4) CONTINUED DISCUSSION: SEWER EASEMENT WITH TOWN REGARDING REQUEST FOR SEWER CONNECTION INTO THE CONSOLIDATED HARRIS SEWER DISTRICT – BROOKVIEW COTTAGES, 447 OLD ROUTE 17, MONTICELLO, NY, SBL #7.-1-44.2

Supervisor Rieber advised that at the last meeting there was a discussion regarding a Sewer Easement for sewer connection into the Consolidated Harris Sewer District for Brookview Cottages located at 447 Old Route 17, Monticello, NY, SBL #7.-1-44.2. Attorney Mednick reviewed the Easement dated June 19th, 1986 between Eltore & Ann E. Matarazzo and Greentree Properties Partnership and expressed three concerns as follows: 1) At the time the sewer system was private, Easement would normally run with the land, the question is, was all documents transferred to the Town when the sewer system was taken over by the Town. 2) What did the existing property consist of at time of Easement? 3) The cost to tie in would consist of the improvements. The question is the cost to extend into the District would consist of a Map, Plan & Report, which would be required to be paid to the Engineer before the property could be extended. Superintendent Messenger commented on the matter and further discussion was held. There was an official request received by Ben Halberstam, All Country Services

Representing Brookview Bungalow Colony via email dated August 15th, 2024. Attorney Mednick was directed to draft a letter to the property owner explaining that the Town would provide the improvements to connect to the sewer system, however the District would need to be extended to allow connection. A Sewer District Extension would consist of a Map, Plan & Report to be completed by the Town Engineering firm and the cost for this service would be the responsibility of the property owner before the Town can connect the property. There was no further action taken at this time.

6) PARKS DEPARTMENT: DISCUSSION & APPROVAL OF PRICE QUOTE - RE-SURFACE OF TOWN HALL PARKING LOTS BY GORMAN CONSTRUCTION AT ESTIMATED COST OF \$29,997.00

Parks & Recreation Superintendent Glenn Somers spoke with Highway Superintendent Richard Benjamin regarding the Nova Chipping of the Town Hall Parking Lots. Supt. Benjamin obtained pricing from Gorman Construction for Nova Chipping of both Town Hall Parking Lots. The total estimated cost according to pricing based on the 2024 Spray Paver Bid of \$633/ton would be \$29,997.00. This matter is time sensitive as the material must be done in warmer weather. Supt. Somers explained the Nova Chipping process, which is a less expensive option and is recommended by the Highway Superintendent. Supt. Somers verified with Comptroller DeMarmels that funds are available in the budget for this expense. The Town Board discussed the matter and action to approve the price quote was taken as follows:

The Following Resolution Was Duly Adopted: Res. No. 276 of the Year 2024.

Resolved that the Town Board of the Town of Thompson hereby approve the Proposal of Gorman Construction for Nova Chipping both Town Hall Parking Lots at a total estimated cost of \$29,997.00 and that the Highway Superintendent hereby be authorized to execute acceptance of said proposal as presented.
