Instructions

You must submit Form RP-425-IVP with this form when applying for the Enhanced STAR exemption.

General information

The Enhanced STAR exemption reduces the school tax liability for qualifying senior citizens by exempting a portion of the value of their home from the school tax.

To qualify, the home must be:

- owner-occupied, and
- the homeowners' primary residence.

The combined 2023 income of all owners, and any spouses who reside on the property must be less than or equal to \$107,300 **and** you must have had a STAR exemption on the same property for the 2015-2016 school year.

In the first year, the assessor will verify your eligibility based on the income information you provide (see *Proof of income for STAR purposes*). In the following years, the New York State Department of Taxation and Finance will verify your income eligibility. You will not need to reapply for the exemption or provide copies of your tax returns to your local assessor.

Who should use this form:

Since the STAR exemption is closed to new applicants, you should only use this form if:

- (1) you already have a Basic STAR exemption and believe you are now qualified for an Enhanced STAR exemption, or
- (2) you already have an Enhanced STAR exemption and need to reapply due to a change of ownership resulting from:
 - marriage,
 - divorce,
 - surrender of interest by a co-owner,
 - survivorship,
 - trusts,
 - life estates, or
 - name change(s).

Note: If you are currently receiving a check for a STAR credit, you cannot apply for the STAR exemption. You cannot switch from the STAR credit to the STAR exemption.

Deadline: You must file this application **and proof of income, proof of age, and Form RP-425-IVP** with your local assessor on or before the applicable taxable status date, which is generally March 1.

Exceptions:

- In the Village of Bronxville, it is January 1.
- In Nassau County, it is January 2.
- In Westchester towns, it is either May 1 or June 1.
- In cities, check with your assessor.

For further information, ask your local assessor. Visit our website or your locality's website to find your local assessor's contact information.

Do not file this form with the New York State Department of Taxation and Finance or the Office of Real Property Tax Services.

Application instructions

Print the name and mailing address of each person who **owns** the property, including any non-resident owners. (If the title to the property is in a trust, or is held in a life estate, the trust beneficiaries or life tenants are deemed to be the owners for STAR purposes.) There is no single factor which determines whether the property is your primary residence, but the assessor will consider factors such as voting location, automobile registrations, and the length of time you occupy the property each year. The assessor may ask you to provide proof of residency and ownership.

You can find the parcel identification number on either the assessment roll or your tax bill.

If your primary residence changes after you have been granted the exemption, you must notify the assessor.

Proof of income for STAR purposes

You are required to submit proof of income with this form. Proof of income is your 2023 federal or state income tax return. **Do not** submit your 2024 tax forms. If you were not required to file a federal or New York State income tax return for 2023, complete Form RP-425-Wkst, and submit it to the assessor along with this form. To determine your income eligibility, use the following table to identify line references on your 2023 federal or state income tax returns.
