Re: Monticello Liquor Store Pending Application

Dear Sirs:

I am writing to support the application of Monticello Liquor Store, 35 Pleasant Street, Monticello, NY 12701. I understand that the application has been pending for some time and was delayed due an issue with NYS DOT regarding a road right of way. By the time that issue was resolved (as a non-issue), the building was complete and ready for occupancy, however during that interval, a building nearby was occupied and classified as a school, further delaying the approval of the license.

To get to the point, the applicant has built a beautiful commercial building which is an asset to the Village and Town. I am told that the operators of the school, Mosdos Monticello, Inc., have no issue with your agency issuing the license.

Respectfully, I ask that your honorable authority expedite the issuance of the license to the applicant so they can open, hire and conduct business.

Thanking you I remain,

Very truly yours,

William J. Rieber, Jr.

WITNESSETH

WHEREAS, Prestige is the owner or contract vendee of several parcels of land, located in the Town of Thompson, Sullivan County, New York that being parcels 29-1-15, 29-1-22.1, 29-1-34.1, 29-1-45, 29.-1-25.1, and a portion of 29-1-24 (collectively the "Prestige Property"); and

WHEREAS, Chaim Brocha Corp. is the owner of a parcel of land located in the Town of Thompson, Sullivan County, New York, that being parcel 29.-1-19.1 (the "Thompson Heights Property"); and

WHEREAS, Prestige has proposed a residential development on the Prestige Property with estimated water requirements of 66,000 gallons per day (the "Prestige Development"); and

WHEREAS, Thompson Heights has proposed a residential development on the Thompson Heights Property with estimated water requirements of 66,000 gallons per day (the "Thompson Heights Development"); and

WHEREAS, Prestige has requested that the Town extend the Cold Spring Water District as well as the Consolidated Harris Sewer District to include the Prestige Property. Thompson Heights is currently located in the Cold Spring Water District and the Consolidated Harris Sewer District, subject to its obligations to share in the improvements described herein; and

WHEREAS, the Town has agreed to move forward with the process for the extensions described above, as well as the improvements described herein to proceed subject to the terms and conditions of this Agreement;

NOW, THEREFORE, the parties hereto agree as follows:

1. 220 COLD SPRING ROAD LLC and CHAIM BROCHA CORP. jointly agree to fund the Harris Consolidated Sewer District the cost of the initial work applicable to the Water System Upgrade Project, estimated at \$100,000.00, which funds are needed for preliminary design, well testing, and to better estimate the total cost of the Water System Upgrade Project; each party's respective share of the cost. The studies will examine and make recommendations to the Town respecting developer contributions for the required actual construction of all or portions of the recommended improvements and all costs associated with required upgrades to service both projects and the entirety of the Water District.

- Once the preliminary design plans are completed on behalf of the Consolidated Harris Sewer District for the water system upgrades, all parties shall enter into a separate agreement for the actual work to be done and the required percentages of Developer contributions towards the upgrade project. No determination as to scope, costs and contributions shall be made until all parties have received and reviewed the preliminary design and project plans.
- 3. "Prestige" will be separately responsible for the cost to prepare a Map, Plan and Report for the purpose of annexing their parcels, which are not within the Consolidate Harris Sewer District and the Cold Spring Road Water Districts.
 - a. Prestige, with respect to the Prestige Property, agrees to take whatever steps may be necessary in order to complete the documentation and legal requirements required in order to extend the Town Water and Town Sewer districts to include the Prestige Property, and in order to reflect the extension of the districts on the Town tax maps and the Sullivan County records. In furtherance of the foregoing, Prestige agrees that, upon request from the Town, to do the following:
- 4. Assist the Town in preparing, a map, plan and report, and other documents required by the applicable law to extend a district. The report shall specifically include, among other information and data, the projected sewage flow per day required to serve the houses to be constructed.
- 5. Enter into separate agreements with the Town for payment for preparation of Map, Plan and reports for each district annexation.
- 6. "Prestige and Thompson Heights" contributed funds totaling \$100,000 will be deemed by the Town to be 50% from each party for the purpose of refunds or each party's "credit" toward the total cost of the project. The Town will, however, respect a different allocation if unilaterally agreed to by both Prestige and Thompson Heights.
- 7. If, for any reason, the project does not come to fruition, any funds remaining from the initial \$100,000 contribution will be refunded pro-rata per paragraph 6 above.
- 8. In any case, all of the work product funded by the developer's contribution of \$100,000 shall be, without reservation, property of the Town of Thompson on behalf of the Cold Spring Road Water District and the Consolidated Harris Sewer District.
- 9. If, for any reason, costs for the preliminary design plan exceed the \$100,000 contribution, the Town will notify the parties as soon as is practicable, to request additional funding.
- 10. The parties agree to execute any and all such other and further instruments and documents, and to take any and all such further actions reasonably required to effectuate this Agreement and the intents and purposes hereof.
- 11. All notices or other communications required or permitted hereunder shall be in writing and shall be by email or mailed by First Class, Registered or Certified Mail, Return Receipt Requested, postage prepaid, as follows:
