necessary peripherals
- c. Access to VPN and/or secure network drives
- d. Access to software and databases necessary to perform their duties
- e. A solution for telephone communications may include forwarding phones to remote computers in addition to remotely accessing phone voice mails.

The Town Supervisor will work with Department heads to determine feasibility of a specific employee or position's ability to work from home. The ultimate authority to allow an employee to work from remotely is held by the Town Supervisor.

Employees who wish to work remotely must submit a request in writing to their Department Head. Department Heads shall work with the Town Supervisor to determine whether to grant each request. All employees should be aware that telecommuting policies are subject to change as the circumstances of the emergency changes. Utilization of sick, vacation, personal or other paid time are subject to all normal procedures unless otherwise directed by an Executive Order.

As possible, 'essential' staff may be assigned to work remotely for part of their work week to reduce exposures. Further, business hours and locations of Town government may be altered to best accommodate public health protective actions for employees and the public. Alterations to building access and the means by which the public interacts with Town employees may also take place to support these protections. Protective actions may include, but are not limited to occupancy restrictions, protective barriers, and increased conduct of business by internet, phone, or other means. Protective actions will be taken in accordance with County and State Health Department, and CDC guidelines and requirements.

Staggered Shifts

Implementing staggered shifts may be possible for personnel performing duties which are necessary to be performed on-site but perhaps less sensitive to being accomplished only within core business hours. As possible, management will identify opportunities for staff to work outside core business hours as a strategy of limiting exposure. Regardless of changes in start and end times of shifts, Town of Thompson will ensure that employees are provided with their typical or contracted minimum work hours per week. Staggering shifts requires:

1. Identification of positions for which work hours will be staggered
2. Approval and assignment of changed work hours

Staggering of shifts will be left to the discretion of the Department Head with final approval from the Town Supervisor.

Personal Protective Equipment

The use of personal protective equipment (PPE) to reduce the spread of infectious disease is important to supporting the health and safety of our employees and contractors. PPE which may be needed can include:

- Masks
- Face shields
- Gloves
- Disposable gowns and aprons

Note that while cleaning supplies are not PPE, there is a related need for cleaning supplies used to sanitize surfaces, as well as hand soap and hand sanitizer. The Coronavirus pandemic demonstrated that supply chains were not able to keep up with increased demand for these products early in the pandemic. As such, we are including these supplies in this section as they are pertinent to protecting the health and safety of our employees and contractors.

Protocols for providing PPE include the following:

1. Identification of need for PPE based upon job duties and work location
2. Procurement of PPE
 - a. As specified in the amended law, public employers must be able to provide at least two pieces of each required type of PPE to each essential employee and contractor during any given work shift for at least six months
 - b. Public employers must be able to mitigate supply chain disruptions to meet this requirement
3. Storage of, access to, and monitoring of PPE stock
 - a. PPE must be stored in a manner which will prevent degradation
 - b. Employees and contractors must have immediate access to PPE in the event of an emergency
 - c. The supply of PPE must be monitored to ensure integrity and to track usage rates

Each Department head will oversee the implementation of the steps above. He/she will determine the appropriate amount of required PPE described above for all essential workers and be sure to monitor and maintain appropriate stockpile. PPE will be stored at the relevant facilities and all Department Heads will have access to PPE. Department Heads will also monitor and maintain an appropriate amount of cleaning supplies at each town facility based on CDC recommendations.

Staff Exposures, Cleaning, and Disinfection

Staff Exposures

Staff exposures are organized under several categories based upon the type of exposure and presence of symptoms. Following CDC guidelines, we have established the following protocols:

- A. If employees or contractors are exposed to a known case of communicable disease that is the subject of the public health emergency (defined as a 'close contact' with someone who is confirmed infected, which is a prolonged presence within six feet with that person):
 1. Potentially exposed employees or contractors who do not have symptoms should remain at home or in a comparable setting and practice social distancing for the lesser of 14 days or other current CDC/public health guidance for the communicable disease in question.

- a. As possible, these employees will be permitted to work remotely during this period of time if they are not ill.
 - b. The Town of Thompson Supervisor is the designated individual who must be notified related to this section and who is responsible for ensuring these protocols are followed
 - c. See the section titled Documentation of Work Hours and Locations for additional information on contact tracing
- 2. CDC guidelines for COVID-19 provide that critical essential employees may be permitted to continue work following potential exposure, provided they remain symptom-free and additional precautions are taken to protect them, other employees and contractors, and our constituency/public.
 - a. Additional precautions will include the requirement of the subject employee or contractor, as well as others working in their proximity, to wear appropriate PPE at all times to limit the potential of transmission.
 - b. In-person interactions with the subject employee or contractor will be limited as much as possible.
 - c. Work areas in which the subject employee or contractor are present will be disinfected according to current CDC/public health protocol at least every hour, as practical. See the section on Cleaning and Disinfection for additional information on that subject.
 - d. If at any time they exhibit symptoms, refer to item B below.
 - e. The Town of Thompson Supervisor is the designated individual who must be notified related to this section and who is responsible for ensuring these protocols are followed
- B. If an employee or contractor exhibits symptoms of the communicable disease that is the subject of the public health emergency:
 - 1. Employees and contractors who exhibit symptoms in the workplace should be immediately separated from other employees, customers, and visitors. They should immediately be sent home with a recommendation to contact their physician.
 - 2. Employees and contractors who exhibit symptoms outside of work should notify their supervisor and stay home, with a recommendation to contact their physician.
 - 3. Employees should not return to work until they have met the criteria to discontinue home isolation per CDC/public health guidance and have consulted with a healthcare provider.
 - 4. Town of Thompson will not require sick employees to provide a negative test result for the disease in question or healthcare provider's note to validate their illness, qualify for sick leave, or return to work; unless there is a recommendation from the CDC/public health officials to do so.
 - 5. CDC criteria for COVID-19 provides that persons exhibiting symptoms may return to work if at least 24 hours have passed since the last instance of fever without the use of fever-reducing medications. If the disease in question is other than COVID-19, CDC and other public guidance shall be referenced.
 - 6. The Town of Thompson Supervisor is the designated individual who must be notified in the event of any issues related to this section and who is responsible for ensuring these protocols are followed
- C. If an employee or contractor has tested positive for the communicable disease that is the subject of the public health emergency:
 - 1. Apply the steps identified in item B, above, as applicable.
 - 2. Areas occupied for prolonged periods of time by the subject employee or contractor will be closed off.

- a. CDC guidance for COVID-19 indicates that a period of 24 hours is ideally given before cleaning, disinfecting, and reoccupation of those spaces will take place. If this time period is not possible, a period of as long as possible will be given. CDC/public health guidance for the disease in question will be followed.
 - b. Any common areas entered, surfaces touched, or equipment used shall be cleaned and disinfected immediately.
 - c. See the section on Cleaning and Disinfection for additional information on that subject.
3. Identification of potential employee and contractor exposures will be conducted
 - a. If an employee or contractor is confirmed to have the disease in question, the Town Supervisor or their designee should inform all contacts of their possible exposure. Confidentiality shall be maintained as required by law.
 - b. Apply the steps identified in item A, above, as applicable, for all potentially exposed personnel.
4. The Town of Thompson Supervisor is the designated individual who must be notified in the event of any issues related to this section and who is responsible for ensuring these protocols are followed.

We recognize there may be nuances or complexities associated with potential exposures, close contacts, symptomatic persons, and those testing positive. We will follow CDC/public health recommendations and requirements and coordinate with our local public health office for additional guidance and support as needed.

Cleaning and Disinfecting

CDC/public health guidelines will be followed for cleaning and disinfection of surfaces/areas. Present guidance for routine cleaning during a public health emergency includes:

1. As possible, employees and contractors will clean their own workspaces in the beginning, middle, and end of their shifts, at a minimum. High traffic/high touch areas, common areas and areas which are accessible to the public/constituents will be disinfected by staff thorough out the day.
2. Staff tasked with cleaning and disinfecting areas will be issued and required to wear PPE appropriate to the task.
3. Soiled surfaces will be cleaned with soap and water before being disinfected.
4. Surfaces will be disinfected with products that meet EPA criteria for use against the virus in question and which are appropriate for that surface.
5. Staff will follow instructions of cleaning products to ensure safe and effective use of the products.
6. The Town will provide hand sanitizer in all areas accessible to the public for their use.

Employee and Contractor Leave

Public health emergencies are extenuating and unanticipated circumstances in which Town of Thompson is committed to reducing the burden on our employees and contractors. The *Families First Coronavirus Response Act* provided requirements related to the COVID-19 pandemic, which form the policies outlined below. This policy may be altered based upon changes in law or regulation, as applicable.

It is our policy that employees of Town of Thompson will not be charged with leave time for testing. Employees will be provided with up to two weeks (80 hours) of paid sick leave at the employee's regular rate of pay for a period which the employee is unable to work due to quarantine (in accordance with federal, state, or local orders or advice of a healthcare provider), and/or experiencing symptoms and seeking medical diagnosis.

Further, Town of Thompson will provide up to two weeks (80 hours) of paid sick leave at two-thirds the employee's regular rate of pay if the employee is unable to work because of a bona fide need to care for an individual subject to quarantine (pursuant to federal, state, or local orders or advice of a healthcare provider), or to care for a child (under 18 years of age) whose school or child care provider is closed or unavailable for reasons related to the public health emergency, and/or the employee is experiencing a substantially similar condition as specified by the CDC/public health officials. This provision may be modified if an employee is able to effectively work remotely and the need exists for them to do so.

Additionally, Town of Thompson will provide up to an additional 10 weeks of paid expanded family and medical leave at two-thirds of the employee's regular rate of pay where an employee, who has been employed for at least 30 calendar days by Town of Thompson, is unable to work due to a bona fide need for leave to care for a child whose school or child care provider is closed or unavailable for reasons related to the public health emergency. This provision may be modified if an employee is able to effectively work remotely and the need exists for them to do so.

The Town of Thompson Supervisor is the designated individual who must be notified related to this section and who is responsible for making determinations as it relates to this section.

Additional provisions may be enacted based upon need and the guidance and requirements in place by federal and state employment laws, FMLA, executive orders, and other potential sources.

Contractors, either independent or affiliated with a contracted firm, are not classified as employees of Town of Thompson, and as such are not provided with paid leave time by Town of Thompson, unless required by law.

Documentation of Work Hours and Locations

In a public health emergency, it may be necessary to document work hours and locations of each employee and contractor to support contact tracing efforts. Identification of locations shall include on-site work, off-site visits. This information may be used by Town of Thompson to support contact tracing within the organization and may be shared with local public health officials.

Department heads maintain a paper-based system for employees who work or visit off site locations.

Housing for Essential Employees

There are circumstances within a public health emergency when it may be prudent to have essential employees lodged in such a manner which will help prevent the spread of the subject communicable disease to protect these employees from potential exposures, thus helping to ensure their health and safety and the continuity of Town of Thompson 's essential operations.

If such a need arises, hotel rooms are expected to be the most viable option. If hotel rooms are for some reason deemed not practical or ideal, or if there are no hotel rooms available, Town of Thompson will coordinate with the Sullivan County Office of Emergency Management/Homeland Security to help identify and arrange for these housing needs. The Town Supervisor or their designee will be responsible for coordinating this effort.
